MONTHLY MISERY

is one of woman's worst afflictions. It always leaves you weaker, and is sure to shorten your life and make your beauty fade. To stop pain take Wine of Cardui and it will help to relieve your misery, regulate your functions, make you well, beautiful and strong. It is a reliable remedy for dragging down pains, backache, headache, nervousness, irritability, sleeplessness, dizziness, fainting spells, and similar troubles. A safe and efficient medicine for all women's pains and sickness.

Mrs. J. L. Broadhead of Clanton, Ala. writes; "I have: used Cardui for my disease, which was one peculiar to women, and it has completely cured me."

Second of R. R. STANDARD OIL CO.

Case of Stockholders of A. C. L. vs. Directors of, Chicago, Ill., June 27.—Detailed inthe Company and Cor-dition of the Standard Oil Company poration Commission is to be given in the United States dis-

ard in the United States circuit court, Sims to issue subpoenas, returnable on was begun this morning, that of the stockholders of the Atlantic Coast Line company against the directors of that company and the North Carolina Corattorney what men are to be summonnoration Commission.

Mr. A vander Hamilton, general counsel of the Atlantic Coast Line, made the opening argument for that

Mr. Hamilton declared that the attitude of the company was that while believing the rates unjust it was unmous penalties imposed and therefore nish him with information regarding wood.

ment unless there were unexpected

Mr. Bryant's Speech.

Victor E. Bryant, o the commission's

He discussed the questions involved at some length and insisted that the railroad had failed to prove by argu- would have limited the fine to 20,000, tained.

Mr. Bryant made the sensational statement that if as claimed by the railroads the cost of doing interstate business was so much lower than the cost of doing state business the Atlantic Coast Line would have a day of reckoning when called before the interstate commerce commission to show cause why the rates were so high on

interstate traffic. He analyzed the reports of the railroad company and showed that in North Carolina the earnings were more than the average for the entire 4,000 miles of that system.

W. A. Glasgow, Jr., of Philadelphia, for the complainants, was the next

He laid special stress, on the point that the only difference between the contestants was on the cost of operation of the road and as to that different figures were deducted from the same results and that a trial of the new rates would be useless as the two sides could not agree as to what the results

Boy's Skull Was Crushed

Union, S. C., June 29.—A sad accident occurred Thursday just after noon at the Union coton mill No. 2 as a result of which litle Horace Mise came to his death through boyish thought-

The little lad was only five years old and had gone to the mill to take dinher to his father, Mr. Fred Mize. In going down the stairs he passed one of the windows besides the stairway and it is supposed that on account of ship, of Beck, Tenn. "I have proved boyish thoughtuersness he tried to leeked out of the apperture too far, as a result of which he fell between the tressing condition. The first bottle Wall and stairs a distance of about 15 or 20 feet and landed on his head, crushing his skull.

Toy Balloons Bore Child Off

By Associated Press. Rochport, Tex., June 28 .- The 2-Year-old child of J. H. Moody, of hands of Charles Morris Howard, as Waco, was carried into the air and receiver. Wafted seaward yesterday by a bundle of toy balloons.

George Manafee punctured some of landed safely near the water's edge.

BIG SENSATIONS

Boise, Idaho. July 1.—The defense in the trial of William D. Haywood egan the second week of the direct examination of its witnesses today, hen Morris Friedman, at one time tenographer in the Denver office of the Pinkerton detective agency, was ecalled to the stand.

The court first decided whether copies of the reports of the Pinkerfon "operatives" might be admitted in evidence.

These reports do not, it is stated, injunction brought by the Southern ceptain anything of particular mo- railway against the North Carolina ment, as showing anything more corporation commission, restraining union meetings into which the de- new 2 1-4 cent rate law. tectives had secured admission by representing themselves as union miners and by joining the Western

The Pinkerton reports are not inoduced, the counsel for the defense tates, to show that there did exist a poration and the North Carolina corgeneral conspiracy among the mine owners and Citizen's Alliance to secure the secrets of the union and frustrate their plans for continuing the work of the Western Federation. The defense expects to conclude the direct testimony this week.

The closing of the case, which will probably be within the next two cent rate law enacted by the legislaweeks, will be filled with sensational developments, if the promise of both sides is made good.

There is an increase of activity formation regarding the financial conand many sensational reports are being circulated, but on investigation they prove to be without good foundatriet court pefore Judge Lalas, even
