

Greensboro Correspondent.

At a meeting of the Chamber of Commerce last night a paper was recommended and signed for the insurance of \$75,000 in school bonds for the purpose of improving and building more school room for the public schools.

The Guilford County Teacher's Association held a meeting Saturday in the courthouse for the purpose of electing officers and deciding upon the adoption of the course of study outlined by the State Department of Education for the coming year. Superintendent Thomas R. Foust presided and the following officers were elected: President, T. R. Foust; vice-president, Miss Mattie Wilson; secretary, Miss Florence Moore.

There is a strong possibility of the Thanksgiving football game between the Universities of North Carolina and Virginia, being played in Greensboro. The Carolina Alumni here will prosecute the matter.

The September term of the Guilford County Superior court came to a close Thursday. The docket was disposed of in a week and for the first time in twenty years the jail was cleared.

Col. M. E. Thornton, of Hickory, was here Saturday returning from New York City.

Miss Frances Long, 13-year-old daughter of Dr. J. W. Long, who drove her White Steamer to High Point Saturday to meet the Atlanta Journal Pathfinder, is the youngest chauffeur driving a White Steamer in the State.

The grand jury in the recent term of the superior court returned a true bill against T. F. Coble, the convict guard who killed Will Turner on September 6. Coble is still at large.

Gaither Holt, a young negro, was sentenced to 15 years in the state prison for criminally assaulting a 15-year-old negro girl at Gibsonville.

Gunpowder.

The farmers are very busy now preparing their wheat and oats land. Some have already commenced sowing oats and gathering corn. The corn crop seems to be fairly good. Sweet potatoes are good. A number of the farmers have been selling. The price was quite fancy for the first put on the market, but it is not so good now.

It is now in the heart of molasses making. The crop is not as good as usual.

We had a light frost Tuesday morning for the first this fall. It is earlier than usual. No damage, however, has resulted.

Messrs. Lon Sherrill and Lem Costner, of Hickory, spent Sunday in the country.

Several persons from this community attended the camp meeting at Wesley's Chapel Sunday, and report a pleasant time.

The health of the community is exceptionally good at present.

Lincoln's County Home.

G. W. Setzer, of Newton, was in our city last Saturday on business. It was our pleasure to meet him, and to have a pleasant chat with him. Mr. Setzer is a contractor and builder by profession and practice.

He has the contract and is building a new County Home for our neighbor county, Lincoln. Instead of repairing the old buildings, the County Commissioners decided to sell the old, and to buy land in a more suitable locality, and to erect modern and up-to-date buildings.

There will be three buildings. They will be heated with steam and be supplied with water and sewerage and electric lights. One building will be for the colored people, containing two rooms and necessary closets. One will be the sanitary. This will have two rooms, and also closets. The main building for the whites, will contain 26 rooms. F. B. Ingold & Co., of this city, have the contract to do the roofing. Every thing when fully completed, will cost about \$20,000.

We congratulate our neighbor county in this manifestation of its public spiritedness and for the regard it has for the comfort and safety of its poor and unfortunates.

Meeting of the County Teachers' Association.

The Teachers' Association will meet at the court house in Newton on the first Saturday in October, 1909, at 11 o'clock, a. m. The following program will be discussed:

Better teaching in our public schools—
(a) The demand for better teaching.

(b) How parents can aid the teacher to do better teaching.

(c) The teacher's preparation for better work.

(d) Proper classification and more regular attendance.

It is hoped that every teacher in the county will be present at this meeting of the Association and take part in the discussions.
GEO. E. LONG,
County Supt.

Price of Cotton.

The price of cotton has advanced again. There is no reason for it to be any lower. The crop now where is a full one this year, and there is not much old cotton on hand as it has been used.

Most mills only have scanty enough to run until the new crop comes in. We have one mill in this section that has enough cotton to run on until next year this time, but that is a rare exception.

Learned men tell us that in Latin the word "editor" means something "to eat." In Hickory its meaning is altogether different. It means to scratch around like blazes to get something to eat.

MANY TRAGEDIES REPORTED.

