

THE HICKORY DEMOCRAT

Established 1899

HICKORY, N. C., THURSDAY, FEBRUARY 2, 1911.

Democrat and Press, Consolidated 1905

ON THE SOUTH FORK.

Cyrus Yoder Travels Clear Across the Map—Personals.

Correspondence of the Democrat.
Jacob's Fork, Jan. 30.—This cold spell has frozen out all the general news in this vicinity.

It caused a delay in plowing operations. But some few farmers did not stop.

The young folks are having their social and box parties, as they call them.
Cyrus N. Yoder, a lumber inspector at a saw mill in California, near Savona, has been to Texas to visit his brothers, who live there, and has returned to California. He went by way of Chicago, through North Dakota and Montana, to visit his sister, Lilly, who is employed in a hotel on the main line. From there it takes him about 40 hours to reach his home.

Miss May Finger, a trained nurse, is on a visit to her sister Blanche, who is also a trained nurse in Virginia.

Some few farmers have been hauling potatoes to Charlotte for the last few weeks.

D. L. Leonard has bought Miss Mary Finger's pine land at \$32 per acre.

Rufus Helton will soon finish sawing the pine timber bought of Lee Yoder. He is getting out lumber to build a large commodious barn.

Enloe Yoder, the County Surveyor, has been surveying land about Plateau.

The young people had a box party at the Yoder school house the past Saturday night and realized about \$16 in clean cash.

Ralph Yoder's Texas measles that he brought home has about played out.

Charles Shuford has completed his new house which will be occupied this coming week.

Sam. V. Yoder is still at his father, F. A. Yoder's, recuperating from the rheumatism.

All is very quiet now, though there has been some trouble in the neighborhood that will be settled ere long, we hope.

There was some drinking of booze by some of the young men, of which they ought to be ashamed in walking in such a course of evil.
COLONEL.

Her Life a Burden

Ratcliff, Tex.—In a letter from Ratcliff, Mrs. Mattie Campbell says, "My health was very bad. I suffered untold misery every month, and at times, I wished for death to end my suffering for life was a burden to me. I tried Cardui, and it helped me right away. Cardui has stopped my suffering, made life worth living, and filled my home with joy and happiness." If you suffer as Mrs. Campbell did, Cardui will certainly help you, as it did her. Why not try it?
11

Salt as a Fertilizer.

Bucklen's Almanac for 1911 is an extremely useful and instructive publication. The following is only an illustration of the many good hints in it:

The French and German Agriculturist recommends salt per acre, for clover, 150 lbs.; for wheat or flax, 250 lbs.; and for barley and potatoes, 300 lbs; to be sown broadcast early in the season. It keeps the land cool and moist. It neutralizes drow. It exterminates all soil vermin. It prevents potato rot and glazes and stiffens straw, preventing crinkling and rust. It keeps the ground in such condition that the berry of many kinds of grain fills plumply, regardless of long continued hot and dry weather.

HERE IS A REMEDY THAT WILL CURE ECZEMA

"We prove it"

Why waste time and money experimenting with greasy salves and lotions trying to drive the eczema germ from underneath the skin when Moser & Lutz Drug Store guarantees ZEMO, a clean liquid preparation for external use to rid the skin of the germ life that causes the trouble? One application will relieve the itching and often times one bottle is sufficient to cure a minor case of eczema.

In over 2,000 towns and cities in America, the leading druggist has the agency for ZEMO and he will tell you of the marvelous cures made by this clean, simple treatment. ZEMO is recognized as the cleanest and most popular treatment for eczema, pimples, dandruff and all other forms of skin or scalp affections whether on infant or grown person. Will you try a bottle on our recommendation?

Hickory Wan's a New Depot.

Over 500 Business Men Want it West of Twelfth Street.

Hickory must have her new depot before the year is out. Mr. W. P. Huffman, one of the Huffry's genial proprietors, has just finished a canvass in which he has secured a remarkably fine petition containing over 500 names asking that the depot be placed just west of 12th street crossing near the old Presbyterian church. Nearly all the manufacturers and merchants have signed and the lawyers and physicians. The town seems to be practically a unit to have it in this fine situation. The Huffry Hotel was built about ten years ahead of the town, as a modern hostelry, and for its sake alone we should like to see the hotel put at this place.

Two hundred travelling men have signed a petition to the same effect.

A parkway is provided for from 13th st to the depot and driveway at the rear at the limit of the railroad's right away.

