

# WOMEN TALK TO WOMEN

## About Pe-ru-na.

**MRS. MCGOUGH.**  
**Depressed Feeling.**  
Mrs. M. McGough, 219 W. 53rd street, New York, N. Y., writes:  
"I gladly add my wife of praise to Peruna for what it has done for me. Two years ago a depressed feeling took hold of me. My back and sides ached continually. My stomach got out of order so that at times I could not hold a glass of cold water. I didn't like to eat, afraid that my stomach would get sick. I have been using Peruna for the three past months and now I feel as well as ever and my nervous troubles have disappeared. I keep recommending Peruna to my friends who are troubled as I was, and I have been thanked for doing so."

**MRS. MOORE.**  
Mrs. Wilda Moore, R. F. D. 1, Lons, Ore., member Order of Washington, writes:  
"For the past four years I was a wretched woman suffering with troubles peculiar to my sex, causing severe backache and bearing down pains and leaving me so weak and weary that it was only with difficulty that I was able to attend to my household duties. I used different remedies and injections, but found no relief until I had tried Peruna. Within two weeks there was a complete change for the better and in less than three months I was a well and happy woman and all the praise is due to Peruna."

**MRS. NELSON.**  
**Headache and Backache.**  
Mrs. Tressie Nelson, 609 N. 5th Ave., Nashville, Tenn., writes:  
"As Peruna has done me a world of good, I feel in duty bound to tell of it, in hopes that it may meet the eyes of some woman who has suffered as I did. For five years I really did not know what a perfectly well day was, and if I did not have headache, I had backache or a pain somewhere and really life was not worth the effort I made to keep going.  
"A good friend advised me to use Peruna and I was glad to try anything, and I am very pleased to say that six bottles made a new woman of me, and I have no more pains and life looks bright again."

The above testimonials represent actual experience of every-day life. They are the truthful utterances of women who have been ill and have found a reliable remedy in Peruna. It means a great deal to the women of America who have at hand a remedy capable of performing such cures. Nervousness, backache, dyspepsia, headache, melancholy, bearing down pains. All these and a host of other symptoms are relieved by Peruna. At least this is what the women say. They have no object in saying such things, except to render truthful testimony to their suffering sisters. The reader will note by reading these testimonials that in most cases other remedies were tried, doctors were consulted, and finally Peruna came to their rescue and made them well again. Peruna is making such cures every day. It is the testimony of the people that has made Peruna so justly famous.

**Suffered Thirteen Years.**  
Mrs. Anna Munden, Hollygrove, Ark., writes:  
"I suffered with female troubles for thirteen years.  
"I saw an advertisement of your Peruna and bought one bottle and before I had taken it all I could get out of bed and walk about.  
"After taking three bottles I was as well and hearty as ever and gained in flesh. I would not be without it."

**Headache and Deafness.**  
Mrs. Mary E. Sampson, Londonderry, N. H., writes:  
"I had terrible headaches, both ears run and I was nervous all the time, was deaf in one ear for thirty years. I took six bottles of Peruna and one of Manalin, and am happy to say that it is the best medicine that I ever heard of. I am not so nervous, my appetite is good, everything I eat agrees with me, and I am feeling better in every way."

**A Severe Cold.**  
Miss Marie Calvin, 927 Main street, Cincinnati, Ohio, writes:  
"I caught a cold coming home from an evening party and as I did not pay particular attention to it, I quickly became worse and found myself in a serious condition.  
"I took Peruna and it brought me immediate relief. Within a week I was cured and now whenever I feel badly Peruna will set things right."

## Three Daring Robbers Held Up Passengers And Escaped With Booty

Omaha, Neb., Sept. 6.—The Omaha and Texas Express, on the Rock Island, was raided this morning, near Murdock, Neb., by three masked men. The robbers went through the chair car, robbing every passenger therein, securing their pocket books and purses, covered the train crew with revolvers and escaped. Railroad detectives and sheriff posse are in pursuit. The robbers were passengers on the train. Shortly after leaving Murdock the men arose in their seats, their faces covered with masks, and with revolvers in hand, covered the passengers. Then the leader ordered everybody not to resist else they would be shot. Two men went down the aisle with hats in hand, while a third kept the passengers covered. All passengers were ordered to throw their pocket books into the hats, which was done. The conductor appeared in the car with a pistol in hand, but was promptly covered with four guns and forced to drop the revolver. After getting the money in the car the robbers jumped from the train. An attempt was made to enter the sleeper section but the door was locked and the attempt was unsuccessful.

