

THE ONE SURE WAY

to have money is to save it. The one sure way to save it is by depositing it in a responsible bank. You will then be exempt from the annoyance of having it burn holes in your pockets, and aside from the fact that your money will be safe from theft, the habit of saving tends to the establishment of thrift, economy, discipline and a general understanding of business principals essential to your success.

To those wishing to establish relations with a safe, strong bank, we heartily extend our services.

Mother's Day Services.
Mother's day services at the Baptist church Sunday were largely attended, and were very appropriate and impressive. The songs very fitting and produced quite an impression on the whole congregation. Rev. Harte's sermon was to the point, and his appeal to remember father and mother stamped itself upon many hearts. One travelling man was very much impressed with it and said: "I am going right to my room and write my mother a love letter." Don't you know that mother was overjoyed to get such a letter from her boy.

W. O. W. Banquet.
One of the most sumptuous repasts that has been served in Hickory for some time was that of the W. O. W. in the large hall on the first floor of the Academy of Music Wednesday night. Everything to eat one could wish for was elegantly prepared and served in the best of style by a half dozen young ladies of the city and assisted by about the same number of young men. A large membership of the order were present which numbers about seventy-five; having with them their wives and daughters, sweethearts, etc. The entire order was pleased to number among their guests several of the ministers and their wives. The occasion throughout was a most pleasant affair; everyone being served with good things to eat, after which a smoker took place for an hour. The occasion means much for the noble order of the W. O. W. and we hope soon to see its membership in Hickory grow to five hundred strong.

The cornerstone of the Reformed church being erected on the corner of 13th street and 11th avenue was laid with impressive ceremony on last Tuesday by the pastor, Dr. Murphy. The audience assembled in the church and after a short service conducted by Rev. Beck, of Startown, marched across the street. The following clergymen were present: Revs. Murphy, Keller, Rowe and Beck of the Reformed church, Rev. Moody of the Episcopal church, Dr. Moser of the Lutheran church and Rev. Harte of the Baptist church.

Dr. Murphy laid the stone placing various articles in it among which was a copy of the Democrat. Rev. Prof. Keller of Claremont college led the prayer, and Rev. Rowe made a short address. "Joshua Simpkins"
A four act New England play, will be presented at the Academy of Music, Tuesday, Oct 26th.
The climax of stage realism, it is asserted, has been reached in the presentation of the stirring saw-mill scene in "Joshua Simpkins," and will be presented in this city by a peculiar mechanical device which has never been introduced here before. This saw-mill scene is claimed to be a vast improvement over any attempts in a similar line. The company also boasts of a splendid orchestra, which is carried complete by the organization, to aid in the proper presentation of the play, which is said to abound with musical and dancing specialties of a high order. To assist "Joshua Simpkins" in popularity, a band of music is also carried, and a concert is given which is said to be far above anything usually heard with a travelling musical organization. The parade will leave the theater at the usual time and take the usual route, making a burlesque parade. Prices 25, 50 and 75 cents.

Do You Get Up With a Lame Back?
Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything, but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble.

When writing mention reading this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble.
Dr. Kilmer & Co., Home of Swamp-Root, Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
