Glenn Outspoken for C. B. Aycock

Ex-Governor, Carrying Out Former Promise, Eulogizes

Marble Works, has just erected principles. His Friend.

Ex Gov. Robert B. Glenn being in the city on one of his home insisted on the presentative of the Democrate albed upon high to ask him. If he did not object, to tell who he favored for the Stenate in the present center.

The Governor spoke very freely and frankly. He said for the Stenate in the present center. And former least giant of the stenate in the present center. And former spoke very freely and frankly. He said for the Stenate in the present center. And former spoke very freely and frankly. He said that the comparison was to be congrately and the spoke in the grove in the four cardidates, every one or whom was worthy of respectant on the confidence, and no matter who would be the choice for the Seminative of the Congresses.

He loved his fellowman, the loved his fellowman, the loved his fellowman in 1888 while in the campaign for redeeming North Carolina was to be made the present cannot be a few of the stem of the present cannot be a few of the stem of the present cannot be a few of the stem of the present cannot be a few of the congrate and a montant who would be the choice for the Seminative of the congrate and the stem of the congrate and the congrate and the stem of the congra ever he ran for the United States Senator Lorimer in any eastern Senate, he would give him his North Carolina land deals or any Senate, he would give him his cordinal and deals or any western land deals, or that he cordial and hearty support and while in this campaign he would not do or say anything to injure representations. North Carolina land deals or any western land deals, or that he we we we we we we well as the land deals and the land deals are well as the land deals are well as the land not do or say anything to injure ever. Lorimer did consult with the other candidates, he would him about certain swamp lands the election of Mr. Aycock. He and Aycock had been lifelong friends and the trait in Aycock's It has come to me by correscharacter that he loved most of It has come to me by corresall was his unselfishness, doing what he had to do not for the circulated in continuous that it is being quietly but diligently was i purpose of helping himself but where my financial condition is others.