**Bakers' Week in Chicago.**  
Chicago, Ill., Sept. 9.—This is bakers' week in Chicago, there being nearly 1,000 members of the National Association of Master Bakers in the city to attend the annual convention and celebrate the tenth anniversary of their organization. Headquarters were opened at the Palmer House this morning and tonight there will be a reception in honor of the visitors. The business of the convention will begin tomorrow and continue until the end of the week. Governor Deneen will be the principal speaker at the convention and Julius Fleischmann, former mayor of Cincinnati, will be the orator at the anniversary banquet to be given Wednesday night at the Auditorium Hotel. One of the most important features of the convention will be the report of the committee named to formulate various food standards in the baking business. This report will be submitted by Chairman Hubig, of Cincinnati. The report fixes the standards of the various grades of flour, and the milk, yeast sugar and other ingredients used by American bakers in bread and pastry. It has been drawn up in order to comply fully with the requirements of the federal and state pure food laws, and is expected to do much toward improving conditions, especially in preventing bakers from being deceived in the standard of the flours they purchase.

**Spanish War Veterans.**  
Sandusky, O., Sept. 9.—With fluttering flags and martial music, Sandusky today extended a cordial welcome to the delegates and visitors to the fourth annual national reunion of the United Spanish War Veterans and the women's auxiliary of that organization. The convention will be in session three days at Cedar Point, with headquarters at the "Breakers." Each arriving train this morning brought its quota of visitors, and it was early seen that the number in attendance would be unusually large. The opening day was given over to the reception of the visitors and the transaction of a quantity of routine business. The contest for a successor to Commander-in-Chief Hamilton, of Buffalo becomes warmer as the time for the election of officers draws near. Sentiment seems to be about equally divided between General Charles King, of Milwaukee and Captain Richard Pearson Hobson, of Alabama, with one or two others mentioned as possible compromise candidates.

**Big Company Pays Fine**  
Chicago, Ill., Sept. 6.—A dispatch to the Record-Herald from Austin, Texas, says:  
"The International Harvester Company, of Wisconsin, yesterday pleaded guilty to violation of the Texas anti-trust laws, and paid a fine of \$35,000 assessed by the court.  
The company also agreed that perpetual injunction be entered forbidding it to operate in Texas."

**Lantern Explosion Burns Steamer—Crew Escapes**  
Gallipolis, Ohio, Sept. 6.—The steamer Henry M. Stanley, plying between Charleston, W. Va., and Cincinnati, was burned this morning at Gallipolis Island. The crew narrowly escaped death. Exploding of a lantern was the cause of the fire.

Governor Dawson, of West Virginia, is a warm admirer of President Roosevelt and a believer in the third-term idea. He says that Roosevelt has initiated a great policy and that the country needs him to carry it through to a successful issue.

## Work Done at The Hague

The Hague, Sept. 7.—The fifth plenary sitting of the Peace Conference met this morning. The following rules, regarding the opening of hostilities, were adopted:  
"That the contracting powers agree that hostilities must not begin without a previous unequivocal notice having been given, either in the form of declaration of war, setting forth its motives, or in the form of an ultimatum with a conditional declaration of war."  
The state of war must be notified without delay to the neutral powers, effect for the latter beginning after they receive notices, which can be given even by wire. In any case the neutral powers cannot protest against the lack of this notice if it is established that they undoubtedly know that the state of war existed."  
The sitting also approved, with some reserves, the agreements concerning the rigas and duties of neutral states in time of war. The land rules include the following:  
"The territory of neutral states is inviolable.  
"Belligerents cannot establish wireless telegraph stations in neutral territory, or any other means of communication with belligerent forces on land or sea.  
"Volunteers cannot be enlisted or body combatants formed in neutral territory.  
"The exportation of provisions from neutral states and the transport of provisions for belligerents are forbidden.  
"Belligerents are allowed to use means of communication belonging to neutral or private companies.  
"Prisoners who escape to neutral territory, if recaptured by troops, must, after having asked for refuge in the neutral state, be set free.  
"A neutral state can defend its neutrality by force without this constituting an act of hostility."

