

Don't Worry

If you are sick, don't worry, but begin at once to make yourself well. To do this, we but repeat the words of thousands of other sufferers from womanly ills, when we say:

TAKE CARDUI

It Will Help You

For 50 years, this wonderful female remedy, has been benefiting sick women. Mrs. Jennie Merrick, of Cambridge City, Ind., says: "I suffered greatly with female trouble, and the doctors did no good. They wanted to operate, but I took Cardui, and it made me feel like a new woman. I am still using this wonderful medicine, with increasing relief."

For Dyspepsia and Indigestion

If you suffer from Indigestion, Dyspepsia, Gas on the Stomach, Belching, Sour Stomach, Heart-burn, etc., a little Kodol will Relieve you almost Instantly

Kodol supplies the same digestive juices that are found in a healthy stomach. Being a liquid, it starts digestion at once.

Kodol not only digests your food, but helps you enjoy every mouthful you eat.

You need a sufficient amount of good, wholesome food to maintain strength and health.

But, this food must be digested thoroughly, otherwise the pain of indigestion and dyspepsia are the result.

When your stomach cannot do its work properly, take something to help your stomach. Kodol is the only thing that will give the stomach complete rest.

Why? Because Kodol does the same work as a strong stomach, and does it in a natural way.

THE STANDARD OF THE WORLD

Stand by Your Town.

Truer words have never been written than the following from the Lexington Advertiser and while they may not be applicable to Hickory we publish them "lest we forget" and give way to a desire to "knock".

Here it is:—

"More towns die for want of confidence on the part of the business men and lack of public spirit than any other cause, says a floating editorial. When a man in search of a home or business location goes into a town and finds every thing full of hope and enthusiasm for the prospects of the place and all earnestly at work to build it up, he soon becomes imbued with the same spirit, and, as a result he drives down stakes and goes to work with the same interest. When however he goes to a town where the people express doubt and apprehension for the future prosperity of the town, moping about and indulging in mournful complaints, he naturally feels that it is no place for him, and at once shakes the dust from his feet while he pulls out with all possible speed for some other place. Consequently try to make a live enterprising town out of the town in which you live. When you are working for your town you are accomplishing all the more for yourself.

Women Who Are Envyed.

Those attractive women who are loved in face, form and temper are the envy of many who might be like them. A weak, sickly woman will be nervous and irritable. Constipation or kidney poisons show in pimples, blotches skin eruptions and a wretched complexion. For all such, Electric Bitters wonders. They regulate Stomach Liver and kidneys, purify the blood, give strong nerves, bright eyes, pure breath, smooth, velvet skin, lovely complexion. Many charming women owe their health and beauty to them. 50c at Moser and Lutz, C. M. Shuford and W. S. Martin.

No Fun For the Calf.

"But in all his rejoicing," concluded a teacher who had been discoursing upon the parable of the Prodigal Son and wished to emphasize the character of the elder brother, "there was one to whom the preparation of the feast brought no joy—one who did not approve of the feast being held and who had no wish to attend it. Now, can any of you tell me who this was. A pause, and then from a dozen sympathetic little lads came this chorus—"The Calf—it was the fatted calf, sir!"—Philadelphia Inquirer.

Of interest to Farmers and Mechanics.

Farmers and mechanics frequently meet with slight accidents and injuries which cause them much annoyance and loss of time. A cut or bruise may be cured in about one-third the time usually required by applying Chamberlain's Liniment as soon as the injury is received. This liniment is also valuable for sprains, soreness of the muscles and rheumatic pains. There is no danger of blood poisoning resulting from an injury when Chamberlain's Liniment is applied before the parts become inflamed and swollen. Sold by W. S. Martin & Co.

The man who spends his time sitting on a nail keg at the grocery store ranks as a producer along with the hen that sits on a door-knob—only the hen is honest in her intentions.

For a mild easy action of the bowels, a single dose of Doan's Regules is enough. Treatment cures habitual constipation. 25 cents a box. Ask your druggist for them.

Leaders in thought and action are those who have climbed to eminence by persistent and unwavering effort, not by loafing and grumbling.

"Dr. Thoma's Electric Oil is the best remedy for that often fatal disease—croup. Has been used with success in our family for eight years."

The mortgage doesn't belong to any union. It works twenty-four hours a day.

Killed by Beer.

