

Force March On to Ceiba

Mobile, Ala., March 30.—Captain Henriksen, of the Norwegian steamer Harald, says on March 26, the time of the sailing from the Ceiba, Honduras, that Ceiba had not been captured by the Nicaraguan forces, but they were slowly advancing on the city.

The presence of the American gunboat Marietta was a great relief to the natives of the place.

A United States officer and ten marines with a rapid fire gun were stationed in the city to protect the American interests.

KILLED IN "SIDESWIPE" CRASH.

Young J. W. Braswell Killed on a Seaboard Shifting Engine.

From the Charlotte News.

Mr. J. W. Braswell was killed last night at 8:20 o'clock in what railroad men term a "sideswipe" accident, which occurred 100 yards east of the Seaboard Air Line passenger depot.

Mr. Braswell was standing on the running board of the tender of a shifting engine. He held a torch in his hands and did not observe a box car that had not been clear of the "C. P." post. He was caught between the engine and the box car and before the former could stop the unfortunate man was crushed to death, his lifeless body falling to the ground between the car and engine.

Mr. Braswell had been employed by the road about six weeks. He was 22 years old and came from Union county and was given a position as assistant hostler. His board of at the home of Mr. J. H. Braswell, No. 806 West Second street. The remains were taken there soon after the accident and tonight will be taken to Union county, his former home.

SUIT FOR \$500.

Former Employee of Southern Express Company Brings Suit for that Amount.

Asheville, March 30.—E. S. Burns, formerly an employee of the Southern Express Company, has begun suit in the Superior Court for \$5,000 damages against that company.

Mr. Burns, who was employed in the Asheville office of the express company, alleges that against his will he was sent on a railway to act as messenger on the Murphy branch; that he had made only one trip and that he was later informed that about \$95, which had been sent from Waynesville had disappeared. He claims that the company attempted to force him to make the loss good, and that upon his refusal to do so he was discharged about six weeks ago.

The plaintiff maintains that on the day in question no money was shipped from Waynesville, so that he, of course, could not have been responsible for the loss of any. He claims that his reputation, previously unscathed, has suffered, and asks for damages in the amount of \$5,000.

HOW THEY SQUIRMED.

Great Times When Children Had to Take Old Fashioned Cod Liver Oil and Emulsion.

You had to bribe them, hold their noses, in fact go through a regular circus to get them to take it.

That was years ago, before the two eminent French chemists, Morgues and Gatteo, discovered how to separate the medicinal elements of the cod's liver from the useless, nauseating oil, and produced Vinol.

Vinol is not a patent medicine but a real cod liver preparation containing in a highly concentrated form all of the body-building, strength creating elements of cod liver oil, actually taken from fresh cod's livers, with all the useless oil eliminated and tonic iron added. It tastes fine and children love it. Wherever old-fashioned cod liver oil or emulsion will do good, Vinol will do far more good.

Our local druggist, E. B. Menzies, says: "It is because we know so well of what Vinol is made that we ask every mother who has a weak, delicate or ailing child, and in fact every run-down, debilitated, aged or weak person in Hickory, and every person suffering from stubborn colds, hangings on coughs or bronchitis to try Vinol on our offer to return their money if it fails." E. B. Menzies, Druggist.

Note—While we are sole agents for Vinol in this river, it is now for sale at the leading drug stores in nearly every town and city in the country. Look for the Vinol agency in your town.

Railroads "Show" Missouri.

Kansas City, Mo., April 1.—The freight rate on grain shipments from the Missouri River and points west to Mississippi points, Chicago, Minneapolis, Memphis and Little Rock, was today advanced 1-1/4 cents a 100 pounds.

The board of trade of this city has protested against the increase and the matter probably will be taken before the Interstate Commerce Commission.

List of Dead in Sunset Express Numbers 22

Colton, Cal., March 30.—The corrected list of the dead in the Sunset Express is 22.

The search for additional bodies, supposed to be buried under the debris, was abandoned as useless.

American Jockey Won.