And now that the site is decided, let us have the depot, please, Mr. Finley.

Texas Woman Near Death

Wills Point, Tex.—In a letter from Wills Point, Mrs. Victoria Stallings says: "I was afflicted with womanly troubles, had a dreadful cough, and suffered awful pains. I certainly would have died, if I had not been relieved by taking Cardui. Now I am stronger and in better health, than I ever was in my life. I can't say half enough for this great medicine." Do you need relief? Cardui will help you. Try it for your womanly troubles. Its age is its guarantee. It cures.
10

Catawba Items.

Correspondence of the Democrat.

Miss Winnie Reid, of Sherrill's Ford, spent Saturday night and Sunday with her parents, Mr. and Mrs. C. A. Reid.

Mr. and Mrs. T. F. Hudson, of Spencer, came up Saturday to visit Mrs. Hudson's parents, Mr. and Mrs. J. H. Pitts.

Mr. Cleveland Little, of Newton, spent Saturday night here, the guest of his mother Mrs. Ava Little.

Mr. Zeb Reid, of Asheville, is spending a few days with his parents, Mr. and Mrs. C. A. Reid.

Miss Bertha Herman spent the week-end with homefolks, near Coover.

Rev. B. Wilson is visiting relatives near Stokesville.

Messrs. J. F. Gilleland and Nat Reid, of Asheville, and Oscar Marvin, of Statesville, were among the Sunday visitors.

Miss Nadie Oswalt, of Enfola, is the guest of Misses Bessie and Maud Smith.

Mr. J. L. Lawrence, of Roanoke, Va., was registered at Catawba Inn Monday.

Helpless As a Baby

Valley Heights, Va.—Mrs. Jennie B. Kirby, in a letter from this place, says: "I was sick in bed for nine months, with womanly troubles. I was so weak and helpless, at times, I couldn't raise my head off the pillow. I commenced to take Cardui, and I saw it was helping me, at once. Now, I can work all day." As a tonic, for weak women, nothing has been found, for fifty years, that would take the place of Cardui. Try a bottle today. It will surely do you good.
8

There is a remarkable fine likeness of President Finley, of the Southern Railway in Moser & Lutz window. It is a little cartoon said to be the work of Mr. Fred Flagler.

Stopped Those Pains

Timberville, Miss Gertrude Gatlin, of Timberville, writes: "I did not know anything could stop those womanly pains, from which I suffered for two years, until I tried Cardui. I had been troubled with various female ailments, but they were cured in a little while, thanks to Cardui." Cardui is especially adapted for use by ailing women. It relieves headache, backache, dragging feelings, irregularity, nervousness, misery, and womanly weakness. It is safe. It is reliable. It does the work. Will you try it? Please do.
7

Last Saturday was too busy a day for many of the poultry dealers to attend the meeting called at the Democrat office. A mid-week date will be arranged soon.

Children Cry FOR FLETCHER'S CASTORIA

The Week in the Women's Clubs.

Jan. 26th Mrs. F. A. Abernethy was the hostess of the Travellers' Club in her home set on a high hill among the many in that picturesque part of the town. Quotations were upon Agriculture, in reference to that wonderfully fertile ribbon of green that follows the Nile. Miss Geitner, for Mrs. W. L. Abernethy, gave the subject, "Education: The University of El Azhar and the Museum." Mrs. K. C. Menzies presented the topic, "Among the Felahien," the Egyptian Peasantry. Current events and refreshments in courses closed a very pleasant meeting. The next meeting, Feb. 2nd, will be with Mrs. J. H. Shuford.

Mrs. Bryan Jones gave a card-party in honor of Mrs. Strachan, of Salisbury, Jan. 27th. Six tables of six handed euchre and the delightful refreshments were thoroughly enjoyed. Mrs. Chalmers Hall, of Utah, Mrs. Allen, of Greensboro, who is visiting Mrs. A. A. Shuford, Jr., and Miss Lillie Jones, of Patterson, were out-of-town guests. Miss Louise, the daughter of the hostess, and little Miss Virginia Hall assisted Mrs. Strachan received silk hose as a guest-souvenir. Mrs. Allen and Mrs. A. B. Menzies drew for the prize, a box of hand-embroidered handkerchiefs, which Mrs. Allen won and generously shared with her competitor. Those who drew the four Queens received packs of cards.

