For bowel complaints in children always give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil. It is certain to effect a cure and when reduced with water and sweetened is pleasant to take. No physician can prescribe a better remedy. For sale by all dealers.

That Preston L. Yount, of Ardmore, Okla., was carved to death by a neighbor, J. E. Sorrel and perhaps C. D. Denison also is evident from letters shown to the Newton News by Mr. D. E. An Indian saw the two men trying to bury Yount near an old road. Yount, his wife and six children left the state last November.
