If Jack Jonsson will wade into the booze with all his might and main for a few years, we rather think he will find the color line drawn not quite so much against him by some of his pugilistic near-brethren.

THE PURE FOOD LAW.
Secretary Wilson says: "One of the objects of the law is to inform the customer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit-forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs and colds. Its value has been proven beyond question during the many years it has been in use. For sale by C. M. Shuford.

Boston has been experimenting municipal ownership. It has for many years had a municipal printing plant. For the past ten months it has been in charge of a thoroughly competent and efficient man, but he declines to stay at it permanently, and advises that the plant be sold, and the city printing done by contract, on the ground that, sooner or later, the printing office will fall back into the hands of the politicians, and will be run for the interest of themselves and their friends. It has been costing \$2,000,000 a year, and the present printer finds that half of that is wasted. In ten years the city has squandered a million dollars by doing its own printing.

A RELIGIOUS AUTHOR'S STATEMENT.

"For several years I was afflicted with kidney troubles, and last winter I was suddenly stricken with a severe pain in my kidneys, and was confined to bed eight days, unable to get up without assistance. My urine contained a thick white sediment, and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased, and my urine became normal. I cheerfully recommend Foley's Kidney Remedy." All persons likewise afflicted can get this remedy at W. S. Martin & Co.

Better Not Get Dyspepsia
If you can help it, Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.
A great many people who have trifled with indigestion, have been sorry for it—when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.
Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.
When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.
Ordinary pepsin "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in digestive ailments. Pepsin is only a partial digester—and physics are not digesters at all.
Kodol is a perfect digester. If you could see Kodol digesting every particle of food, of all kinds, in the glass test-tubes in our laboratories, you would know this just as well as we do.
Nature and Kodol will always cure a sick stomach—but in order to be cured, the stomach must rest. That is what Kodol does—rests the stomach, while the stomach gets well. Just as simple as A, B, C.
