MRS. F. M. WINTERS DEAD

End Came Two Weeks After She Left For Colorado.

It is with deep sympathy for the Hutton family of this city, that Hickory people learned of the death at Denver, Col., of Friday, the 16th of Mrs. Libby Winters, wife of Mr. F. W. Winters, of New York, and daughter of Mr. and Mrs. A. Hutton of this city. Just two weeks before her death, Mrs. Winters left for Denver. The long, hard journey was too much for her in her weak state, and it is realized now that it was a probable mistake for her to have gone. She had been a sufferer from tuberculosis for some years.

Her husband was with her at the end and her brothers, Messrs. George and Bert Hutton left at once to attend the funeral. They met with a number of annoying delays on the road, and did not reach Denver until yesterday when the funeral was held, and interment made in that city.

Mrs. Winters was born in Windsor, Ontario, and has been married for 18 years. She was a consistent member of the Episcopal church, and a woman of lovely character. Many friends, made during her visits to her parents in Hickory, deeply grieve over her death.

'For Her Brother's Sake'

Greenville Daily News, Jan. 18.

The Carleton Sisters and their associate players presented the first melodrama, "For Her Brother's Sake," last night at the Grand to a large and enthusiastic audience. The play went with a snap and vim seldom seen in a popular priced attraction. The story of the play tells of the death of a wealthy manufacturer who was foully murdered by his partner so as to obtain the property of the necessity of becoming a news editor of the daughter, the denunciation of the villain by his partner, and the restoration of the daughter to her proper rights, all of it all was a splendid melodrama that elicited a great deal of applause. Specialties were given by the Carleton Sisters, Russell, Dunn and Bob Parkinson.

Carleton Sisters Company will open a week's engagement at the Hickory Opera House Monday Feb. 26, in "The Whirlpool."

A Nervous Woman Finds Relief After Many Years.

Women who suffer from extreme nervousness, often endure much suffering before finding any relief. Mrs. Daniel Kintner, of Defiance, O., had such an experience, regarding which she says:

"I had stomach trouble when I was eighteen years old that broke down my health, and for years I suffered with nervousness, headache, indigestion and nervous spasms. The spasms got so bad I would have them three or four times a week. After trying nearly every remedy recommended, I began taking Dr. Miles' Nerve and I must say it helped me wonderfully. I have had no severe nervousness for several years."

MRS. DAN KINTNER,
1002 Pleasant St., Defiance, O.

Many remedies are recommended for diseases of the nervous system that fail to produce results because they do not reach the seat of the trouble. Dr. Miles' Nerve has proven its value in such cases so many times that it is unnecessary to make claims for it. You can prove its merits for yourself by getting a bottle of your druggist, who will return the price if you receive no benefit.

For Women.

Of course you use an antiseptic for your family and in the care of your children, and you want the best. Instead of what you have been using such as liquid or tablet antiseptics or peroxide, won't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water as needed. Paxtine is more economical, more cleansing, more germicidal and more healing than anything you ever used.

Diarrhoea

When you want a quick cure without any loss of time, and one that is followed by no bad results, use Chamberlain's Colic, Cholera and Diarrhoea Remedy. It never fails and is pleasant to take. It is equally valuable for children. It is famous for its cures over a large part of the civilized world.
