heavily finarced efforts to bring into a semi-blance of lifea nance such a war? Aside from nsanity, only the mind of des
erate politics or of cold-blooded emate politics or ot blinking at urder under the guise of war urder under the yuise of war are in furtherance of its end orror the possibility of hostili ties between the two countries whose natural instincts and cir cumstances should be effective for lasting peace. Yet no care-
student of the hypocritical pre liminaries, the sanētimonious
conduct and the disgraceful onduct and the disgraceful the latest war of the United States a weaker people-that gainst Spain-can fail to recog nize in the flimsy pretense of bellicose stuff dished up as news press the unmistakable intent to use the American people agai as innoeent agents in the com manity, to the profit of ong-h eaded, conscienceless lique of conspirators well con cealed even from the politics,
journalism, finanee or industry journalism, finanee or industry
that would willingly take its lit the toll of blood-gold from the broiled in a war unsought by either.
Who are the criminal conspira ors? The search for them might lork in London, Berlin, New York or Washington, and yet b
unsuccessful. Infuential news nsupers might seek in vain for ac tual plage of arigin and the real inspiration of the war-promotive matter supplied them under vaure need not make it impossibl fur the American people to block the game effectually. They can
let it be known that the tools o the conspirators, the men who pan, the papers that publish in lammatory appeais under th hin guise of news, the indivi aubs who may becure temporary he result of the war, will be rime of the responsible for th crime of the war, and tha
war will be plain murder. I hould be made known that no refuge in brainstorms psychic epitepsy or sanctimoni no cant, This should be mad nstiflable war has once begun it will be too late. The criminal hat in the midst of war their ac users can be easily discounte nanaged
treasok.
