That our American forests abound in plants which possess the most valuable medicinal virtues is abundantly attested by scores of the most eminent medical writers and teachers. Even the untutored Indians had discovered the usefulness of many native plants before the advent of the white race. This information, imparted freely to the whites, led the latter to continue investigations until to-day we have a rich assortment of most valuable American medicinal roots.

Dr. Pierce believes that our American forests abound in most valuable medicinal roots for the cure of most obstinate and fatal diseases. If we could properly investigate them and in the preparation of this conviction, he points with pride to the almost marvelous cure effected by his "Golden Medical Discovery," which has proven itself to be the most potent stomach, liver, and blood purifier, heart tonic and regulator, and blood cleanser known to medical science. Dyspepsia, or indigestion, torpid liver, functional and even valvular and other affections of the heart yield to its curative action. The reason why it cures these and many other affections, is clearly shown in a little book of extracts from the standard medical works which is mailed free to any address by Dr. R. V. Pierce, of Buffalo, N. Y., to all sending request for the same.

Not less marvelous, in the unparalleled cure it is constantly making of woman's many peculiar affections, weaknesses and distressing derangements, is Dr. Pierce's Favorite Prescription, as is amply attested by thousands of published testimonials contributed by grateful patients who have been cured by it of catarrhal, pelvic, ovarian, menstrual, irregularities, prolapsus and other displacements, caused by weakness, ulceration of uterus and kindred affections. Often after many other advertised medicines, and physicians had failed.

Both the above mentioned medicines are wholly made up from the glyceric extracts of native medicinal roots. The processes employed in their manufacture were original with Dr. Pierce, and they are carried on by skilled chemists and pharmacists with the aid of apparatus and appliances specially designed and built for this purpose. Both medicines are entirely free from alcohol and all other harmful, habit-forming drugs. A full list of their ingredients is printed on each bottle wrapper.

"We have heard it said that some prohibitionists have changed their sentiments because there is so much said, written and published on the subject. This is hard to believe, A hermit may hide himself from his friends, but no true advocate of any cause will change views simply because his cause meets the approval of all good people. If one should change because of such an excuse, for an excuse is all it is he can be changed back by use of the same method, he can be run out of the church, out of a political party, or you can even keep him from walking on his feet, sleeping in a bed, etc. For as soon as he sees everybody else sleeping in beds and walking on their feet he will stop it at once. Such an argument sounds ridiculous.

Among other things that make us laugh is the spectacle of a Republican editor begging for a removal of the tariff on wood pulp and paper in one column and in another column that "the foreigner pays the tax."

The function of the kidneys is to strain out the impurities of the blood which is constantly passing through them. Foley's Kidney Remedies makes the kidneys healthy so they will strain out all waste matter from the blood. Take Foley's Kidney Remedy at once and it will make you well. W. S. Martin & Co.

Listen farmers! Will you allow the whiskey interests to continue saying that you have stepped into the shoes of the ignorant negro? If not, vote for prohibition.

On May 26, the greatest issue ever submitted to our people will be decided. Some will be on the right side and some will be on the wrong side. And those—many of them—who vote on the wrong side will some day be filled with regret. So be careful how you vote.

The newly elected governor of Louisiana is to be escorted to the place of his inauguration by fifty of the prettiest girls in the State, all dressed in white shirtwaists and other customary summer regalia. Who wouldn't prefer that to a lot of brass buttons and brown khaki fastened to a regiment or two of tin soldiers?

PERSONAL

If any person suspects that their kidneys are deranged they should take Foley's Kidney Remedy at once and not risk having Bright's disease or diabetes. Delay gives the disease a stronger foothold and you should not delay taking Foley's Kidney Remedy. W. S. Martin & Co.

A New Jersey woman wants a divorce because her child can't stand her husband's face. We suppose it is too much to hope that this may be the initial step in the dissolution of the firm of the nearly-funny Newlyweds!

COLDS TAAT HANG ON.

Colds that hang on in the spring deplete the system, exhaust the nerves, and open the way for serious illness. Take Foley's Honey and Tar. It quickly stops the cough and expels the cold. It is safe and certain in results. W. S. Martin & Co.

One good thing about bad habits is how you wouldn't enjoy life if you broke yourself of them.

WHOOPIING COUGH.

"In February our daughter had the whooping cough. Mr. Rane, of Hartland recommended Chamberlain's Cough Remedy and said it gave his customers the best of satisfaction. We found it as he said, and can recommend it to anyone having children troubled with whooping cough," says Mrs. A. Goss, of Durand, Mich. For sale by W. S. Martin & Co.

Don't think the whole world is wet just because it has been raining in your neighborhood.

Mr. John Riha of Vining, Ia., says, "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold. There are a dozen people here who have used them and they give perfect satisfaction in every case. I have used them myself with fine results." Sold by C. M. Shuford & W. S. Martin.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs. The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone. If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Politics hrs got down to a mighty mean level in a certain section of Georgia. One candidate has raked up his opponent's Alton B. Parker record and proclaimed it anew to his constituents.

FOLEY'S HONEY AND TAR

Has a man a right to sell intoxicating liquors? The United States Supreme Court has declared: "The right to sell liquor is not one of the rights growing out of citizenship." If any State deem the sale of liquors injurious to its citizenship, it has a right to prohibit it, says one of the Justices. It cannot, then be an infringement of the right of the seller. For the drinker, personal liberty ends when the public good begins. Every law against crime interferes with personal liberty. It is not liberty at all to get drunk, but the worse species of slavery that every fettered mankind.—Concord Times.
