# A Delightful

Harrisburg Conference.

An Engineer-The Capitol and its Graft Always go Together

The Democrat has received the following letter from President R. L. Fritz of Lenoir College:

not the papers in all the towns along the line help push this?

Washington, D. C., June 28, 1910.

Dear Mr. Banks: I am just returning from a General Lutheran Educational Conference held at Harrisburg. Pa. Possibly some of the things I saw and mine, and who lives in the centre of the Thursday morning at 2:30, I redistrict accessible to every part of it. Catawba has been modest in what she tired in Harrisburg—an illustratired in Harrisburg—an illustratired in Harrisburg—an illustraan church. A definite statement where it is estimated that 9000 service in this country to-day.

At Salisbury I heard the porof winning. Every demand of the situation is met in Cline. He is the ideal called to memory my childhood friend and school-mate. At stream and the many railroad furnish an immediate market for Greensboro I found a slender, athletic fellow with glints of gray in his hair oiling his impatient engine. He could not recognize most I would not recognize