London, April 1.—"Danny" Maher, the American jockey, at Kempton Park, won the Queen's prize, one thousand sovereigns, the principal race of the day, on Lord Derby's Bridge of Canny.

Dallas, Texas, April 1.—The Granite cutters in all the larger cities of Texas struck today, demanding an increase of from 33 to 35 per cent a day.

Even those who haven't an eye for beauty appreciate a handsome income.

To All the Women Who Suffer Pe-ru-na Is Earnestly Commended

Mrs. Geo. C. Worstell, 11 River Road, Clarksburg, W. Va., writes: "I trust that no one will think from this that I want my name in public for any cause only to let sufferers know where they may find relief from many ailments."

"I can truly say I have been much benefited by the use of Peruna. I feel better than I have for two years. It is the best medicine that I know for pelvic troubles."

"I have taken medicine from the doctors and found no relief; but when I began taking Peruna I could see that before I had finished taking the first bottle it was doing me good."

Cold Developed into Catarrh.

Mrs. N. P. Lawler, 428 1/2 N. Broadway, Pittsburg, Kas., writes: "Peruna is a sovereign remedy for catarrh. Last spring I caught a severe cold which developed into a serious case of catarrh. I felt weak and sick and could neither eat nor sleep well. A friend who had been cured of catarrh through the use of Peruna advised me to try it and I did so at once. I expected help, but nothing like the wonderful change for the better I observed almost as soon as I started taking it. In three days I felt much better and within a week I was well. I continued taking the entire bottle and within two weeks I was in fine health. Peruna is a wonderful medicine."

Catarrh of the Bowels.

Mrs. Maggie Durbin, 1382 North St., Little Rock, Ark., writes: "I was troubled for five years with a chronic disease. I tried everything I heard of, but nothing did me any good. Some doctors said my trouble was catarrh of the bowels, and some said consumption of the bowels. One doctor said he could cure me; I took his medicine two months, but it did me no good. A friend of mine advised me to try Peruna and I did so. After I had taken two bottles I found it was helping me, so I continued its use, and it has cured me sound and well. If anyone wants to know what Peruna did for me if they will write to me I will answer promptly."

Pains in the Side.

Mrs. Julia Braxton, Apollo, Pa., writes: "Peruna has cured me of heart trouble and pains in the side. A year ago I was expected to die at any time, and the doctor was sometimes called at two o'clock in the morning. But I am thankful to say that I do not now have to send for a doctor now. Since I have used your Peruna as you advised me, I am well and able to do all my household work. I have all the faith in the world in Peruna as it cured me and I know that it will cure others. I cannot praise Peruna enough for what it has done for me."

Stomach Trouble.

Miss Anna Carsten, Clayton, Ill., writes: "Your Peruna did me so much good. I am feeling so well now and have no trouble with my stomach."

Mrs. Nettie E. Bogardus, R. F. D. 21, Westfield, N. Y., writes: "I have been a great sufferer from sick headaches, but am now entirely free from that trouble. I have not felt so well in ten years as I do now. I would recommend Peruna and Manalin to all sufferers. I will say, God bless Dr. Hartman and his wonderful remedies."

Miss Julia Butler, R. R. 4, Appleton, Wis., writes: "For the past six years I suffered with catarrh of the stomach, causing loss of sleep and appetite, with frequent severe pains after eating. My sister advised me to try Peruna. I took your treatment and my appetite returned speedily. I gained strength and flesh and am in perfect health. I am so thankful your medicine has done me so much good."

