

WOMEN SUFFER

Many women suffer in silence and drift along from bad to worse, knowing well that they ought to have immediate assistance.

How many women do you know who are perfectly well and strong? The cause may be easily traced to some feminine derangement which manifests itself in depression of spirits, reluctance to go anywhere or do anything, backache, dragging sensations, flatulency, nervousness, and sleeplessness.

These symptoms are but warnings that there is danger ahead, and unless heeded, a life of suffering or a serious operation is the inevitable result. The best remedy for all these symptoms is

Lydia E. Pinkham's Vegetable Compound

Made from native roots and herbs. No other medicine in the country has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female ills.

Miss J. F. Walsh, of 328 W. 36th St., New York City, writes:—"Lydia E. Pinkham's Vegetable Compound has been of inestimable value in restoring my health. I suffered from female illness which caused dreadful headaches, dizziness, and dull pains in my back, but your medicine soon brought about a change in my general condition. Built me up and made me perfectly well."

Lydia E. Pinkham's Vegetable Compound cures Female Complaints, such as Backache, Falling and Displacements, Inflammation and Ulceration, and organic diseases. It is invaluable in preparing for child-birth and during the Change of Life. It cures Nervous Prostration, Headache, General Debility, and invigorates the whole system.

Mrs. Pinkham's Standing Invitation to Women

Women suffering from any form of female weakness are invited to write Mrs. Pinkham, at Lynn, Mass. Her advice is free.

STATE OF NORTH CAROLINA County of Catawba

The present County Board of Education, after taking charge of the school affairs on July 1, 1907, found it necessary to inquire into the financial condition of the school funds, and after having the books of the Treasurer of the County School fund carefully audited, have found school's finances to be as follows, viz:

On June 30th cash on hand, \$417.84; of this amount the retiring Board ordered \$308.97 paid out on July 1st, leaving a balance of \$108.87 cash. We furthermore find a deficit of \$2093.56, less above \$108.37, making actual deficit \$1985.19.

We find from ex-Sheriff Killian's books \$238.79 still due the County School fund; this amount being subject to exemptions by the Board of County Commissioners for insolvency and non-collectable polls. Ex-Sheriff Killian states that he thinks there will be very little of this amount yet to be paid into the school fund.

This the 5th day of Aug. 1907.
A. C. Link,
Chairman of Board.
G. E. Long,
Secretary of Board

Mr. B. A. Klutz left the city last week to go to Roca, Neb., where he will spend some time. Mr. Klutz thinks he may decide to locate in the West. We regret his leaving us, but he will come back?

Letter From Rusticus

Hello, Mr. Editor. How are you standing this hot weather? It seems to have been hotter about Newton as the Enterprise and the Catawba County News, since they had been slinging mud at each other through their editorial columns. They ought to keep cool and have plenty ice water on hand. The whole concern was uncalled for. The people don't like to read such slang.

There seems to be no news in this neck of the woods. Everything is all quiet and every one is attending to their own business.

The people are done with their farm summer's work and now resting in the shade. Corn looks fine, so does cotton and it is blooming wonderfully. The potato crop looks nice.

Everybody is preparing for the Old Soldier's Reunion and will be ready to go to Newton on the 15th—to see the monkey.

The general health is pretty fine with the exception of a few fever cases. There have been several deaths in this section of the county. Abs Weaver died a few days ago of kidney trouble, and Charles Yoder's wife of typhoid fever a few days ago. There is still a few cases of sickness, some of them are aged people. Alfred Jarret's wife is still in a bad condition, the operation had been performed on her at the Lincoln Hospital. She is at home now.

N. Cordell has a bad spell of typhoid fever in his family.

L. S. Ritchey and company are putting up a new cotton gin at Blackburn. George Mosteller is also preparing to put one up near Thos. Shuford's store.

Mrs. Charles Finger has returned home from a visit to her father in Gaston county.

Preston Yoder, of Texas, is now on a visit to his aged mother in Jacob's Fork township. He will return in a few days by the way of Jamestown, New York, Buffalo and Chicago.

Rufus Shuford and wife, from Texas, are on a visit to his mother in this section. He has been gone about ten years. His brother Joe, from Alabama, is also here.

A few days ago the children of Joe Hawn's had a reunion at their father's house in honor of their mother's 68th birthday. There were some sixty odd persons present.