The Embroidery Club met last Thursday with Mrs. Roy Abernethy. In addition to the members, Mrs. Hoffmann and Misses Annie Duke, Mattie Abernethy and Pinkey Forney were present as visitors. After an hour or more spent in fashioning dainty creations in crochet and embroidery, delicious refreshments were served. The next meeting will be with Mrs. J. W. Blackwelder.

Notes From Gunpowder

Written for the Democrat.

Mrs. Myra Sherrill died last Saturday evening at about 7 o'clock of pneumonia fever, and was buried Sunday afternoon at Rocky Mount church. In the absence of her pastor, Mr. Holloway, her funeral was preached by Mr. Sanford, of the Granite Falls station. A large crowd attended the burial, attesting the high esteem in which the deceased was held. Her husband, Wm. W. Sherrill, was not able to be at the funeral, he having been in bed with pneumonia and only able to be about in the house.

Mrs. Sherrill was about 83 years old, had been very delicate for a number of years. She had been a member of the Methodist church almost from childhood. She was unassuming having passed a very quiet life as homemaker. We extend sympathy to the bereaved ones.

Work is now being done on the old road just north of the Catawba bridge. It is proposed to build a bridge over the branch and about the steep part of road at the top of the hill and open up the road to the public. The new road has been a disappointment. During rainy the weather it becomes almost impossible to pass over it with empty wagons, much less loaded.

MAKE THIS TEST

How to Tell if Your Hair is Diseased

Even if you have a luxuriant head of hair you may want to know whether it is in a healthy condition or not. 98 percent of the people need a hair tonic.

Pull a hair out of your head; if the bulb at the end of the root is white and shrunken, it proves that the hair is diseased, and requires prompt treatment if its loss would be avoided. If the bulb is pink and full, the hair is healthy.

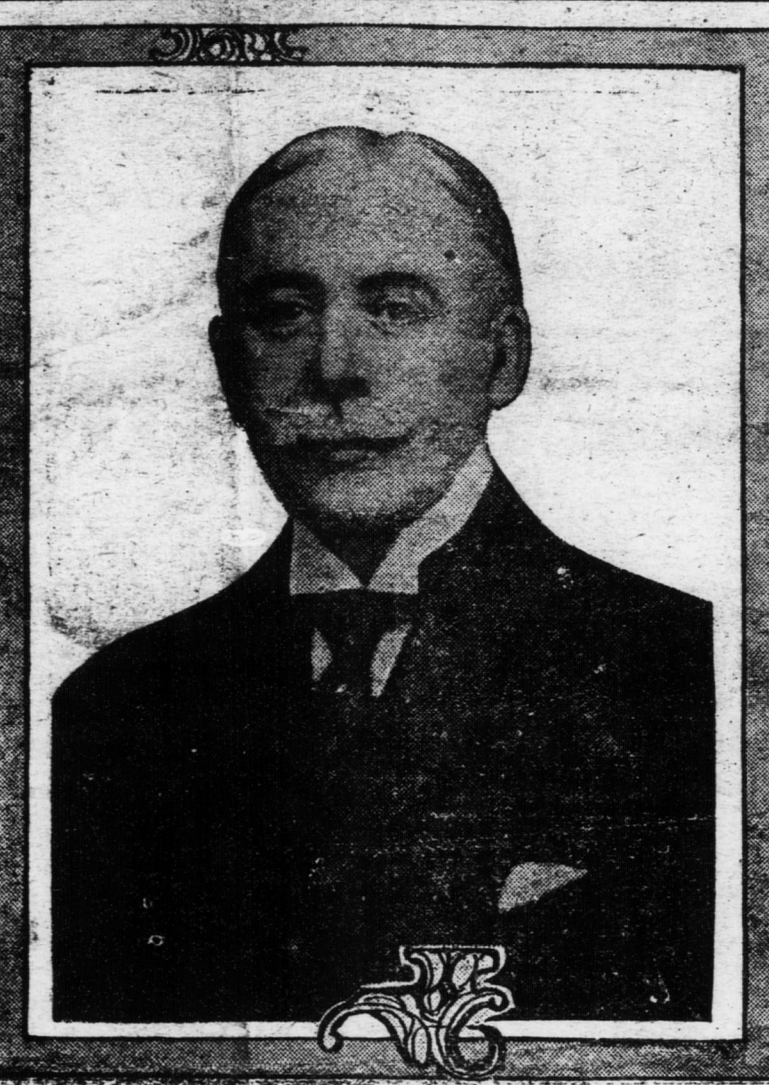

We want every one whose hair requires treatment to try Rexall "93" Hair Tonic. We promise that it shall not cost anything if it does not give satisfactory results. It is designed to overcome dandruff, relieve scalp irritation, to stimulate the hair roots, tighten the hair already in the head, grow hair and cure baldness.

