

TIRED AND SICK YET MUST WORK

"Man may work from sun to sun but woman's work is never done." In order to keep the home neat and pretty, the children well dressed and tidy, women overdo and often suffer in silence, drifting along from bed to worse, knowing well that they ought to have help to overcome the pains and aches which daily make life a burden.

It is to these women that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, comes as a blessing. When the spirits are depressed, the head and back aches, there are dragging-down pains, nervousness, sleeplessness, and reluctance to go anywhere, these are only symptoms which unless heeded, are soon followed by the worst forms of Female Complaints.

Lydia E. Pinkham's Vegetable Compound

Keeps the feminine organism in a strong and healthy condition. It cures inflammation, Ulceration, displacements, and organic troubles. In preparing for child-birth and to carry women safely through the Change of Life it is most efficient.

Mrs. Augustus Lyon, of East Earl, Pa., writes:—Dear Mrs. Pinkham:—"For a long time I suffered from female troubles and had all kinds of aches and pains in the lower part of back and sides. I could not sleep and had no appetite. Since taking Lydia E. Pinkham's Vegetable Compound and following the advice which you gave me I feel like a new woman and I cannot praise your medicine too highly."

Mrs. Pinkham's Invitation to Women
Women suffering from any form of female weakness are invited to write Mrs. Pinkham, at Lynn, Mass. Out of her vast volume of experience she probably has the very knowledge that will help your case. Her advice is free and always helpful.

MRS. AUG. LYON

FIRE HORSES RUN

The City Horses Run With Sprinkler. Ned Hayes' Leg Broken.

On Tuesday morning Ned Hayes, the keeper of the fire department, was thrown from the seat of street sprinkler and his leg broken. Ned was just mounting to his seat on the wagon as the horses made a sudden dash running up Trade St., when he was thrown from the top of sprinkler to the ground. The horses continued to run, and when turning the corner at Stevenson's store the wagon and sprinkler was turned over when it came uncoupled leaving the horse with the front wheel of the wagon which remained with them till they were caught. Very little damage was done to the wagon or horses.

Ned is getting on as well as could be expected. Although he has suffered greatly since the accident occurred.

Hickory 4; Lenoir 3.

In an interesting and exciting game of ball played on the Lenoir College diamond yesterday Hickory defeated Lenoir by the score 4 to 3. This was the first game the "Hickory Bantams" have played of the series of games to be played with the surrounding towns.

Colee, the star twirler for the locals, did some good pitching, striking out 11 men and allowing only 6 hits, while Mayberry, the steamy pitcher for Lenoir, struck out 8 men and allowed 10 hits.

Special mention should be made of Bost, the Bantam short-stop, who made 3 hits out of 4 times up and crossed the home plate twice.

The features of the game were the pitching of Colee and Mayberry, the hitting of Bost, and the long throw of Lyerly from right field home, cutting off a man and the throw to third shutting off a man.

These two teams will play at Lenoir two games this week—this afternoon and Friday. The teams are well matched and some good games are expected.

Do not fail to see Jolly Joe, the fat boy at the Carnival next week. He only weighs 702 pounds.
