GET A POLICY AT ONCE, and save yourself from future loss by fire and worry about not having it.

Do it now—to-day.

We may pity the man who has been "wiped out," but he is not deserving of it. No man has a right to go without

Clinard and Lyerly.

PREPARE THIS YOURSELF.

For those who have and form of blood disorders; who want new, rich blood and plenty of it, try this:

Fluid Extract Dandelion, one-half ounce; Compound Largon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take in teaspoonful doses after each meal and at bedtime. Any good pharmacy can supply the ingredients at small cost.

This is the prescription which, when made up, is called "The Vegetable Treatment;" by others, the "Cyclone Blood Purifier." It acts gently and certainly does wonders for some people who are sickly, weak and out of sorts, and is known to relieve serious, longstanding cases of rheumatism and chronic backache quickly.

**Lenoir College Base Ball Team**  
Lenoir College has, for the last few years, had some trouble with the ball players. There has been some corruption in her athletic department, caused by taking professional players in school who, although they helped make a strong team, pulled down the moral standard.

This year Lenoir College has made a step in advance of most other colleges in that she has done away with all vagabonds or hired players and requires that all who play on the team must be "bonified" students with a good class standing. This speaks well for Lenoir College especially when we are aware that she has or will have almost as strong a team as ever.

The Lenoir College Athletic Association has everything arranged systematically and will do its work decently and in order.

There will be many nice and interesting games played at Lenoir College this spring at which we hope to see many of our Hickory people. We will give you nice entertainment if you only give us the opportunity.

Below is our schedule for the coming season.

- March 25, State D. D. at Morganton.
- March 30, Davidson at Davidson.
- April 1, Mt. Pleasant at Hickory.
- April 6, Mt. Pleasant at Concord.
- April 8, Maryville College (Tenn.) at Hickory.
- April 13, Rutherford at Hickory.
- April 15, Rutherford at Rutherford.
- April 20, Bingham at Hickory.
- April 22, Catawba College at Newton.
- A. M. April 27, Asheville at Asheville.
- P. M. April 27, Bingham at Asheville.
- April 29, Catawba College at Hickory.
- May 4, Deaf and Dumb Institute at Hickory.

Everyone come to every game.

**Old Soldiers Reunion.**  
The 16th annual reunion of the survivors of Company I, 49th N. C. Reg., will be held at Sherrill's Ford, N. C., Saturday, March 30th, 1907.

All old soldiers with their families and the public generally are cordially invited.

All are requested to bring baskets of rations.

Respectfully,  
W. A. DAY,  
Sec'y. Co. I. C. V. Association.

There are two kinds of girls in the world, the girl who works and the girl who gads. Command us to the former. Work lends dignity to a pretty girl, is an added charm to her. The girl who works, God bless her, combines the useful and ornamental. She might gad about, roll on sofas, gossip and read story books, but she prefers to be of some account in the world and goes out stenographer, teacher, saleslady or housekeeper bravely makes her own way. Such are the salt of the earth and of such is the kingdom of heaven.

It is not easy to learn to keep a household account book all at once. A young husband gave his wife a neat little account book prettily bound and designed to be inviting in appearance. He also gave her fifty dollars, and said: "I want you to put down what I give you on this side, and on the other write down the way it goes, and in two weeks I will give you another supply." Two weeks later he asked for the book. "Oh, I have kept that account," said the young matron; "here it is." And on one page was inscribed: "Received from Fred fifty dollars," and on the opposite was this summary, "Spent \$1.11."