A story comes from Raleigh, W. Va., about eight railway workmen who stole a barrel of beer and after drinking it were all found lying about their shack dead. The despatch goes on to say:

"The barrel was taken into the yard and the beer allowed to escape. A large rattlesnake was found on the bottom of the barrel after all the beer had been drawn off.

"It is presumed that the snake in his death agony, injected enough of his poison into the beer to kill the men who drank it."

Anyone who knows anything about snake poison knows that it is absolutely harmless when taken directly into the stomach. To have fatal results it must get into the blood. It is therefore evident that the men were not killed by the snake's venom. There may have been, and undoubtedly was, some other poisonous substance in the beer to have caused these deaths.

Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results. For sale by W. S. Martin & Co.

Her Answer.

An Atchison girl had a proposal of marriage and asked a week to think it over. She went to all of her married sisters. One, who used to be a belle, had three children, did all her own work and hadn't been to the theater or out riding since she was married. Another, whose husband was a promising young man at the time she was married, was supporting him. A third didn't dare say her life was her own when her husband was around, and a fourth was divorced. After visiting them and hearing their woes the heroine of this little tale went home, got pen, ink and paper and paper and wrote an answer to the young man. You may think it was refusing him, but it wasn't. She said she could be ready in a month.—Atchison Globe.

Could Not be Better.

No one has ever made a salve, ointment, lotion or balm to compare with Bucklen's Arnica Salve. Its the perfect healer of cuts, corns, sores, eczema, salt rheum. For sore eyes, cold sores, chapped hands its supreme. Infalible for piles. Only 25c at C. M. Shuford, Moser & Lutz, and W. S. Martin.

The man who hitches his horse to a pine shade-tree ought to be condemned to hold the hitching strap in his teeth until he learns better.

Mothers—Have you tried Hollister's Rocky Mountain Tea? It's a great blessing to the little ones, keeps away summer troubles. Makes them sleep and grow; 35 cents, Tea or Tablets Moser & Lutz.

Some foolish farmers sell all their corn at 30 to 50 cents a bushel and buy seed at \$1.50—often the very corn they sold. Bad business.

Farm mud sticking to a young man's boots is more becoming than shiny pants polished on a city park bench.

Trouble Makers Ousted.

When a sufferer from stomach trouble takes Dr. King's New Life Pills he's mighty glad to see his dyspepsia and indigestion fly, but more he's tickled over his new, fine appetite, strong nerves healthy vigor, all because stomach liver and kidneys now work. 25c at C. M. Shuford, W. S. Martin, and Moser & Lutz.

The J. I. Case Road Roller

Case 10-ton Road Roller Owned by Rowan County, N. C.
This County Owns Two Case Road Rollers.

After using one of your rollers for three years, we concluded to buy another one for chain gang No. 2. Our first one proved so satisfactory that we bought the second one, feeling that we could not get equal service out of any other roller. Price and convenience of roller considered, we think it the best on the market.

The Case road roller has given satisfaction so far as a road builder. It is a good steamer, burns either wood or coal, and has large tank for water. We have not paid out anything for repairs. It is as good a machine as can be bought for the same money.

Painting As An Investment

AN outlay of money can always be divided into two classes: Expense and Investment. It is always Expense when you do not receive full value for your money.

It is an Investment when you do receive full value. All paints can be classed in this manner. Some are simply Expense. Others are an Investment.

Some fall short of requirements. Others more than fulfill all requirements. Lowe Brothers "High Standard" Liquid Paint is an Investment paint. It more than fulfills all requirements.

With 35 years of experience in paint-making Lowe Brothers produce a paint that has a better covering capacity and will cover more square feet to the gallon than other paint.

Every can of "High Standard" Liquid Paint is full U. S. Standard measurement. All the ingredients used in "High Standard" Paint are the best quality obtainable. All the ingenuity, all the skill, all the best mechanical appliances are employed to make "High Standard" Liquid Paint the best that money or brains can produce.

The "Little Blue Flag" is the Lowe Brothers emblem of quality. It is on every can of "High Standard" Paint and Varnish—there's a special product for every need.

Just as dependable as "High Standard" Liquid Paint are Lowe Brothers Varnishes and Enamels, for exterior or interior finish, and Vernicol, a stain and finish for floors and wood work.

They are the best values to be had.
