The People and the Picture Show.

Those who believe that "the great Common People," as Abraham Lincoln called them, cannot appreciate the best in all lines, should have been present the other night, when after due advertisement, Longfellow's "Evangeline" was shown at the moving picture theatre. Motionless, absorbed, one crowded house after another, watched the piteous story which the genius of the poet evolved from one of our most pathetic dramas of history, move before their eyes. The sweet face of the "little maid of Acadie," praying at her window on her bridal eve, the sturdy, handsome lover, the black-robed priest, the brutal English soldiery, the Indian runners, the trail by canoe and the sighing "forest primeva," all these were there. Not more still was the hospital when "all was ended" than the little theatre that night. It is such things as this that show whether our people really wish to have scenes of crime, brutality, sickening sentimentality displayed before them. Our moving picture shows can be not only entertaining, but instructive and, with such management as ours, will be what we wish.

"Life and Speeches of Aycock" to be Published.

"The Life and Speeches of Charles B. Aycock" is the title of a new book now being prepared for publication by Mr. R. D. W. Connor and Mr. Clarence Poe assisted by the numerous friends of the late ex-governor. The book will not only give a graphic and picturesque account of Gov. Aycock's personality, character and career, but it will also contain the cream of his public addresses and political speeches, including the speech he had prepared for delivery in Raleigh, April 12th, and his which many regard as unsurpassed by him in all his life. The book will be brought out in handsome form from the presses of Doubleday, Page & Co., of New York, any will sell cloth bound at \$1.50 a copy. That it should have a place in the book-case of every North Carolinian and be read by the children in every North Carolina home, goes without saying.

The publishers have determined to offer liberal terms to agents, and that it will be one of the best selling book propositions ever offered in North Carolina, is easy to foresee. Dr. Albert Anderson, Raleigh, N. C., is business manager of the proposition and all requests for agent's terms should be sent to him. It may be said in this connection that Dr. Anderson, Mr. Connor and Mr. Poe are all doing their work as a labor of love and without reward or hope of reward. The publication of the book is being rushed with all possible speed and it is hoped to have it ready for delivery within a few weeks.

In order to make the most lifelike possible characterization of Gov. Aycock, Mr. Connor and Mr. Poe are asking his friends in every part of the State to send them any authentic reminiscences, incidents, anecdotes and conversations of any kind regarding Governor Aycock that will shed light on his character, personality, and power. Any readers recalling any such incidents will confer a great favor upon the editors by writing them at once.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone. Don't make any mistake, but remember the name Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—If you do you will be disappointed.