It is because of what Rexall "93" Hair Tonic has done and our sincere faith in its goodness that we want you to try it our risk. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store The Grimes Drug Co.

Mrs. A. L. Whitner is very ill this week.

Children Cry FOR FLETCHER'S CASTORIA

\$50,000 a Year Steel Trust Head Began Work at \$5 Weekly

JAMES A. FARRELL, who hereafter will draw \$50,000 a year as president of the United States Steel corporation, is forty-eight years old and has been in the steel business since he was sixteen. He began as a humble workman in a wire mill in New Haven, Conn., where he was a foreman and was getting comfortable wages. Then he decided that Pittsburg was the place for a man who knew as much about the steel business as he did, so he went to Pittsburg. He remained there in various capacities with steel and wire concerns until the billion dollar steel corporation was formed, when he became president of the United States Steel Products Export company, the export department of the parent concern. He has held that position for eight years, during which time the export business of the corporation has shown steady gains. It was his work in this capacity that caused his selection to his new post. Mr. Farrell lives in Brooklyn. He is married and is the father of two boys and three girls. He has a great capacity for work and usually spends ten to twelve hours daily at his desk.

PLENTY OF HANDS.

More Applying Than Are Needed at the Ivey Mill.

Correspondence of the Democrat.

West Hickory, Jan. 30.—For the past two weeks quite a number of new hands have come to the Ivey mill to work, from different parts of the country; from South Carolina, Virginia and different mills in this State. Capt. Cole, the new Weave room overseer, says he has all the hands he can furnish work and he is still having a number of hands applying for work every day.

J. W. Fox, one of the section hands here, went to Newton one day last week on business.

Vance Harris who had been working here for some time went to Brookford last week to work in the mill.

Mrs. W. L. Long has been very sick with pneumonia for several days but we are glad to say is now a little better.

W. P. Butler who had been working in the Ivey mill for several months moved to Brookford one day last week to work in the mill.

Van Clark who left here several months ago and went to Danville, Va., has returned and went to work in the mill here again.

It seems that the hands who leave here and try the work at other mills decide that the Ivey mill is the best place to work and soon return.

Tom Lavender and family moved from here to Rhodhiss last week.

Sam Coulter and wife have returned and are working in the Ivey mill. They are boarding with Mr. A. J. Drum.

Miss Essie Osborne from Rhodhiss has been working in the mill for several days and boarding with Mrs. Perdue.

Mr. C. Fulbright and family moved into the Barger house on orchard street last week.

I close with best wishes for the Democrat.
IOTA

Notice.

Beginning Feb. 2nd, 1911, the Skating rink will be open from 5 to 7 p. m. for boys and girls. This is necessary on account of the increased patronage. Boys skating 10 cents. Girls skating free.

From 7 to 10:30 p. m. will be for ladies and gentlemen. Gentlemen skating 25c. Ladies skating free.

Ladies wishing to learn Roller Skating may have private skating for an hour or two in the afternoon.

Special attention given Collage students on Monday night.
No admission charged.
ALEX SALTON, Mgr.

Claremont College Letter.

This week ending the second quarter the girls are anxiously awaiting their reports.

Miss Maggie McDowell of Morganton was a welcome visitor at the College, visiting her niece, Miss Elizabeth McDowell, one of the students.

Many of the students and the faculty enjoyed the Shakespeare reading given at Lenoir College by Mr. and Mrs. Hannibal Williams.

Miss Hoffman with her mother and Mrs. Roy Abernethy visited Catawba College on Saturday, Jan. 28.

The Bible class continues to increase in number and grow in interest. Through the courtesy of friends each member of the class has been presented with a booklet, "The Wonderful Story of How the Bible Came Down Through the Ages," with Introduction by Rev. W. W. White, D. D. the great Bible Teacher.

Each member of the class will be required to read this booklet carefully and then write a synopsis of the same.

Miss Ethel Stroup has been called home on account of the sickness of her younger sister. The information is that the little girl is improving and that Miss Ethel would return soon.

Room no 8 on Long Hall has been fitted up as a reading room. Magazines and papers are placed there for the girls and others to read. The Department of Domestic Art has grown beyond the highest expectation. The wisdom of introducing dressmaking and sewing is fully demonstrated.

