WORKING WOMEN, WHAT THEY SHOULD KNOW

MRS. SADIE ABBOTT

Women for the most part spend their lives at home, and it is these women who are willing and ambitious

that their homes shall be kept neat

and pretty, their children well dressed and tidy, who do their own cooking,

that she breaks down at the end of a few years, the back begins to ache, there is a displacement, inflammation or ulceration of the abdominal organs.

a female weakness is brought on, and

the struggle of that wife and mother

to continue her duties is pitiful.

Lydia E. Pinkham's Vegetable

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, is the exact medicine a woman needs whose strength is overtaxed. It keeps the feminine organs in a strong and healthy condition. In preparing for childbirth and resuperating therefrom it is most efficient. It carries a woman safely through the change of life and in making her strong and well assists

making her strong and well assists her to be a good wife and mother. Mrs. Sadie Abbott, of Jeannette,

Mrs. Sadie Abbott, of Jeannette,
Pa., writes:
Dear Mrs. Pinkham—
"I suffered severely with pain every
month and also a pain, in my left side. My
doctor prescribed for me but did me no
good; a friend advised Lydia E. Pinkham's
Vegetable Compound and I wrote you in
regard to my condition. I followed your
advice and am a perfectly well woman. The
pains have all disappeared and I cannot
recommend your medicine too highly."

Mrs. Pree McKitrick, of La Farge, Wis., writes:

"For six years I suffered from female weakness. I was so irregular that I would go from three weeks to six months, so I thought I would give Lydia E. Pinkham's Vegetable Compound a trial.
"Now I am once more well and can do my work without a pain. Any one who wishes, can write to me and I will answer all letters gladly." Dear Mrs. Pinkham and tidy, who do their own cooking, sweeping, dusting and often washing, ironing and sewing for the entire family, who call for our sympathy.

Truly the work of such a woman is "never done" and is it any wonder that she breaks down at the end of a

Women should remember that Lydis E. Pinkham's Vegetable Compound holds the record for the greatest number of actual cures of female ills. Every suffering woman in the United States is asked to accept the following invitation. It is free, will bring you health and may save your life.

Mrs. Pinkham's Invitation to Women.

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. From the symptoms given, the trouble may be located and the quickest and surest way of recovery advised. Out of her vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Her advice is free and always helpful. Lydia E. Pinkham's Yegetable Compound Succeeds Where Others Fail

A Mineral Water that Defies Drugs NATURE'S GREAT BLOOD TONIC

The recent drug exposures in this Country have proven to all that deadly poisons and stimulants lurk in many Patent Medicines. You never know when you might be tak-

Nature has made ample provision for restoring vigor and vitality to humanity, and the public, as well as doctors, resort to Natural Remedies, when all others have failed.

Are you troubled with Dyspepsia, Nervousness, Malaria, Kidney or Bladder Trouble, Chronic Diarrhoea or Dysentery, and above all, that dreadful disease Scrofula, which has almost baffled human skill, or Diseases pecu-

Piedmont-Bedford Concentrated Iron & Alum Water

Is Nature's Remedy for Nature's Ills. Yes, when you consider that disease comes from impoverished or run down conditions of the system, this Natural Mineral Water furnishes the system what it needs.

The analysis of this Water, shown on the bottle, tells you what Nature thinks you should take when sick, and the doctor who reads it will agree. Do you think the grouping together in this Water of 17 different minerals, which are recognized by medical writers as most powerful blood tonics, could have been

accidental? Reason answers, NO! An 18-oz bottle of Piedmont-Bedford Concentrated Iron and Alum water contains all the minerals of 25 gallons of the average natural water—Then why buy a barrel of water when you can get a bottle of minerals at the trivial cost of

ene dollar. The dose is a teaspoonful in a glass of your own spring water.

How this Water acts upon the system is not clearly known. It is judged mainly by its works. It has cured all the diseases numerated above, and many more, evidently through its action as a powerful **BLOOD TONIC**.

We have many valuable certificates, which we will be glad to mail, if you are
