It can do no harm in any state or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, backache, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary spots or spots floating before eyes, have disagreeable, pelvic catarrhal drain, prolapsus, anteversion or retro-version or other displacements of womanly organs from weakness of parts will, whether they experience many or only a few of the above symptoms, find relief and a permanent cure by using it faithfully and fairly persistently. Dr. Pierce's Favorite Prescription.

This world-famed specific for woman's weaknesses and peculiar ailments is a pure glyceric extract of the choicest native, medicinal roots without a drop of alcohol in its make-up. All its ingredients printed in plain English on its bottle-wrapper and attested under oath. Dr. Pierce thus invites the fullest investigation of his formula knowing that it will be found to contain only the best agents known to the most advanced medical science of all the different schools of practice for the cure of woman's peculiar weaknesses and ailments.

If you want to know more about the composition and professional endorsement of the "Favorite Prescription," send postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for his free booklet treating of same.

You can't afford to accept as a substitute for this remedy of known composition a secret nostrum of unknown composition. Don't do it.

Reaches the People.

The development of publicity condition has shown that newspaper advertising is by far the most effective in lines designed to reach the great mass of the people and involving the staple necessities of every-day life. There are millions of want ads published every year which proves the "reaching effect" of newspaper columns to say nothing of the "bargain sales" of the great commercial emporiums a field in to which the periodicals cannot enter—Kansas City Journal.

Of Interest To Democrats.

The National Democratic Congressional Campaign Committee has begun active operations at its headquarters at Washington, D. C. In addition to its regular work, it is now preparing a Campaign hand-book which it hopes to have ready for distribution by July—two or three months earlier than heretofore. The Committee is charged with the duty of assisting, in every way possible, the election of a Democratic Congress.

We wish the active co-operation of every voter in the United States who believes with us, that the election of a Democratic Congress would greatly benefit the country.

We must rely upon the people to sustain our work by giving information as to local conditions, and suggestions for guidance.

Each individual can at least aid us by making a contribution.

Will he not do so and interest others in helping us too? We wish our Campaign hand-book distributed as generally as possible, and we will furnish a copy, as soon as published, to every one who contributes to our Committee.

Send remittances to me at Washington, D. C.,
JAMES T. LLOYD,
Chairman.

DO YOU GET UP

WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Preserving the Properties.
A traveler in the mountains of Tennessee had been stowed away in the best bed the cottage afforded. Late in the night he was awakened by the voice of the paterfamilias addressed to the daughter, who was entertaining company by the fireside.

"Mandy," growled the old man, "is that young man there yet?"

"Yep, pap."

"Is he got his arm round yer waist?"

"Yep pap."

"You-all tell him to take 'er away."

"Aw ye tell him yersef pap," replied the girl, in a dull, lifeless voice. "He's a plumb stranger to me."

The people have spoken in no uncertain tones. They have said they don't want intoxicating liquors made or sold in this state.

The thing for the people to do now is to see that the law is faithfully executed. Blind tigers should be nipped wherever they show themselves. It would be folly indeed were the verdict rendered by the people disregarded by those whose duty it is to enforce the law.

Every violation should be speedily punished. No guilty one should be allowed to escape where it is possible to detect him.

Were any other conditions to prevail, the labors of those who have labored so faithfully for this great movement would be in vain.