Miss Deborah Coe of New York is expected to arrive soon and take up her abode at the College. Miss Coe's prime object in coming is not to enter the school, but to enjoy the climate.

No 2 of the Collegian has just been received. The contents make interesting reading and the appearance of the Magazine is very attractive. The price is 75 cents a year and it is hoped that many of the friends will subscribe. Prof Keller will assist the girls in the business management.

The next of the Monday Evening Entertainments will be on Feb. 13. An attractive programme is being prepared.

Sedentary habits, lack of outdoor exercise, insufficient mastication of food, constipation, a torpid liver, worry and anxiety, are the most common causes of stomach troubles. Correct your habits and take Chamberlain's Stomach and Liver Tablets and you will soon be well again. For sale by All Dealers.

Hickory Gains Fifty Per Cent.

Its Population in Including Suburbs Given as 6017.

A telegram from Hon. E. Y. Webb to the Democrat on Wednesday announced the following figures for Hickory's population: Hickory proper 3716; West Hickory 846; Longview 243; Highland 487; making a total of 5292 for "Greater Hickory", as all this territory blends with Hickory. Brookford's people number 725, making the total for Hickory and its suburbs 6017.

This a gain of practically 50 percent in the decade. Statesville has 4995 people a gain of 50 percent; Newton 2316; and Lenoir 3300, a gain of about 300 percent.

Catawba College Notes

Correspondence of the Democrat.

Newton, Jan. 30.—On Tuesday morning the Civic League held its first meeting after the holidays. Thirty eight dollars had already been turned in and about \$20 was on hand but had not yet been handed over to the treasurer: the secretary then called the roll and the students and faculty pledged themselves for at least \$51.

On Thursday of last week the college Dramatic Club was organized with 17 charter members and the following officers: G. Ermine Plott, president; Chas. Thompson, vice-president; J. K. McConnell, secretary; and J. C. Peeler, treasurer. Friday night a constitution was adopted and plans were made for presenting some plays and giving some minstrel entertainments in the near future.

Two trees are being removed from the campus and plans are being made to have the others trimmed, also to have the front of the campus plowed up and sowed with grass seed. Rev. C. C. Wagoner from Maiden visited the college this week. Rev. W. W. Rowe, formerly teacher of English is now teaching both the ancient and mediaeval and modern history classes for Prof. Buehheit.

An illustrated lecture on the Passion Play is to be given next Thursday night.

CAUSES 95 PER CENT OF DISEASES

Advice Concerning Stomach Troubles and How to Remedy Them

Do not neglect indigestion which leads to all sorts of ills and complications. An eminent doctor once said that ninety-five per cent of all the ills of the human body have their origin in a disordered stomach.

A physician who made a specialty of stomachic troubles, particularly dyspepsia, after years of study perfected the formula from which Rexall Dyspepsia Tablets are made.

Our experience with Rexall Dyspepsia Tablets lead us to believe them to be the greatest remedy known for the relief of acute indigestion and chronic dyspepsia. Their ingredients are soothing and healing to the inflamed membranes of the stomach. They are rich in pepsin, one of the greatest digestive aids known to medicine. The relief they afford is almost immediate. Their use with persistency and regularity for a short time brings about a cessation of the pains caused by stomach disorders.

Rexall Dyspepsia Tablets will insure healthy appetite, aid digestion and promote nutrition. As evidence of our sincere faith in Rexall Dyspepsia Tablets, we ask you to try them at our risk. If they do not give you entire satisfaction, we will return you the money you paid us for them, without question or formality. They come in three sizes, price 25 cents, 50 cents and \$1.00. Remember you can obtain them only at our store.—The Rexall Store. The Grimes Drug Co.

Two of Hickory's popular young men, Messrs. Frank Henderson and Weston Clinard have their birthday fall on the same day, January 20. In honor of this event they gave a delightful birthday dinner at 7 o'clock last Friday evening to a number of young men at the home of Mr. Henderson. A number of dainty courses were thoroughly enjoyed by those at table, Messrs. George Blackwelder, Carrol Bost, Roy Stapp, Hugh D'Anna, George Kirpatrick, Albert Abernethy, R. Fulton, Rob Martin, Horace Lutz, Miles Henderson, Weston Clinard and Frank Henderson.—Hickory society correspondent Charlotte Observer.

Newton has 2,613 population, but figures for Hickory are not yet out.

Business Builders

Wanted—a first-class man to make small moldings for house trim. Azalea Woodworking Co., Azalea, N. C.
