

Coleman-Abernethy

Written for The Democrat

Blackville, S. C., Oct. 31, 1907.
—On Wednesday evening at the home of Dr. and Mrs. L. F. Bonner was solemnized one of the simplest and most beautiful weddings ever witnessed in Blackville, when Miss Estelle Coleman, of Aiken, S. C., and Mr. Frederick Abernethy, of Hickory, N. C., plighted their troth for life, Rev. Dr. Burts, of Edgefield, officiating.

The halls and drawing room had been made festive for the occasion with gorgeous autumnal foliage and pot plants. One side of the parlor had been converted into a bower of green, while an arch of ferns, palms, and white chrysanthemums stood in bold relief against a background of lace curtains and trailing vines, thus making a niche for the bridal party. Myriads of waxen tapers shed their soft lights like benedictions from mantel and arch.

To the strains of Mendelssohn's wedding march, softly played by Miss Ruth Coleman, the bride's sister, the first to enter the parlor were the groom and his best man, Mr. LeRoy Abernethy, of Hickory, N. C. Then followed the maid of honor, Miss Ethel Coleman in shimmering white, and carrying carnations. The bride entered last on the arm of her brother, Mr. J. Bruce Coleman.

Then began the impressive Episcopal ceremony in which the ring, the emblem of love and eternity was used, thereby sealing eternally and indissolubly their bond of love. To receive the blessing Mr. and Mrs. Abernethy knelt upon the steps of a miniature altar and rising received the congratulations and best wishes of more than half a hundred relatives and friends.

The bride's girlish figure was gowned in chaffon and real lace over taffeta. Her gauzy veil was held in place by lilies of the valley and her corsage was decorated by a diamond and pearl brooch, the gift from the groom. This beautiful picture was completed by an immense bouquet of bride's roses and ferns.

During the reception dainty refreshments were served. After the reception Mr. and Mrs. Abernethy boarded the nine o'clock train, amid a blending shower of rice, old shoes, good wishes and congratulations, for Norfolk, Washington, New York and Niagara.

Mrs. Abernethy is the charming and universally popular daughter of Mr. and Mrs. W. M. Coleman, of Aiken. Her lovely disposition has won for her the love and esteem of all those so fortunate as to know her. Mr. Abernethy is one of Hickory's most prominent young men, in the social as well as the business world. He too, counts his friends by the score and is in every respect worthy of the lovable bride he has won.

Many, beautiful and costly were the material testimonies of the esteem in which their friends hold them that were displayed on this occasion. One of the most pleasing incidents in connection with the marriage was the surprise kitchen shower given to the bride-elect on Tuesday evening by the friends of her aunt and hostess, Mrs. Bonner.

Among the guests present were Mrs. W. M. Coleman, Louise Coleman, Mrs. Judson Brodie, Mr. Earl Brodie, Mr. and Mrs. H. F. Rice, Mr. and Mrs. J. D. Prothro, Mr. Fred Faust, Mr. Mark Brodie, Mr. Ashton Head, Mr. Phil Livingston, of Aiken; Rev. Dr. Burts, Edgefield; Mrs. D. H. Sally, Mr. Hammond Sally, of Sally's; Mr. J. Bruce Coleman, of Atlanta; Misses Ethel and Ruth Coleman, of Winthrop College; Mr. and Mrs. W. E. Prothro, of Wells-

town; Mr. and Mrs. J. P. Guess, of Denmark; Miss Estelle Guess, of Denmark; Mrs. Erm Kohn, of Prosperity; Mrs. Honor Long, of Sumpter; Mrs. Era Walker, Aiken; Mr. Jas. Guess, of Denmark.

Coddling the Stomach.

Do not pamper the children with hot-house methods; there is a common-sense method. If the children or the man or woman show a tendency to be "off their feed," if they begin to lose flesh, their stomach should be toned up with a harmless tonic which will increase the secretions of the digestive tract. A tonic made of native medicinal roots which will invigorate the stomach into greater activity and increase the secretion of the phosphates from the food—a remedy which will do this is one which has stood the test of public approval for nearly forty years, and contains no alcohol or narcotics. We refer to Dr. Pierce's Golden Medical Discovery. It can be given to the smallest child with perfect freedom. If the blood is impure, if pimples, boils, headaches occur, if the stomach is weak—first eradicate the poisons from the blood.