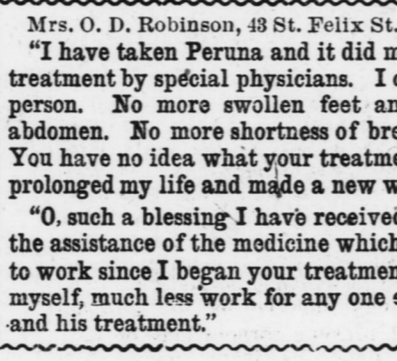

Mrs. O. D. Robinson, 48 St. Felix St., Brooklyn, N. Y., writes: "I have taken Peruna and it did me more good than all my two years' treatment by special physicians. I can really say that I feel like another person. No more swollen feet and limbs. No more bloating of the abdomen. No more shortness of breath. No more stiff and sore joints. You have no idea what your treatment has done for me. It certainly has prolonged my life and made a new woman of me. O, such a blessing I have received through your kindness, doctor, and the assistance of the medicine which you so kindly prescribed. I am able to work since I began your treatment, but before I was not able to help myself, much less work for any one else. All praise is due to Dr. Hartman and his treatment."

MRS. GEO. C. WORSTELL

MISS NETTIE E. BOGARDUS

MRS. O. D. ROBINSON

MONOZITE FIRM CLOSES DOWN

Shelby, March 30.—Cleveland Superior Court convened Monday, Judge Ward presiding and Solicitor Clark prosecuting. Many trivial cases have been tried. The most important case, however, was that against Luther Grant, who has always been half-witted, for the murder of W. C. Cox whom he shot in the back. He was conceded to be easily influenced and incapable of knowing right from wrong and was sentenced to go to the asylum for the criminal insane forever.

Mr. S. A. McMurray has purchased from McMurray & Miller, the electric light plant. Power for this plant is now being furnished by the Lily Mill & Power Co.

Mr. Lon Sloop, who for a long time has been the competent druggist at H. E. Kendall's, has resigned this position to accept a similar one at Thomasville. Mr. Julius A. Suttie, of this place, but for some time past druggist with Mr. Smith at Lincoln, will replace Mr. Sloop.

The British Monozite Co., a branch of a London firm, have closed down their plant, three miles east of Shelby. This property was purchased a little more than three years ago from Mr. L. W. Campbell for \$40,000. An expensive concentrating plant was erected and put into operation. However, Mr. Stewart, the engineer in charge, for reasons of his own decided for the present to close the plant, whereupon he cabled the company, in London, and they sent out Mr. Leech, their consulting engineer, who with Mr. Stewart agreed to close down Mess. Stewart and Mr. Swan, his assistant, will return to their home in England later.

Miss Doggett is one of Shelby's most attractive young ladies. Mr. Lattimore is the son of Mr. and Mrs. T. D. Lattimore. Only a few very intimate friends received cards to the ceremony, which will be at 8 o'clock.

Miss Alberta DeForest while out driving at Fountain Inn, S. C., where she is visiting, was thrown from the buggy and seriously injured.

Mrs. Daniels, of Virginia, will arrive Saturday to visit her daughter, Mrs. James Thomas.

Egg Rolling at White House. Washington, D. C., April 1.—Several thousand children, boys and girls, black and white from the infant in arms to the 10-year-olds, participated in the annual egg rolling festival on the White House grounds today. An equal number of grown-ups looked on and enjoyed the festivities. The green slopes of the south grounds are well adapted to egg rolling and it was a pretty sight to see the sport.

It was President Lincoln who originated the custom of inviting the children of Washington to roll their eggs in the White House grounds on Easter Monday, and the precedent has been followed by all his successors. President Roosevelt has always displayed a lively interest in his Easter Monday guests, and today he stepped to the window many times to watch the children at their frolics. The younger children of the White House, including the convalescent Archibald, viewed the egg rolling from the shelter of the portico.

"Nothing so good as Cascasweet," writes a mother who has used it. "It saved my baby's life," writes another. Cascasweet is a vegetable corrective for the disorders of a child's stomach. Contents on the bottle in plain English. 50 doses for 25 cents. Recommended by C. M. Shuford, W. S. Martin.

Stomach Catarrh.

Miss Julia Butler, R. R. 4, Appleton, Wis., writes: "For the past six years I suffered with catarrh of the stomach, causing loss of sleep and appetite, with frequent severe pains after eating. My sister advised me to try Peruna. I took your treatment and my appetite returned speedily. I gained strength and flesh and am in perfect health. I am so thankful your medicine has done me so much good."

