COUNTY NEWS

If it gets by Easter without a bad frost, the fruit stands a good chance. This is so far the case.

Thirteen hundred voters in Catawba county have not yet paid their poll tax. All who do not pay by May 1st. will not be able to vote this fall. - Newton News.

Little Lalie Summerrow, 3-year old daughter of Mrs. Lee Summerrow, has had a marvelous escape from death from poisoning, having secured medicine from a room in the Piedmont hotel, and even swallowed raw alcohol. Her mouth and throat were fearfully burned, but she is now considered past danger. - Newton News.

Endorses Mr. Shuford's Views.

Newton, April 15. - Our popular pastor, Rev. W. M. Biles, preached another interesting and profitable sermon Sunday on prohibition.

On next Sunday the communion will be administered.

Wednesday's class of Orphans from the children's home at Winston-Salem will be here and give an entertainment. Prof. H. A. Hays will be with them.

The delegates to the Laymen's convention at Hickory are Mr. A. J. Barwick, G. H. Phillips and the writer. The writer hopes, while up there to put in some good licks for the treasurer-ship.

I want to endorse those five views laid down in last week's Democrat by my friend and fellow-Democrat, Mr. E. L. Shuford as a good foundation on which to build the Catawba County Democratic platform. I believe that every Democrat and Republican, too, for that matter, could readily stand on such a platform. And I want to say right here, too, as I have said heretofore in the Newton papers, that I think it is high time that Democrats should quit fighting each other, as it may work great harm to the party. Just at this time there are great, as well as grand, issues at stake and there is a great opportunity in these in the near future for us, both in the county, state and nation, if we will only take advantage of it and work in harmony together.

Almost A Miracle

One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clarendon, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by ten bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for coughs, and colds with excellent results." It's quick, safe, reliable and guaranteed. Price 50c and \$1.00. Trial bottle free at C. M. Shuford, Moser & Lutz, Gimes Drug Co.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit. The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root--if you do you will be disappointed.
