

THE ONE SURE WAY

to have money is to save it. The one sure way to save it is by depositing it in a responsible bank. You will then be exempt from the annoyance of having it burn holes in your pockets, and aside from the fact that your money will be safe from theft, the habit of saving tends to the establishment of thrift, economy, discipline and a general understanding of business principals essential to your success.

To those wishing to establish relations with a safe, strong bank, we heartily extend our services.

Children Cry FOR FLETCHER'S CASTORIA

FOR CONSTIPATION.
A Medicine that Does Not Cost Anything Unless It Gives Satisfactory Relief.

If you suffer from constipation in any form whatever, acute or chronic, we will guarantee to supply you medicine that we honestly believe will effect permanent relief if taken with regularity and according to directions for a reasonable length of time. Should the medicine fail to benefit you to your entire satisfaction we promise that it shall cost you nothing.

No other remedy can be compared with Rexall Orderlies for the easy, pleasant and successful treatment of constipation. The active medicinal ingredient of this remedy, which is odorless, tasteless and colorless, is an entirely new discovery. Combined with other valuable ingredients, it forms a preparation which is comparable as a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy, and are notable for their gentle and agreeable action. They do not

cause cramping or any disagreeable effect or inconvenience, and may be taken at any time, day or night.

We particularly recommend Rexall Orderlies for children and for delicate or aged persons, because they do not contain anything injurious. Unlike other preparations, they do not create a habit, but instead they overcome the habits acquired through the use of ordinary laxatives, and harsh physic, and remove the causes of constipation or irregular bowel action that are not of surgical variety.

We want you to try Rexall Orderlies at our risk. We know of nothing that will do you so much good. They are prepared in tablet form in two sizes: 36 tablets 25 cents, and 12 tablets 10 cents. Remember you can obtain Rexall Remedies in Hickory only at our store,—The Rexall Store. The W. S. Martin Drug Co.

THE Man and the Job

If a boy can sweep the floor well the chances are he will succeed in anything he feels capable of attempting. The process of sweeping out the office, if done well is a test of thoroughness. Thoroughness is a qualification the possession of which is a sure guarantee of attaining the desired end. He who can get in to the nooks and corners with his broom is bound to keep clean the most intricate detail and extend his efforts to the remotest remains of his enterprise.

They tell the story of a young man who came into the office of a Philadelphia newspaper and asked for a job.
 "What can you do?" demanded the person in charge.
 "Oh, I can either sweep your office or edit your paper," replied the boy with unoffended pleasantry.
 "Then go ahead and sweep the office," returned the other.
 That was ten years ago and today that young man, who was both willing to sweep and sweep well is editor of the newspaper.—Selected.