Night Raiders Destroy Big Amounts of Tobacco

Princeton, Ky., March 30.—News is received here of the further outrages of the "night riders," as the result of which tobacco, and other property valued at several thousand dollars was destroyed near Lamasco.

About 30 masked men went to the home of Tom Reddock and forced him to go to his barn and point out the tobacco belonging to Wallace, one of the most prominent independent tobacco men in that district. The raiders then put oil on the tobacco and burned it.

From Reddock's place they went to Wallace's farm where they destroyed his barn filled with tobacco. Wallace had refused to join the tobacco Growers' Association.

The people are greatly wrought up over the news of the latest outrage and a vigilance committee is being talked of.

Every woman appreciates a beautiful complexion, so much desired by men. Such complexion comes to all who use Hollister's Rocky Mountain Tea, 35 cents, Tea or Tablets. E. B. Menzies.

C. B. HASELTINE DEAD.

Was Said to be Richest Man of Belfast, Maine.

Belfast, Me., March 30.—Charles B. Haseltine, aged 79, reputed to be the wealthiest resident of this city, died of paralysis today.

For several years Mr. Haseltine was a member of the firm of Drew and Haseltine, real estate and shipping brokers of Jacksonville, Fla. Later he engaged in steamboat enterprises on the Pacific Coast.

BROWNSVILLE SOME MORE.

Capt. Macklin Says Troops Might Have Fired a Few Shots.

Washington, April 1.—Capt. Edgar A. Macklin, of Co. "C", 25th Infantry, when asked before the Senate Committee on Military Affairs in the Brownsville investigation, as to who did the shooting, said: "Well, I don't think the men did it." Afterward he said that in their excitement and confusion the men might have fired a few shots from the barracks, but he had seen nothing to indicate they had done so and he could not believe it possible.

HOW'S THIS?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. CHENEY & CO., Toledo, O. We, the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions, and financially able to carry out any obligations made by him. Walding, Kinnan & Marvin, Wholesale Druggists, Toledo, O. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75c per bottle. Sold by all druggists. Take Hall's Family Pills for constipation.

Trial Set for May 9.

Boise, Idaho, April 1.—The trial of Hayward, one of the officers of the Western Federation of Miners for connection with the assassination of former Governor Steunenburg, is set for May 9.

Six Killed in Train Wreck

As Result of Head-On Collision Six Trainmen Were Killed. Several Hundred Head of Cattle Burned.

Fort Worth, Texas, April 1.—Six trainmen were killed in a head-on collision between two freight trains on the Missouri, Kansas and Texas Railroad, six miles south of here today. Fire broke out immediately and two brakemen were cremated before assistance could reach them. More than 300 head of cattle were burned and eight cars of merchandise were destroyed. The failure of the north-bound train to receive an order is said to be responsible for the wreck.

Durham Girl Shot by Her Young Brother

Durham, April 1.—Miss Mary Bowen, a young lady that lives in West Durham, was shot this morning by her nine-year-old brother. The shooting was accidental and will not prove fatal. The boy was playing with a rifle and after his mother said that it was not loaded he pointed it at his sister and fired. The bullet took effect in her left shoulder and she also received one shot in the breast. After the shot was fired the young lady walked into the next room and fell across the bed. Medical aid was immediately summoned and she was taken to the Watts Hospital. The charge was taken from her shoulder and the physicians are positive that no serious complications will result.

Dr. Tyree Sustained A Serious Injury

Raleigh, N. C., April 1.—Dr. W. C. Tyree, pastor of the First Baptist Church and one of the most distinguished Baptist divines in this State, sustained a compound fracture of the left leg, just below the knee, and so close to that joint that the physicians fear he may be crippled permanently. Dr. Tyree was directing the workmen remodeling the church when he fell through a basement window about three feet from the floor. The work on the church is to cost about \$20,000 and will make it one of the handsomest and most commodious in the State when completed.