## MOONSHINERS GET HEAVY SENTENCES FROM JUDGE BOYD

Greensboro, N. C., Sept. 7.—At 4 o'clock yesterday afternoon the Smith-town prisoners, most of whom were convicted Wednesday, were brought from the jail by officers to have Judge Boyd pass sentence upon those who had been found guilty. Many of these prisoners were accompanied by their wives and children, who had come down to be with them during the trial and it was a touching and pathetic scene in the court room when the sentence was passed on those who were found guilty.  
Judge Boyd in sentencing the men said that he had made up his mind to exterminate the lawlessness at Smith-town and would be forced to impose a heavy penalty upon the guilty parties as an example. The sentences were as follows, all of whom were indicted on the charge of illicit distilling:  
Oscar Williams, 16 years of age; 15 months in the United States reformatory in the District of Columbia.  
James D. Williams, 15 months in the United States prison at Atlanta, and a fine of \$100.  
John Young, 18 months in the federal prison, with a fine of \$100.  
Oscar Smith, one year and one day in the federal prison and a \$100 fine.  
Davis Nelson, 13 months in prison and \$100 fine.  
John Griffin, one year and one day in prison and \$100 fine.  
Logan Chambers, 16 months in prison and \$100 fine.  
Jas. Shelton, 14 months in prison and \$100 fine.  
John Williams, who was indicted on the charge of retailing is recognized under bond of \$200 for his appearance at the next term of federal court.  
The case against L. E. Davis, a revenue officer of Surry county, who was convicted some time ago for filing false vouchers in that county in 1905 and sentenced to a year and a month in the federal prison at Atlanta was called for final disposition.  
Davis has been under treatment in St. Leo's hospital for a severe case of catarrh of the stomach, and two physicians who have been attending him, testified in court that if he were sent to prison it would greatly endanger his health and unless the sentence was recalled they believed he could not possibly live longer than three weeks. After investigating fully, Judge Boyd decided to have the sentence stricken out.  
Davis, with about five other revenue officers, were tried last fall, and Davis was the only man sentenced to the United States prison, the others being released upon payment of fines.

## Perished In the Frozen North

Athabasca Landing, Canada, Sept. 6.—The news of the probable loss of the schooner Duchess Bedford, the ship belonging to the Anglo-American arctic expedition which hoped to find a new continent north of Mackenzie river, was brought here by Alfred Harrison who has been in the Arctic circle for two years and who came here on the steamer Midnight Sun.  
Harrison said Ernest Stefansson, of Harvard University, after whom the expedition has been called, himself brought news of the loss of their boat to Herschell Island.  
He also brought news of the disappearance of three members of the party and expressed fear that they had met death in the frozen north.

## CIVIL WAR DEBTS ARE PAID.

Spartanburg, S. C., Sept. 6.—Congressman J. T. Johnson has succeeded in collecting several war claims that have been pending for some time, and today checks to the amount of 125 each were mailed to the following persons: Col. C. S. Crittenden, of Greenville; Henry Fleming, of Duncans, and John E. Hagood, of Pickens county. These checks are in payment for horses taken from them by federal soldiers after the surrender and in violation of the terms of their parole.  
Mrs. Nannie Lederman, of Greenville, widow of John E. Lederman, late private in company H, first South Carolina volunteer infantry, during the Spanish-American war, will receive a pension of \$8 a month from February 21, 1907.  
Hon. Johnson took up the matter of securing the pension for Mrs. Lederman soon after the death of her husband last winter, and he has succeeded in getting the claim through the pension department.

## County Superintendents In Session at Montreat

Asheville, N. C., Sept. 6.—The State Association of County Superintendents, in session at Montreat, 20 miles from Asheville, will attend. At the first roll call 82 counties were represented while other superintendents have since arrived. State Superintendent Joyner, who is presently ably discussed the topic, "Public High Schools and the Distribution of the Appropriations for Them." Other topics pertaining to public education in North Carolina have been discussed by superintendents in an able manner. Prof. Foust, of Guilford, and Prof. J. C. Kittrell, who were on the program for addresses yesterday, were absent. The sessions will come to a close today.

**HOW TO AVOID APPENDICITIS**  
Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels, and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. W. S. Martin & Co.  
Charity is a cloak that covers a lot of advertising.  
A man isn't necessarily generous because he gives himself away.

