Lorimer and the Y. M. C. A.

In the Congressional Director, he list of Washington addresses of Senators is mostly a catalogue of fashionable residence streets and pretentious hotels, until you come to William Lorimer of Illinois; opposite his name is the address "Y. Probably it would be questionable taste to allude to this fact, it Lorimer's friends hadn't done it first, and if Lorimer himself dia not persisten ly make political capital out of this and other hurch connections. Senator

Dr. Wm. E. Barker's Experience in London.

(From the Rochester Times.) Half a century ago there was no city in the world where an eminent specialist had the opportunities that were presented to one in London; realizing this fact Dr. Barker, after graduating from Heidelburg, located in London. His practice grew so rapidly that at the end of five years he established the largest practice of any physician in that city. His practice was confined to chronic cases only in the treatment of rheumatism, catarrh, kidney and bladder diseases. He used one never failing prescription—this same prescription he had written thousands of times; and he had seen patients come into his office on crutches, who said they had been troubled with rheumatism for 15 and twenty years, and after they used this special prescription for two or three days, they would come walking to his office, as nimbly as a school boy, and thank him for the good he had done them. The Doctor said in an interview that one man about 45 years old came to him one day and said he had been injured while working at the carpenter trade about 20 years before, and had suffered constantly since with kidney trouble. He had tried everything to get relief, but nothing seemed to do him any good. He asked the Doctor if he really knew anything that would cure him, and he told him of a never-failing remedy for all chronic cases like his. He wrote him a prescription and told him to take it for a week and then come and let him know how he was getting along. This man came back to his office in just four days and said he had not felt as well in his life. He also stated that his daughter, whom he had taken out of school because her eyes were too weak to study, and she could hardly see from one of them at specialists without relief, and after he ginning. Containing 6 12 acres, had taken this prescription for two days he says he saw it was helping him so much he let her take some of it, and to their great surprise, she improved wonderfully almost from the first dose. He sold him it was only a week's time after she commenced to take the medicine until she could see as well as ever and was able to return to school. It was not until after hundreds of

such remarkable cases had been treated by Dr. Barker with this same presciption that he was prevailed upon in the interest of humanity to allow the wonderful prescription to be put up so that every sufferer could have it at a very small cost. The public can now secure this prescription under the name of bloodine, at drug stores, or The Bloodine Laboratories, Boston, ass., will supply a six weeks' treatment (six bottles) for \$2.50; 50 cents a bottle, trial bottle and booklet, cents. Lesson XIII. - Second Quarter, For June 25, 1911.

THE INTERNATIONAL SERIES.

Text of the Lesson, a Comprehensive Quarterly Review - Colden Text, Mic. vi, 8-Commentary Prepared by F.ev. D. M. Stearns. payab'e by July 15. - Newton

LESSON I .- Naaman healed, II Kings

v. 1-14. Golden Text. Isa. xlv. 22, "Look unto me and be ye saved, all medy for loosening the phleg:n, reliev | the ends of the earth, for I am God. ing irritation and curing any cough or and there is none else." Leprosy, a cold is Bloodine cough checker. For linguishing type of sin and sinners peculiar type of sin and sinners. Great sinners may be great in their own sight and in the esteem of others, but in God's sight lost. All can be saved if willing to submit to God Lesson II.-Elisha's heavenly defenders, Il Kings vi, 8-17. Golden Text, Ps. xoi, 11, "For He shall give His angels harge over thee to keep thee in all the ways." God knows all with us is more than all who can be against us. Opened eyes to see the unseen is our great need. He can do it.

LESSON III .- Joash, the boy king, II Kings xi, 9-20. Golden Text, Ps. cxix, 2, "Blessed are they that keep His testimonies and that seek Him with the whole heart." Ten times in this chapter we find the house of the Lord, or chosen king, whether it be David or

LESSON IV .- The temple repaired, II Kings xii, 4-15. Golden Text, I Chron. xxix, 9, "Then the people rejoiced, for that they offered willingly." A chest beside the altar to receive the willing offerings of the people was the method of obtaining money which the Lord blessed. At least twelve times in this chapter the expression "the house of the Lord" occurs. Devotion to the Lord because of His sacrifice will bring all needed funds.

