

HANDICAPPED.
Teis is the Case With Many Hickory People.

Too many Hickory citizens are handicapped with a bad back. The unceasing pain causes constant misery making work a burden and stooping or lifting an impossibility. The back aches at night preventing refreshing rest and in the morning is stiff and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently. Can you doubt Hickory's evidence?

J. M. Pout, Eighth St., Hickory, N. C., says: "I suffered severely from a lame and aching back for several years. There were also severe pains through my loins and a soreness across my kidneys. I felt weak and languid and was in a miserable condition when I began using Doan's Kidney Pills, procured at Moser & Lutz's drug store. Since that time I have steadily improved, the pains have diminished and I have felt better in every way. I know that Doan's Kidney Pills are an excellent kidney remedy."

That Lame Back Means Kidney Disease

And to Relieve the Lame and Aching Back, You Must First Relieve the Kidneys

There is no question about that at all—for the lame and aching back is caused by a diseased condition of the kidneys and bladder. It is only common sense, any way—that you must cure a condition by removing the cause of the condition. And lame and aching back are not by any means the only symptoms of derangement of the kidneys and bladder. There are a multitude of well-known and unmistakable indications of a more or less dangerous condition. Some of these are, for instance: Extreme and unnatural lassitude and weariness, nervous irritability, heart irregularity, "nerves on edge," sleeplessness and inability to secure rest, scalding sensation and sediment in the urine, inflammation of the bladder and passages, etc.

DeWitt's Kidney and Bladder Pills are an exceptionally meritorious remedy for any and all affections or diseased conditions of these organs. These Pills operate directly and promptly—and their beneficial results are at once felt. They regulate, purify, and effectually heal and restore the kidneys, bladder and liver, to perfect and healthy condition—even in some of the most advanced cases.

E. C. DeWitt & Co., Chicago, Ill. want every man and woman who have the least suspicion that they are afflicted with kidney and bladder diseases to at once write them, and a trial box of these Pills will be sent free by return mail postpaid.

You Don't HAVE to be a Stoker

Heaving coal into a furnace and shoveling ashes out is hard work. Besides, coal costs money. If you go to your heater more than three times in twenty-four hours, you are wasting time and labor, and throwing away coal. And the chances are that your house is not comfortable all through. You should install the

MODEL Heating System

It almost takes care of itself. Burns every pound of coal completely, getting every bit of heat out of it. Distributes the heat uniformly, by steam or hot water, to every radiator in the house. Keeps all rooms warm and cozy whether on the "windy side" or "over the heater." Makes no dust, and fewer ashes than a hot air furnace, because it burns less coal, and burns it thoroughly. Thousands are in use, saving from one-third to one-half the former consumption of coal. Quite a desirable saving.

THE LEDOM RANGE

The Ledom is as good a kitchen range as the Model is a heating system—which is saying a great deal. Its grate alone saves half of the usual coal consumption, and makes it the ablest, quickest, most convenient range ever built. Don't fail to see it.