**HOW TO REMAIN YOUNG.**  
To continue young in health and strength, do as Mrs. N. F. Rowan, McDonough, Ga., did. She says: "Three bottles of Electric Bitters cured me of chronic liver and stomach trouble, complicated with such an unhealthy condition of the blood that my skin turned red as flannel. I am now practically 20 years younger than before I took Electric Bitters. I can do all my work with ease and assist in my husband's store." Guaranteed at C. M. Shuford and W. S. Martin & Co's drug stores. Price 50c.

## Report Made on Immigration

New York, Sept. 6.—After a several months' tour of inquiry into the immigration situation abroad, members of the sub-committee of the United States Immigration Commission arrived here today. The members have obtained much data which they believe will aid in solving the many immigration problems now confronting the United States.  
The whole committee will meet later and prepare a report and recommendations which will be submitted to Congress.  
Senator Dillingham (Chairman), in a statement said:  
"In conducting their investigations the commissioners gave special attention to the methods employed by the transportation companies in handling the emigrants, the effect of the United States immigration laws upon European emigration and the attitude of the various countries toward the departure of their subjects to other lands."  
"The question of preventing the coming of criminal classes into the United States has been the chief subject of the investigation by the sub-committee, and it is probable that important recommendations on this matter will be made to Congress."  
He added that there is a decided tendency on the part of certain aliens to send back to their native countries a large part of their earnings.  
He continued: "Added to this is the desire on the part of nearly all the seaboard countries of Europe to build up merchant marine, and as the carrying of emigrants is in many cases essential to the success of such enterprises, the attitude of such governments toward emigration is affected accordingly. These are the real forces that control the situation in Europe and the trend of affairs indicates that more attention and the greatest supervision of emigration on the part of the countries most concerned, will result."  
Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. W. S. Martin & Co.

## Hon. J. G. Shaw Will Be Candidate For Congress

Fayetteville, N. C., Sept. 7.—The Fayetteville Observer will say this afternoon ex-Congressman J. G. Shaw announces he will be a candidate for congress in this district, the sixth, to succeed the Hon. H. L. Godwin.

## OF INTEREST TO MANY.

Foley's Kidney Cure will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. No medicine can do more. W. S. Martin & Co.  
Korean Insurgents Abandon Organized Tokio, Sept. 8.—The Korean insurgents are abandoning organized resistance of the Japanese. They now destroy the railways and telegraph lines and murder unarmed Japanese, of whom they already have killed seventeen, shockingly mutilating the bodies.

## CATARRH BLOOD AND SYSTEM DISORDERED

Catarrh is not merely an inflammation of the tissues of the head and throat, as the symptoms of ringing noises in the ears, mucous droppings back into the throat, continual hawking and spitting, etc., would seem to indicate; it is a blood disease in which the entire circulation and the greatest part of the system are involved. Catarrh is due to the presence of an excess of uric acid in the blood. The Liver, Kidneys and Bowels frequently become torpid and dull in their action and instead of carrying off the refuse and waste of the body, leave it to sour and form uric acid in the system. This is taken up by the blood and through its circulation distributed to all parts of the system. These impurities in the blood irritate and inflame the different membranes and tissues of the body, and the contracting of a cold will start the secretions and other disgusting and disagreeable symptoms of Catarrh. As the blood goes to all parts of the body the catarrhal poison affects all parts of the system. The head has a tight, full feeling, nose continually stopped up, pains above the eyes, slight fever comes and goes, the stomach is upset and the entire system is disordered and affected by this disease. It is a waste of time to try to cure Catarrh with sprays, washes, inhalations, etc. Such treatment does not reach the blood, and can, therefore, do nothing more than temporarily relieve the discomfort of the trouble. To cure Catarrh permanently the blood must be thoroughly purified and the system cleansed of all poisons, and at the same time strengthened and built up. Nothing equals S. S. S. for this purpose. It attacks the disease at its head, goes down to the very bottom of the trouble and makes a complete and lasting cure. S. S. S. removes every particle of the catarrhal poison from the blood, making this vital stream pure, fresh and healthy. Then the inflamed membranes begin to heal, the head is loosened and cleared, the hawking and spitting cease, every symptom disappears, the constitution is built up and vigorous health restored. S. S. S. also tones up the stomach and digestion and acts as a fine tonic to the entire system. If you are suffering with Catarrh begin the use of S. S. S. and write us a statement of your case and our physicians will send you literature about Catarrh, and give you special medical advice without charge. S. S. S. is for sale at all first class drug stores.