LESSON V .- God's pity for the heathen, Jonah iii, 5 to iv, 11. Golden Text, Matt. xxviii, 19, "Go ye, therefore, and teach all nations." Jesus Christ believed the story of Jonah and those who question it question the veracity of Jesus (Matt. xii, 39-41). Jonah was willing that the people of Nineveh should perish; the Lord is not willing that any should perish (II Pet. iti, 9). Note the things which God prepared and used-a wind, a fish, a worm, a gourd, and even rebellious Jonah.

Lesson VI. - Uzziah humbled, II Chron. xxvi, 8-21. Golden Text, Prov. xvi, 18. "Pride goeth before destruction, and a haughty spirit before a fall." Some people do right only as long as they have a strong visible human helper. The devil always tempts to pride and self sufficiency, but we can only be strong in the Lord, and that only as we know our own weakness, for His strength is made perfect

Isa. vi. Golden Text, Isa. vi. 8, "I heard the voice of the Lord saying. Whom shall I send, and who will go for us? Then said I, Here am I; send me." A vision of a man on the throne, the Gcd man, alive forevermore, is what we all need (Ezek. i, 26-28). This works conviction of sin and self abhorrence; then follows forgiveness of sins, and then a readiness for service, as He may will.

LESSON VIII .- Song of the vineyard. Isa. v, 1-12. Golden Text, Isa. v, 22, "Woe unto them that are mighty to drink wine, and men of strength to mingle strong drink." Strong drink acts upon the body as pride does on the soul, the former causing a beastly drunkenness and the latter the drunkenness of Isa. xxix, 9-13. Only by the blood of Jesus Christ can we be saved from either, and only as filled with the spirit can we bear fruit.

LESSON IX.-Universal peace, Mic. iv, 1-8. Golden Text, Mic. iv, 3, "Nation shall not lift up a sword against nation; neither shall they learn war any more." This great saying is also found in Isa. ii, 4, and it shall be fulfilled when He who came as a babe to Bethlehem shall at His coming again in glory be Ruler in Israel (Mic. v, 2), not by peace conferences, nor by missions, nor by any present agencies, but only by Himself, at His second coming (Isa. xxxii, 1, 17). LESSON X .- The promise of the Fa-

ther, John xiv, 15-27. Golden Text, John xiv, 16, "I will pray the Father, and He shall give you another comforter, that He may abide with you forever." Only by the Holy Spirit can we know God in Christ or receive His word, and only when the Holy Spirit shall be poured upon Israel shall they have a true conviction of sin and welcome Jesus Christ as their Messiah. LESSON XI.-Hezekiah's Passover, II Chron. xxx, 13-27. Golden Text, 1 Sam. xvi, 7, "Man looketh on the outward appearance, but the Lord looketh on the heart." The great need of today is the zeal of a Hezekiah to cleanse the professing church from its

LESSON XII .- The downfall of Sa maria, II Kings xvii, 1-14. Golden Text, Prov. xxix, 1, "He that being often reproved hardeneth his neck shall suddenly be destroyed, and that without remedy." As truly as judgment came on Israel so surely shall there be a fulfillment of II Thess. 1, 7-10, and all similar predictions.

#### One-Fifth of all the Motor Cars Built in America in 1911 will be Ford Model T's

IT has been estimated from the reports of Motor Car Manufacturers that 150,000 automobiles will be built in America in 1911. Out of this immense quantity, 30,000 will be Ford Model T's, built by the Ford Motor Company. There is a reason for this exceptionally large number of Ford cars, for this Ford popularity. The demand for a car of Ford design and Ford quality has been so great that a yearly output of 30,000 Model T's has been required to supply the demands of buyers. Ford design and construction, Ford quality in material, strength, durability and service, economy in up-keep and low purchase price are features that have caused Ford to manufacture this season onefifth of all the cars built in America.