The Wesley's Chapel camp-meeting will open on Saturday before the third Sunday in September next.

A. M. Propst, and his son, Frank, have given their house a fine coat of white paint.

Eugene Isenhower and brother had made a visit at the home of Col. G. M. Yoder's a few days ago.

Mr. Reubash closed his musical singing school at Zion church on last Saturday. The singing school was well attended. He is a Virginian, and left for Georgia.

Politics seem to be looming up a little. We know the editor of The Democrat will do his part on speeling for the good old democracy.

J. R. Yoder made a trip to Asheville a few days ago to visit his brother, S. L. Yoder. Weston Finger will return to his home the last of August.

The high water bridge movement across Jacob's Fork river seems to be rather in a muddle yet.

N. A. Leatherman has moved his saw mill to A. D. Whitener's farm to cut up his timber for market.

A Miss Beam from Cleveland county has opened a school at the Yoder school house.

There are nine Confederate soldiers in Jacob's Fork township over 80 years old. Among them is one Senior Reserved which is the only one we know of.

We wish The Democrat a successful year in all of its movements.

NATURE'S GREAT BLOOD TONIC Piedmont-Bedford Concentrated Iron & Alum Water

(Representing the Famous Bedford Alum & Iron Springs of Va.)

contains 17 of the most powerful Mineral Tonics.

An 18-oz. bottle contains all the minerals in a barrel of the average water. We furnish the minerals, you furnish the water.

We have certificates both from the public and from eminent physicians, telling of its virtue in **Dyspepsia, Rheumatism, a large variety of Female Diseases, Chronic Diarrhoea and Dysentery, General Debility, Anaemia, Malar, a Ulceration of the Throat, Diabetes, Piles, Chronic Eczema, Nervousness, Chronic Constipation, and many showing the wonderful cures in that dreadful disease, Scrofula.**

Dr. T. L. KAWLER, for fifteen years a resident at the Springs, says: For Scrofula, that fearful destroyer of human health and happiness, we have in this water a remedy which neither science nor fortune, accident has hitherto found an equal. It is in this malady, and some forms of secondary and tertiary Syphilis, that this water when carried to its full alternative effect, displays its highest curative powers. In all forms of disease peculiar to females, this water will be found to exert a curative influence second to none in Virginia.

I have given your Concentrated Water a fair trial, and say with pleasure I have been greatly benefited. For some years I have suffered more or less with Indigestion, followed by Constipation and other attendant ills. Within the past two months I have found such relief from your remedy that I have improved in strength and weight; have eaten what I have not dared to do for a long time, and have done harder work than I have been able to do before for years.

Rev. OSCAR LITTLETON,
Presiding Elder, Lynchburg, Va.

Since 1894 I have been afflicted with Chronic Diarrhoea. About six months ago I commenced using your Concentrated Iron and Alum Water with the most wonderful and satisfactory results. For three or four years past I have been deprived of the privilege of visiting friends or going to church, as my trouble kept me in constant apprehension, having lost almost entirely the control of my bowels; but now I am happy to state that after using about a half dozen bottles of your remedy I am entirely cured, not having used any for the last four months. I can confidently and most gladly recommend your remedy for Chronic Diarrhoea.

CAPE RUFUS AMIS, Virginia, Va.

I was an intense sufferer for some months with Indigestion, and could get no relief from the ordinary remedies. During the month of January I began the use of your Concentrated Water, and one bottle has entirely relieved me. I can now digest any diet and am entirely free from suffering. I take great pleasure in giving this testimonial.

Rev. H. M. BLAIR,
Editor N. C. Christian Advocate,
Greensboro, N. C.

I have used and prescribed water from several Iron and Alum Springs, but none of them begin to compare with your Concentrated Water in all that goes to make the ideal alternative, restorative, and appetizer. It is at once a fine tonic and flesh-builder. Have advised several recently to try it, and always with fine and quick results. In January I had a bottle sent from one of your dealers to a lady, with the understanding that if it did not at once improve her digestive apparatus, I would pay the \$1.00 myself. She not only willingly paid the bill, but used a part of one-half dozen more bottles, and is now completely cured of all long and annoying Stomach Trouble. This seems to be the case with all who try it.
