

Senator Cullom announces that he intends to spend the summer in Chicago. If Mr. Harriman should be passing through there this summer, he might drop in and ask the Senator whether he was quoted correctly, a short time ago

A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broadcast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merit, and made them Remedies of Known Composition. By this bold step Dr. Pierce has shown that he is not afraid to subject them to the mildest scrutiny. Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomachs, liver or biliousness and all catarrhal diseases wherever located, have printed upon it in plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the foremost schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card or by letter, to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents and that they are made from native medicinal roots of great value; also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak, nervous, over-worked, "run-down," nervous and debilitated women, were employed long years ago, by the Indians for similar ailments affecting their squaws. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription was known to the Indians as "Squaw-Weed." Our knowledge of the uses of not a few of our most valuable native medicinal plants was gained from the Indians. As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, at Pains, antispasmodic, retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. Sold by all dealers in medicines.

SHORT TALKS BY
L. T. COOPER.

CONSTIPATION.

I can tell a person who is constipated at sight. Their complexion is pasty or yellow. Their eyes are dull, and they look and feel sleepy. No wonder they do. The bowels are a sewer. They carry away the poisonous refuse. If they don't act the poisonous matter is absorbed by the body, and headaches, dull-headedness, and eventually serious troubles result.

There is no better rule for good health than that the bowels should move every day at the same hour if possible. Regularity can be acquired by making a habit of this. Food and frequent neglect this and when chronic constipation effects them they take pills every few days to force the bowels to perform their natural function. As years go on they require more and more pills. This should be stopped. Cooper's New Discovery will build up the stomach and cause the bowels to act naturally. While taking the medicine get the habit of regularity, then gradually stop taking the medicine.

Here is a sample of letters from those who have tried it:
"For sixteen years I have suffered from stomach and liver trouble, and chronic constipation. I was tired and worn out. I heard of Cooper's New Discovery and began its use. After I had finished one bottle I was wonderfully improved. Constipation gave way to pleasing regularity of the bowels and I ate better, slept better and felt better than I had for months. It is the greatest medicine I have ever known." Samuel Booren, 1742 Mussey Ave., Soranton Pa.

Our customers who have used them say the Cooper medicines do the work. We sell them.

C. M. McCorkle,
Clerk Superior Court.

Den Richardson Trio at the Academy of Music Friday night was a rare treat to lovers of good music. A large and appreciative audience greeted them.

Did you ever stop to reflect that it was one thing to talk about people and another thing to have people talk about you? If those of us who use our tongues a little too freely, about our neighbor, would stop and reflect about this matter and know the great evil that comes from too much gossip and tattling, we are sure we would call a halt and gossip no more forever.

The advertising merchant is the one who does the business in these days of push and enterprise.

There are more newspaper readers today than ever before in the history of the world. The newspaper places your business under the eyes of the buyer.

He sees what he wants, and knowing where to find it, looks up the wideawake merchant who asked him to come and see him. Success in these days of sharp competition calls for eternal vigilance. You can't keep a hustler down.

SOCIETY

The last meeting of the Round Dozen Book Club for this season was held on Wednesday 17th with Mrs. J. W. Elliott. Two of the members were absent. After the usual discussion on the books read, a very informal vote was taken as to which one was most enjoyed. Consistently received a majority. The Garden of Allah and A Fighting Chance were next in popularity. The officers elected for the ensuing year are: Pres. Mrs. J. L. Murphy; Vice Pres. Mrs. T. M. Hufnam; Sec. and Treas. Mrs. L. R. Whitener. After discussion of current news the hostess served dainty refreshments.

Tues. April 16. Misses Essie and Rosa Shuford entertained four tables of Bridge. Mrs. Neil Clark won the prize and a delightful evening was spent.