SKIN DISEASES HUMORS IN THE BLOOD

When the blood is pure, fresh and healthy, the skin will be soft, smooth and free from blemishes, but when some acid humor takes root in the circulation its presence is manifested by a skin eruption or disease. These humors get into the blood, generally because of an inactive or sluggish condition of the members of the body whose duty it is to collect and carry off the waste and refuse matter of the system. This unhealthy matter is left to sour and ferment and soon the circulation becomes charged with the acid poison. The blood begins to throw off the humors and acids through the pores and glands of the skin, producing Eczema, Acne, Tetter, Psoriasis, Salt Rheum and skin eruptions of various kinds. Eczema appears, usually with a slight redness that dries and forms a crust, and the itching is intense. It is generally on the back, breast, face, arms and legs, though other parts of the body may be affected. In Tetter the skin dries, cracks and bleeds, the acid in the blood criss up the natural oils of the skin, which are intended to keep it soft and pliant, causing a dry, feverish condition and giving it a hard, leathery appearance. Acne makes its appearance on the face in the form of pimples and black heads, while Psoriasis comes in scaly patches on different parts of the body. One of the worst forms of skin trouble is Salt Rheum, its favorite point of attack is the scalp, sometimes causing baldness. Poison Oak and Ivy are also disagreeable types of skin disease. The humor producing the trouble lies dormant in the blood through the Winter to break out and torment the sufferer with the return of Spring. The best treatment for all skin diseases is S. S. S. It neutralizes the acids and removes the humors so that the skin instead of being irritated and diseased, is nourished by a supply of fresh, healthy blood. External applications of salves, washes, lotions, etc., while they soothe the itching caused by skin affections, can never cure the trouble because they do not reach the blood. S. S. S. goes down into the circulation and forces out every particle of foreign matter and restores the blood to its normal, pure condition, thereby permanently curing every form of skin affection. Book on Skin Diseases and any medical advice desired sent free to all who write. S. S. S. is for sale at all first class drug stores.

THE SWIFT SPECIFIC CO., ATLANTA, GA.

TWO BOYS DIE IN EXPLOSION.

Played With Powder Kegs Near a Stove in Their Home.

Cumberland, Md., March 30.—Two children were burned to death while at play at Barton, this county at the residence of James Dye. They were Harry Dye, aged two years, a son, and Leroy Dye, aged three years, a grandson of Mrs. Dye. Mrs. Dye was severely burned.

The children were playing with powder kegs, three of which exploded. It had been the habit of the children to roll empty powder kegs about in their play, and this morning they were playing with two kegs nearly full in a summer kitchen. A stove in which there was a fire, stood at one end of the room. The mother was busy with her household duties. Just how the powder ignited is not known. When the explosion occurred, Mrs. Dye ran to the rescue of the little ones, and was seriously burned herself.

The children died in a few hours. The house was badly damaged and set on fire, but neighbors extinguished the flames. Mrs. Dye and her sons are missing.

Bonilla Will Surrender.

Washington, April 1.—President Bonilla of Honduras is still surrounded at Amapala, according to dispatches received by the State Department and his surrender is expected at any time.

Some men go broke and some others haven't enough to go broke on.

There is more than one way to get your crops to market. There is only one way to be sure of a full crop of smooth, good-sized, mealy potatoes.

Nine per cent. of

Potash

in the fertilizer is necessary.

Stable manure alone makes scaly, coarse and irregular shaped potatoes—mix it with Potash, a larger yield of a better quality is a sure result.

How to apply Potash, the reasons for applying it, and other vital points of successful potato growing, all are discussed in our booklet. Why not have it? It costs you nothing but the asking.

The Better Way

The tissues of the throat are inflamed and irritated; you cough, and there is more irritation—more coughing. You take a cough mixture and it eases the irritation—for a while. You take

SCOTT'S EMULSION

and it cures the cold. That's what is necessary. It soothes the throat because it reduces the irritation; cures the cold because it drives out the inflammation; builds up the weakened tissues because it nourishes them back to their natural strength. That's how Scott's Emulsion deals with a sore throat, a cough, a cold, or bronchitis.

WE'LL SEND YOU A SAMPLE FREE.