AN Imitation of NATURE'S METHOD of restoring waste of tissue and impoverishment of the blood and nervous force is used when you take an alternative extract of native roots, made without the use of alcohol, like Dr. Pierce's Golden Medical Discovery. This vegetable medicine coaxes the digestive functions and helps in the assimilation of food, or rather takes from the food just the nutriment the blood requires.

Along with its use one should take exercise in the outdoor air, get all one can of God's sunlight and air, practice a deep breathing exercise every day. This "Medical Discovery" gives no false stimulation, because it does not contain alcohol or a narcotic. It helps digestion and the assimilation of such elements in the food as are required for the blood. Unlike a cod liver oil, against which the already sensitive stomach will declare open rebellion, this tonic has a pacifying action upon the sensitive stomach and gives to the blood the food elements the tissues require. It maintains one's nutrition by enabling him to eat, retain, digest and assimilate nutritious food. It overcomes gastric irritability and symptoms of indigestion, and, in this way, fever, night-sweats, headaches, etc., are done away with.

Dr. Pierce's Golden Medical Discovery purifies the blood and entirely eradicates the poisons that breed and feed disease. It thus cures scrofula, eczema, erysipelas, boils, pimples, and other eruptions that mar and scar the skin. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood. Dr. Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands, and it enriches the body with an abundant supply of pure, rich blood.

A consideration of first importance in deciding what medicine to take for the cure of blood or stomach disorders is as to its harmlessness.

Dr. Pierce is frank and open with the public for he tells just what is contained in Dr. Pierce's Golden Medical Discovery—its ingredients are Golden Seal root, Queen's root, Stone root, Black Cherry bark, Bloodroot, Mandrake and pure triple-refined glycerine. Concerning Golden Seal the highest medical authorities agree with Prof. John M. Scudder who says: "It stimulates the digestive processes, and increases the assimilation of food. By these means the blood is enriched, and this blood feeds the muscular system. I mention the muscular system because I believe it first feels the increased power imparted by the stimulation of increased nutrition. The consequent improvement on the nervous and glandular systems are natural results."

In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is universally regarded as the tonic useful in all debilitated states. Concerning Bloodroot The American Dispensatory says, "Stimulates digestive organs, increases action of heart and arteries—stimulant and tonic. Very valuable as a cough remedy—acts as a sedative—further valuable as an alternative." COURT DECIDED

IN HIS FAVOR

Cooper Fought to Retain Formula Which Has Made a Fortune.

L. T. Cooper, the man who believes that 90 per cent. of all ill health of this generation is caused by stomach trouble, is fast winning a national faith in his theory. His claim is now admitted by a surprising number of people throughout the country, and he is gaining new adherents every day.

While speaking of his success in a recent interview, Mr. Cooper said: "I believed ten years ago that any one who could produce a formula that would thoroughly regulate the stomach would have a fortune. When I got hold of this formula I knew within six months that I was right, and that my fortune was made. I called the medicine Cooper's New Discovery, although I did not get up the formula. I have owned it, however, for over three years. I have had one lawsuit over it, which I won in the courts. When it was settled The Cooper Medicine Company became the only firm in the world that can prepare the medicine. The preparation has sold like wildfire wherever introduced. As I have said before, it is successful simply because it puts the stomach in perfect shape, then nature does the rest. There are any number of complaints never before associated with stomach trouble that the medicine has alleviated in thousands of cases."

Among statements obtained recently from users of this medicine that is arousing such universal discussion is one from Mrs. Emma Stanley, living in Chicago, at 713 Washington Boulevard, who said: "Perhaps I had the most complicated case that Mr. Cooper had to deal with. I was troubled for years with my stomach. I consulted with doctors and took many patent medicine preparations without result. My stomach was in such a wretched shape that I could not enjoy a meal that I ate."

"I was very nervous, and could hardly sleep; I had a roaring in my ears and dancing spots before my eyes. I felt very bad and weak. Then there was a very sore spot at the pit of my stomach that nearly set me wild."

"I heard about the Cooper medicine and decided to try it. I used four bottles, and the improvement in my case has been really wonderful. My nerves have been quieted, and I am so much improved that I feel like a new woman."

"I cannot say too much for these wonderful remedies, for they have made me well." We sell the Cooper medicine and consider them well worth a trial by any one afflicted with chronic stomach trouble and its attendant diseases. —E. B. Meuzler.