The Hickory Book Club met Wed. April 17th with the Pres. Miss Ada Schenk instead with Mrs. Philo Hall whose regular time it was. The change was excused by Mrs. Hall's little daughter being sick with the measles. No special book was discussed but the evening was enjoyed in interchange of opinions on books read and in chat upon current events with the aid of the noncontributing cup. So in copy intercourse, the hour had a charm all its own.

The Taavellers' Club held its last meeting of the year Thurs. the 18th with Mrs. G. N. Hutton. There was a large attendance with a few visitors present.

Mrs. H. Bonninghausen of Detroit, Mrs. Bert Hutton and Mrs. Winters of Denver and Marchbanks of Texas. The meeting opened with quotations on "Success" on of which given by Miss Geitner was peculiarly applicable to Dickens. Mrs. K. C. Menzies' paper: General Estimate of Dickens. The man was remarkably good. Mrs. Chadrick gave salient points of Dickens, the writer in her article "His subjects, methods, style and purpose in writing renewed. Mrs. J. H. Shuford read the poem "The Ivy Green". While dainty refreshments were being served. Mrs. Hutton and Mrs. Winters played a duet Selections from Trovatore and Mrs. Bert Hutton a beautiful piano solo. A tingle of regret that this must be the last meeting of the year pervaded the sense of social enjoyment. But the studies of the year has made Dickens more alive and real to all.

The Death of Mrs. C. H. Cline.

Our town deplores an event of unusual sadness in the death of Mrs. C. H. Cline which occurred on the 19th. Only a few months ago a happy bride, just beginning a home life of her own with her devoted husband, she was summoned to lay down life's burdens and cares, to turn away from all its joys and bright prospects, and cross over the dark river and enter into the rest that remaineth for the people of God. Without a murmur she obeyed the summons for she was ready.

A beautiful and aimable christian life has gone out from among us, and we are deeply pained. We express profound and heartfelt sympathy for the sorrowing husband and kindred, and earnestly pray that God may be their refuge in this hour of trial, and that his grace may sustain them.

A brief funeral service was conducted at the home by her, pastor Rev. J. C. Moser and then the body was laid to rest in Oakwood Cemetery to await the resurrection of the just.

Asleep in Jesus, blessed sleep; From which none ever wakes to weep.

A Free Trip to Charlotte.

Your railroad fare paid to Charlotte and return if you buy goods from Efrid's Department Store. If you have a desire to be posted on bargains, read their display ad in this issue. It will astonish you the amount you can get for little money. You can order by mail and be suited. This is a responsible firm.

The Fruit Crop.

While it is frequently the tendency to overestimate the damage sustained by crops on account of unfavorable weather condition the reports from growers received the past few days indicate that the crops were martially curtailed. Possibly after a couple of weeks of warm weather, should this condition develop, it may turn out that there is more fruit left than present condition indicate. At least it is to be hoped that the disaster is not as complete as it appears just now.

How to open a can of Salmon.

To open a can of Argo Red Salmon properly, lay the can on its side, insert the can opener at the seam, then stand the can on end, and pressing the top firmly down, work the can opener around the top, removing the entire top. The Argo will then come out in one solid piece.

Every can of Argo Red Salmon contains one pound net. It is always guaranteed to be full weight.

A large crowd of people were on the streets Saturday from everywhere.

The farmers tell us the wheat crop needs lot of rain to make it over come the hard freezes that has been very injurious to early wheat.

J. H. Aiken Livery man is putting in some handsome rig for the summer trade.

Argo Red Salmon can be served on any table. It can be served as it comes from the can or prepared in many palatable dishes.

The Jamestown Exposition opens tomorrow Friday. Any persons wishing rooms at good private houses can get information by calling at this office.

Why Not Make a Change?

If You are Run Down in Health.

No doubt you are worn out taking patent medicines, which give you only temporary relief, and have nearly come to the conclusion that you cannot be cured. We have no nostrum to offer you, and if you are really concerned about your condition, you should be interested in Nature's Way of curing the ills of mankind. That is by the use of

PIEDMONT-BEDFORD CONCENTRATED IRON & ALUM WATER.