Several Sensational Happenings in Laurens County, Georgia.

Dublin, Ga.—A carnival of crime has swept Laurens county, Georgia.

About dark, three miles from the city, some one waylaid John Minton and Ringold Perry, two negroes, and killed Minton and seriously wounded Perry.

The white citizens, it is said, are raising money for a reward for the murderers, and Governor Brown will be asked to offer one.

At Montrose, it is reported, Will Rickerson was shot and killed by Carl Purser, and Purser was shot in the back three times by Ben Rickerson. The men were drinking, it is alleged. The row occurred over an old debt. The men are white. No arrests have been made.

Deputy Sheriff Renfro shot and seriously wounded a negro, Will Hunt, whom he was trying to arrest. The officer claims Hunt shot at him first.

ASPHYXIATED HERSELF.

In Deliberate Manner Atlanta Woman Dies By Her Own Hands.

Atlanta.—The coroner's inquest over the remains of Mrs. Steve Glass, who committed suicide at her home, 109 West Harris street, by asphyxiation, resulted in a verdict of death by the use of gas administered by her own hands with suicidal intent.

While alone in her room, Mrs. Glass, wife of the well known Marietta street merchant and former councilman from the Fifth ward, closed all of the doors and windows leading to her room, placed a rubber tube in her mouth, turned on the gas, and was dead in a few moments from inhaling the deadly fumes.

She was not discovered until several hours later, when her husband came home for supper.

UNDER GRAVE CHARGE.

Minister Accused of Abducting Girl From Her Home—Is Under Arrest.

Waukegan, Ill.—Rev. Wallace M. Stuckey, pastor of the Christian church of Williamsburg, Kas., and editor of The Williamsburg Star, is confined in the county jail on the charge of having abducted Lorena Sutherland, 16-year-old daughter of a wealthy farmer of Williamsburg, from her home. The girl also is in custody. She will be returned to her parents, and be used as a witness against the accused preacher.

In every principal feature the case is like that of Rev. Jere Knode Cooke, pastor of St. George's Episcopal church, Long Island, N. Y., who deserted his wife and children and fled to San Francisco with Loretta Whaley.

IN GALLOW'S SHADOW.

Five Men in Fulton County Tower Doomed to Die.

Atlanta.—Confined behind the grim bars of the Fulton county Tower are five men doomed to die within the next two months. It is the record—the largest number of prisoners ever held in the Tower at any one time under sentence of death.

Two of these prisoners are white men, John Harper and George Burge. The remaining three are negroes, Roger Merritt, Willard Webb and J. B. Kellogg. Of the quintet, two are condemned to hang on the Tower gallows, while the other prisoners are from other counties, confined in the Tower for safe keeping.

Buried City Found.

Mexico City.—An important archaeological discovery has been announced here by Professor Ramon Mena, who headed a government expedition to Otumba in the State of Mexico, which has uncovered a buried city of great antiquity. A pyramid similar to that uncovered at San Juan de Toxtlacan has been exposed. The pyramid is 60 feet in height and measures 200 feet square at the base. The remains indicate that the city was built and occupied in the time of the Toltecs.

One Killed; One Hurt.

Livingston, Ala.—While attempting to cross the Alabama Great Southern railway track in a wagon with a bale of cotton, George Ware and his sister were struck by a passenger train. The woman was killed outright and the man was fatally wounded. The wagon and bale of cotton were demolished, but the team was unhurt.

Attempted to Loot Town.

Opelika, Ala.—A band of robbers attempted a general ransacking of the town of Standing Rock, Ala., in which they blew open the safe in the general merchandise store of J. M. Brown, securing \$100, stole a quantity of clothing and robbed a freight car on the Atlanta, Birmingham and Atlantic railroad of a quantity of food supplies.

Wilson May Retire.

Washington.—The report that Secretary Wilson, of the agricultural department, is soon to retire, is again current.

Scott Heads State Militia.

Atlanta.—Andrew J. Scott has been re-appointed adjutant general, and William G. Obeir quartermaster general of the national guard of Georgia. Subscribe for The Democrat

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling string or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage.
