of your income some one else puts the money in the bank. Why not do your own banking?

We make no charge for check or pass books and will give your account, no matter how small or how large, our most careful conservative attention.

The Performances of the Lyceum Comedy Co., Has Been Well Received

The three performances of the Lyceum Comedy Co., in the Academy of Music for the past three nights has been well received by the large crowd that has greeted them at each performance. The company is a good one, and the plays well executed. The specialties are of a higher and more expensive class than are generally seen with stock companies.

The company will not play here to-night. They play at Newton on account of the engagement of Hawthorne Musical Company.

The Comedy Company will give three more performances in the Academy of Music this week. Friday night they will present, "The Girl with the Auburn Hair." Saturday a matinee will be given at 3 o'clock p. m. Saturday night the play to be presented is "Jesse James," a strong sensational comedy.

FINE MILLINERY

Our recent opening of smart Spring Millinery created a sensation by reason of its superb superiority. The unexampled beauty of the exquisite Hats for Spring has been proclaimed from the housetops in Stentorian tones. It has been freely acknowledged that the models displayed were the most exquisite exhibited in former seasons. This week we shall place on display some of the new creations that will even surpass our early opening.

As many new things continue to come out, and we get all the new styles as they come out.

If you are looking for something stylish, "chic," nobby in millinery, favor us with a call.
