

## The Right Combination

Every manufacturer of shoes knows that he can play up any one feature he cares to in producing a shoe to sell. He can make it stylish or comfortable, or he can turn out a shoe so heavy and stocky it will never wear out. He also knows that a nicely balanced combination of these three shoe virtues is about the hardest problem in shoe making.

## The Southern Girl

**\$2.00—Shoe—\$2.50**

owes its reputation and its many friends to the fine sense of proportion of style, comfort and durability, each to each.

You never saw better style—a neater, snappier shoe. Your foot never knew greater comfort than The Southern Girl Shoe will give. Once you've worn a pair you'll say you never got better value in wearing quality. Look up our dealer in your town and let him show you the line.

## Unexpected Guests

The farmer and his wife were about to sit down to a cold supper when they saw some old friends driving towards the house.

The good wife was equal to the occasion—thanks to her New Perfection Oil Cook-stove.

She had it lit in a moment, and her guests hardly were seated on the porch before a hearty hot meal was ready for the table—sausages and eggs and long rashers of streaky bacon, and rolls just crisped in the oven and fresh coffee—and the hostess herself as cool and neat as if she had not been near the kitchen.

She never could have managed it with an old-fashioned range. The New Perfection is the quickest, most convenient and best cooker on the market.

Made with 1, 2 and 3 burners, with top, turquoise blue enamel chimneys. Handily finished throughout. The 2- and 3-burner stoves can be had with or without a cabinet top, which is fitted with drop shelves, towel racks, etc. New shipment of ladies skirts, parasols, dress goods, etc. Dealers everywhere; or write for descriptive circular to the nearest agency of the

as you might be if you still judge values by prices instead of by qualities. What you pay for dry-goods for instance does not matter so much as what you get for your money. If you do your dry goods buying here you'll get real values, much greater in fact than if you paid a little less and got a great deal worse. "Get wise." ## "The Dream is Short--Repentance Long"

A good head line to fix well in your head. Especially in these days of buying new Spring men's wear.

There's many a suit, plus an attractive price card; in many a clothing store window that seem the dream of tailoring perfection—in the window. But you cannot use it, as the store does, to decorate a window with.

Rushing to buy such suits, lead by the price ticket, may give you something to repent for many a day.

Look at the suit—not the fancy price ticket—look at it well and consider how it will look in eight weeks.

Better not experiment—come here instead—the store of satisfaction.

## TAYLORSVILLE TO THE FRONT.

Taylorsville has taken the place at the head of the class as a town that stands for sanitation. She is forging to the front as a health resort and is waking up as a business town. She has quit ringing the fire bell every time she killed a beef. The last bulletin of the State Board of Health bestows high praise on Taylorsville for taking advanced steps to prevent typhoid fever by the house fly dissemination. Taylorsville has had some typhoid fever in the past but has determined to have no more. She has adopted the following ordinance which Hickory would do well to adopt for parts of the city which do not have sewerage connections:

Section 1. All privies or places where human excrement is deposited within the corporate limits of the town of Taylorsville, other than sanitary privies, are hereby declared a nuisance and illegal, and any person permitting the same to remain on his or her property after April 10, 1911, shall be deemed guilty of a misdemeanor and fined five dollars, and every twenty-four hours it is allowed to remain, shall be considered a separate offense. By sanitary privy, wherever it occurs in his ordinance, is meant a receptacle for human excrement which will not allow leakage, and is enclosed in such a way that it is absolutely fly-proof.

Sec. 2. The owner of every dwelling house, or place where persons live, in the town of Taylorsville shall provide the person occupying the same with a sanitary privy not later than April 10, 1911, and any person failing to do so shall be deemed guilty of a misdemeanor and fined five dollars, and every twenty-four hours that he fails to do so shall be deemed a new offense. In the case of a nonresident owner of property, notice or service of papers on his agent is hereby declared to be notice or service to such nonresident, and if fine is imposed, either the principal or both, shall be held subject to such fine.

Sec. 3. All privies must be thoroughly cleaned out by the occupant of the premises before Wednesday morning of each week from April 1st to December 1st, and every two weeks from December 1st to April 1st, and the excrement buried, at least one hundred and fifty feet from any well or spring and covered with at least six ft. of soil. Any person violating this section shall be deemed guilty of a misdemeanor and fined five dollars for each offence.

In the absence of her pastor, Dr. O'Kelly, of the First Baptist church, Rev. Hight C. Moore performed the ceremony. They left on the 4 o'clock train for their home in Hickory.

To the many kind friends of Miss Gladys Raymo who may not hear direct from her, we will say there has not been much change in her condition since coming home. She has remained in bed, as per doctors orders, but will be getting out again pretty soon. Despite her sickness, she says she "had a good time in Hickory, and some day wishes to return." She is smiling still. O. R.

## Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose. Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonials received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
