Long-Sherrill

A pretty marriage took place in Newton Monday evening when Mr. Oscar Sherrill and Miss Gretta Long were made man and wife. It was a quiet affair in the presence of only a few friends and relatives. The ceremony was performed by Rev. Dr. Clapp at the home of the bride's brother, Dr. Long.

The couple left Tuesday for Florida where they will locate and make their home. Mr. Sherrill has recently been licensed to practice law. This profession he will take up in his new field.

To the People

I have been authorized by the proper authorities to secure options on several tracts of land suitable for an orphanage. At the next session of the Conference, which will meet in about a month, definite action will be taken toward the establishing of an orphanage for all the territory west of Greensboro. As Hickory is about the center of this territory, and noted for its healthy climate, I feel sure that if the proper effort is made the orphanage will be located here. This will mean a great deal for Hickory as there will ultimately be from three to four hundred children, the support of whom must come from the Conference at large.

The land needed must not be less than 100 acres, part of it either on the railroad or in very plain view of it. A considerable portion should be wood land and a small stream running through it would be an advantage. It should not be further than two miles from the center of town.

Parties having such tracts for sale, will please communicate with me at once.

G. F. Ivey.

Mr. A. H. McComb Dies in Hickory.

The death of Mr. A. H. McComb occurred in our city Sunday evening after an illness of one week from pneumonia. Mr. McComb was a citizen of Mecklenburg county and was here visiting his cousins, the Messrs. and Misses McComb, at whose home he died. The remains were taken to his old home and interred in the cemetery at Big Steel Creek church in Mecklenburg county.

Mr. McComb was 64 years old at the time of his death.

Mr. W. H. Shirer Dead.

The death of Mr. W. H. Shirer occurred at his home in East Hickory Tuesday evening about 7:30 o'clock after an illness of several months from lung trouble.

While death came upon him very sudden, it was not surprising to his people and friends, as his condition has been very appalling for some weeks. Mr. Shirer and family have lived here only a short time but have gained many friends during their stay. The sympathy of the good people of our town is extended to the family in the loss of a good husband and father.

Congressional Committee Will be in Hickory Soon.

The Congressional Committee appointed according to an act of Congress to investigate those sections of the country which the proposed Appalachian Park will cover, will be in Hickory the twenty-ninth of this month. Senators Overman and Simmons, Congressman Webb, Thomas and Page with other distinguished men compose this committee. Let Hickory extend to them a warm welcome. This committee will report at the next session of Congress and the nature of that report will largely depend upon the sentiments of the inhabitants of those sections which will compose the proposed National Park. There is no doubt but that this county is overwhelmingly in the favor of the park.

North Carolina Remains Ahead.

In the Manufacturers' Record's report of the Southern spindles increase for the third quarter of 1907, North Carolina is far ahead of the other states; both in the number of new mills and also in enlargement of the equipment of the old mills. She shows an increase of 80,589 in the number of spindles, thirteen new mills and twelve mills who have enlarged their plants. Alabama comes second in increase in number of spindles, having 47,500; Georgia and South Carolina tying for second place in number of new mills, having six each. North Carolina's increase both in number of mills and spindles is as large as that of South Carolina's and Georgia's combined.

The Mayor's Office Robbed.

Thursday night Mr. Ned Hayes passing the mayor's office, saw that some one had entered. He investigated and soon some one had him by the throat and said: "If you tell I will kill you." Mr. Hayes was game and promptly replied that he would report the matter to the proper officials. A scuffle followed and Mr. Hayes, who is just recovering from a broken leg, had difficulty in escaping from the clutches of the intruder. Later investigation disclosed the fact that the only property that had been taken was a half gallon jug of whiskey which the mayor had confiscated from some blind tiger. The intruder is known but his name is withheld from the public for the present. He has not yet been arrested, as he and the jug of whiskey have left for parts unknown.

We have the pleasure of sending the Democrat to very near every young man that leaves Hickory to be gone any time. One writes that left a few days ago: Please send me the Democrat to 546 30th St., Newport News, Va. Send every issue, I cannot do without it.

Mr. homelover:-
and remember, it takes good furniture, as well as a good wife, to make a nice home. you have got the good wife; we have the good furniture if the dollars in your purse had ears and lips, and heard how reasonable we sell furniture, they would ask you to come to our store. our prices won't hurt you.
