

MISS ADELAIDE NICHOLS

PERIODS OF PAIN

While no woman is entirely free from periodic suffering, it does not seem to be the plan of nature that women should suffer so severely. Irregularities and pain are positive evidence that something is wrong which should be set right or it will lead to serious derangement of the feminine organism. Thousands of women have found relief from all periodic suffering by taking Lydia E. Pinkham's Vegetable Compound, which is made from native roots and herbs, as it is the most thorough female regulator known to medical science. It cures the condition which causes so much discomfort and robs that period of its terrors. Women who are troubled with painful or irregular functions should take immediate action to ward off the serious consequences and be restored to health and strength by taking Lydia E. Pinkham's Vegetable Compound.

Miss Adelaide Nichols of 324 West 22nd Street, New York City, writes:—"Dear Mrs. Pinkham:—If women who suffer would only rely upon Lydia E. Pinkham's Vegetable Compound their troubles would be quickly alleviated. I feel greatly indebted for the relief and health which has been brought to me by your inestimable remedy."

Lydia E. Pinkham's Vegetable Compound cures Female Complaints such as Falling and Displacements, and Organic Diseases, Headache, General Debility, Indigestion, and invigorates the whole feminine system. For the derangements of the Kidneys of either sex Lydia E. Pinkham's Vegetable Compound is excellent.

Mrs. Pinkham's Standing Invitation to Women

Women suffering from any form of female weakness are invited to write Mrs. Pinkham, at Lynn, Mass. From the symptoms given, the trouble may be located and the quickest and surest way of recovery advised.

Hustler.

Do You Think For Yourself?

Or, do you open your mouth like a young bird and flap down whatever food or medicine may be offered you?

When an intelligent thinking woman, in need of relief from weakness, nervousness, pain and suffering, then it means much to her that there is one tried and true home medicine which has cured thousands of women. This is Dr. Pierce's Favorite Prescription, sold by druggists for the cure of woman's ills.

The makers of Dr. Pierce's Favorite Prescription, for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible indorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, of which it is composed, in plain English, on every bottle-wrapper.

The formula of Dr. Pierce's Favorite Prescription will bear the most critical examination of medical experts, for it contains no alcohol, narcotics, harmful, or habit-forming drugs, and no agent enters into it that is not highly recommended by the most advanced and leading medical teachers and authorities of their several schools of practice. These authorities recommend the ingredients of Dr. Pierce's Favorite Prescription for the cure of exactly the same ailments for which this world-famed medicine is advised.

No other medicine for woman's ills has any such professional endorsement as Dr. Pierce's Favorite Prescription has received, in the unqualified recommendation of each of the several ingredients by scores of leading medical men of all the schools of practice. Is such an endorsement not worthy of your consideration?

A booklet of ingredients, with numerous authoritative professional endorsements by the leading medical authorities of this country, will be mailed free to any one sending name and address with request for same. Address Dr. R. V. Pierce, Buffalo, N. Y.

Explaining the Value of an FIRE INSURANCE POLICY.

Why, explanation on a point like this seems almost superfluous.

What you want is **THE POLICY.**

Be sure of your insurance. Don't trust to luck. No prudent business man does in insurance matters.

"Riding on the cowcatcher of a locomotive will cure consumption says a Russian doctor. Rest and quiet is secured if the patient falls off while the train is running at full speed.

Another objection to those rapid airship trips, to Europe will spring from the fact that passengers will not be able to boast of having seen a sea serpent on the way over.

DEBILITY.

Many people who talk to me say: "I feel half sick all the time. I don't just know what's the matter with me." This is general debility. It's very common. People who get in this shape have my sympathy. They aren't sick enough for bed so they drag around and their families get exasperated with them.

There are two causes for this condition: bad habits and a weak stomach. By bad habits I mean eating irregularly and too fast and not chewing the food thoroughly. The stomach gives out and loss of appetite, biliousness, constipation, and general debility result. First get the stomach in shape and then be more careful in the future, and the worn out, despondent, half sick feeling will be a thing of the past.

Two bottles of Cooper's New Discovery will put the stomach in shape. Common sense will do the rest. There are fifty thousand people in this country who know this to be true because they've tried it.

Here's a letter from one of them: "I was all run down from overwork, lost ambition and energy and could not sleep. It was difficult for me to attend to my work owing to that tired-out feeling. I secured two bottles of the New Discovery medicine and determined to try it. The result delighted me for renewed strength and vigor and energy came with the first few doses. It's effect was different from anything I had ever taken. I finished the two bottles now and feel well and strong again." E. McDade, 839 Dix Ave., Detroit, Mich.

We hear favorable reports of these famous medicines every day. Ask us about them.

Once more Mr. Bryan has been hurled out of a vehicle only to land unhurt on his feet. It doesn't seem to make any difference to him whether it is a carriage or band wagon, he always lands right side up.
