People past middle life usually have some kidney or bladder disorder that saps the vitality which is naturally lower in old age. Foley's Kidney Remedy corrects urinary troubles stimulates the kidneys and restores strength and vigor. It cures uric acid troubles by strengthening the kidneys so they will strain out the uric acid that settles in the muscles and joints causing rheumatism. W. S. Martin & Co.

Wreck on the C. & N.-W.

A special train carrying a party of 60 prominent Masons from Chester to Yorkville, jumped the track near Yorkville, Wednesday evening at 5 o'clock, turning the entire train over, and killing Fireman Frank E. Hardin of Gastonia and injuring 10 or 12 passengers. Among the injured are: John Husband and Col. W. W. Lumpkin, Southern Ry., representatives of Columbia, S. C., Chief dispatch Z. N. Davidson and his brother J. L. Davidson assistant to General Manager Nichols of C. & N.-W. Ry., Chester S. C.

Train was in charge of con-

ductor Freeman and engineer Bob Smyre and when it was within 2 miles of Yorkville it jumped the track, where the party was going to attend a Masonic gathering that night. Relief trains were immediately dispatched from Chester and Yorkville carrying physicians and assistants. So far as can be ascertained no others were seriously injured.

The cause of the wreck is as yet unknown but it is said the engineer was backing up when for some unaccountable reason mounted the rails running at a moderate rate of speed. Engineer Smyre is the oldest on the road and has the reputation of being a very careful runner.

Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure you mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Many good people are driven away from our town because of the fact that they cannot get employment here. We should see to it that this condition of affairs does not exist long. Let us encourage new enterprises to bring more people to our town and thus increase the trade of our business men.

Mr. F. G. Fritts, Oneonta, N. Y., writes: "My little girl was greatly benefited by taking Foley's Orino Laxative, and I think it is the best remedy for constipation and liver trouble." Foley's Orino Laxative is best for women and children, as it is mild, pleasant and effective, and is a splendid spring medicine as it cleanses the system and clears the complexion. Martin Drug Co.
