Will Make Report.

Mr. W. L. Wolf spent a few days in Salisbury this week. Mr. Wolfe said he was going down to settle an important question that was frequently sprung on the streets here.

It is alleged that old booze is still afloat in Salisbury and can be had by any one desiring same.

Mr. Wolfe will make a report upon his return to our city.

To have good health, live long and happy, follow the advice of the greatest Health Specialists—"Take a physic once a week." Do this and you won't know what a sick day is. Hollister's Rocky Mountain Tea, the safest physic, 35 cents. Moser & Lutz.

Death of an Infant.

James Clyde, the infant son of Mr. and Mrs. W. R. Whisenhunt, died Monday night January 11th, 1909 with pneumonia.

All the medical aid, and assistance of kind and loving hands were rendered but to no avail.

How sad it is to give up our dear little ones, but the Lord giveth, and the Lord taketh. His will be done, and not man's.

We extend our most heart-felt sympathy to these young parents.

May they look to God in these dark hours of sorrow.

The Modesty of Women

Naturally makes them shrink from the indelicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispenses with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debilitating drains, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients, will be found in a pamphlet wrapped around the bottle, also in a booklet mailed free on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of known composition. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound. If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential. Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels.
