"We have heard much about an auditorium in Raleigh, but Raleigh needs a hotel worse than it needs an auditorium. More leave Raleigh on the midnight train in order to get to a hotel."—Catawba County News.

Hickory knows how to sympathize with Raleigh. The traveling public consider themselves fortunate to catch a midnight train from Hickory, some even leave in hacks.

Graded School Opens.

The graded school opened Monday morning with a large number of children present. Out of the 440 not a few were thinking of what a good time they have had this summer and now they have to study, study nothing but study. More than one, no doubt, had begun to plan how they might skip school the following day in order to go fishing or play a game of ball. Many a sly glance was cast at the new superintendent to size up his whipping arm.

The school faculty is composed of the following teachers:

First Grade—Miss Ada Schenck Hickory, N. C.

Second Grade—Miss Annie Duke, Newton, N. C.

Third Grade—Miss Edna Hill, Asheboro, N. C.

Fourth Grade—Miss Margaret McAllister, Mount Pleasant, N. C.

Fifth Grade—Miss Jennie Howard, Mooresville, N. C.

Sixth Grade—Miss Lela Miller, Hickory, N. C.

Seventh Grade—Mr. A. P. Whisenant, Hickory, N. C.

Eighth Grade—Miss Flora Harding, Mocksville, N. C.

Ninth Grade—Mr. Charles M. Staley.

A Delightful Evening

Few more delightful occasions have been observed in Hickory than the one given by the United Helpers of the Presbyterian church at the beautiful home of Mr. and Mrs. H. D. Abernethy on Shuford Avenue on the night of Sept. 2nd. The occasion was a reception given by the church to Mr. Squires, the young man who has been supplying the pulpit of that church during the summer months. The large lawn of Mr. Abernethy's was lighted by Japanese lanterns artistically arranged the effect of which was most pleasing. The guests were received by Mrs. Abernethy assisted by Mrs. Belle Ramsay. Refreshments were served at different places on the lawn and a musical programme was rendered within the house.

Mr. Squires returns to the Seminary where he will complete his course the coming year. While he has been in our town he has greatly endeared himself to our people and especially the congregation of the Presbyterian church. He is a young man of much promise and leaves with the best wishes and the prayers of a devoted people. The thought of giving him a reception before he leaves was a happy one and the plan was most successfully executed by the ladies of the church.

FOLEY'S KIDNEY CURE
Makes Kidneys and Bladder Right

To the Queen of the Mountains

There will be an excursion from Yorkville, S. C., to the beautiful mountain city of Edgemont, N. C., on the 14th of this month. H. B. Lingle & Co. will have charge of the train, and their name alone is a sufficient guarantee of perfect order and no lady or child need fear taking this trip from fear of a borstorous crowd. Special agents will be on the train and they will have instructions to prevent any drinking. There will be a refreshment car attached to the train. The fair from Hickory is only \$1.25 and every indication points to a large number who will take opportunity of this extremely low rate and visit this mountain city.

Lenoir College has the Best Opening in its History.

So many students were here for the opening exercises of Lenoir College that the chapel was unable to seat the audience and the auditorium had to be used. Never before has the college had so many students, and more are arriving on every train. The new dormitory was not built any too soon, as every room in the entire college will be used in order to accommodate the students. "Holy! Holy! Holy!" was sung by the student body. After the reading of the one hundred and twenty-first Psalm by Rev. Miller, Rev. W. A. Deaton led in prayer.

Then came the address of welcome. Prof. R. L. Fritz welcomed the students in behalf of the college; W. A. Deaton in the behalf of Hickory, and Rev. Miller in the behalf of Highland. Mr. Propst followed with some good advice. He urged the young men and women to aim high in life and to constantly put forth every effort to reach that goal.

The following changes have been made in the faculty: Prof. Randolph, Misses Sawyer and Woode will take the chairs vacated by the resignations of Prof. Little, Misses Little and Bray. The primary department will be in the charge of Mr. Hardman, of Ohio. The student body was pained to learn that the popular art teacher, Miss Hennant, was unable to be present on account of serious illness in her home.

Messrs. Robt. Glenn and Pearl Rhyne who were members of last year's graduating class were present for the opening exercises.

A Modified Military System.

In a high grade boy's school, the finest system of discipline is one which combines the neatness, order, punctuality, obedience, square shoulders, active gait, and expanded chest of the military system and discards undue formality, cruel penalties and the spirit of fight, in place of which evils, personal intimacy, affection, peace and christian love are substituted.

This is the "Modified Military System" which has been adopted at the Bingham School, near Mebane, N. C., for the session of 1907-08. An attractive feature of the system at Bingham is the beautiful tailor-made uniform of best quality, like that used at West Point. Because it is the handsomest and most enduring, it is the cheapest clothing made.

The beautifully illustrated catalogue telling all about this famous school, can be had without cost by a postal card request, addressed to Preston Lewis Gray, B. L., Principal, Bingham School, Mebane, N. C.

The hour for the evening services is 7:30 during the months of September and October. Let the different sextons take notice and ring the bells accordingly.

Thousands Have Kidney Trouble and Never Suspect It.

Prevalency of Kidney Disease.

Most people do not realize the alarming increase and remarkable prevalence of kidney disease.

While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who content themselves with doctoring the effects, while the original disease undermines the system.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, L. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