Which contains 20 different life giving minerals. It can be absolutely depended upon to restore your health if you suffer with Indigestion, Rheumatism, Catarrh, Kidney & Bladder Troubles, Female Complaints, Malaria, Nervousness, Stomach & Bowel Disorders, Piles, Inactive Liver, Scrofula and other Blood and Skin Diseases.

No need to go to the Springs at big expense. One 18 oz. bottle of the Concentrated Water is equal to 25 gallons of the Natural water. It is the Minerals in the Water, and not the water which makes the cure.

Thousands have taken our word for it, and were cured. Read what a few of them have to say.

TESTIMONIALS

I have used your Concentrated Iron and Alum Water, and find it one of the best tonics on the market, and can highly recommend it to any one who wants a good appetite, good health and good feeling.

J. P. LEWIS,
Photographer,
Pilot Mountain N. C.

Your Concentrated Water is all you claim for it. I have used it for a case of Chronic Constipation with fine results.

E. P. HAYES, Mayor,
Randleman, N. C.

I cannot speak too high of your Concentrated Water as a tonic, as I have used it with great benefits, and especially did I find it helpful to me as an appetizer. You are welcome to use this expression if it will be of any service to you.

Wm. J. Fulford,
Rockingham, N. C.

I have used and prescribed waters from several iron and Alum, but none of them begins to come up to your Concentrated Water in all that goes to make the ideal alternative, strength

This is worth saving.

The following simple home-made mixture is said to relieve any form of Rheumatism or backache, also cleanse and strengthen the Kidney and Bladder, overcomes all urinary disorder, if taken the stage of Bright's disease: Fluid Extrect Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle and tnel in teaspoonful doses after meals and at bedtime.

A well-known authority states that these ingredients are mainly of vegetable extracts and harmless to use, and can be obtained at small cost from any good prescription pharmacy. Those who think they have Kidney trouble or suffer with lame back or weak bladder or Rheumatism should give this prescription a trial, as no harm can possibly follow its use, and it is said to de wonders for some people.

The Dietz Barber Shop

PREPARE THIS YOURSELF.

For those who have and form of blood disorders; who want new, rich blood and plenty of it, try this:

Fluid Extract Dandelion, one-half ounce; Compound Largon, one ounce, Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take in teaspoonful doses after each meal and at bedtime. Any good pharmacy can supply the ingredients at small cost.

This is the prescription which, when made up, is called "The Vegetable Treatment;" by others, the "Cyclone Blood Purifier." It acts gently, and certainly does wonders for some people who are sickly, weak and out of sorts, and is known to relieve serious longstanding cases of rheumatism and chronic backache quickly.

Mrs. Foraker denies that she aspires to the presidency of the D. A. R. She probably thinks one presidential boom in the family at a time, is enough.

Home-made Catarrh Cure.

Any one can mix right at home the best remedy of its kind known. The name "Cyclone" is given to the following prescription, it is supposed, because of its promptness in driving from the blood and system every vestige of catarrhal poison, relieving this foul and dread disease, no matter where located. To prepare the mixture: Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon and three ounces Compound Syrup Sarsaparilla. Shake well and use in teaspoonful doses after each meal and at bedtime.

This is a harmless, inexpensive mixture, which has a peculiar action upon the eliminative tissues of the Kidneys, assisting them to filter and strain from the blood and system all catarrhal poisons, which, if not eradicated, are absorbed by the mucous membrane, and an open sore of catarrh is the result.

Prepare some and try it, as it is the prescription of an eminent catarrh specialist of national reputation.

The spring plowing goes on as steadily as though Wall street did not exist.

A Kansas man asserts that he recently saw a rat with horns. As the authorities insist that the prohibition law is being enforced in Kansas, there must be something radically wrong with the soda water in that State.
