Paint or Not
Is a horse worth more or less after
feed?
Hay and oats are high today; shall I
wait today and feed him tomorrow?
That's how med do about painting
their houses and barns and fences.
Paint has been high for several years,
and so they have waited. Paint is
high yet; they are still waiting; thou-
sands of 'em are waiting for paint to
fall.
Their property drops a trifle a year
and the next job of paint creeps-up
creeps up creeps-up; it'll take more
paint by a gallon a year; they don't
save a cent, and the property goes-on
suffering.

An Example To Others.
Raleigh News and Observer
Mr. Abel A. Shuford, who died
suddenly in Hickory yesterday,
was one of the most useful and
successful men in North Caroli-
na; he was one of the finest types
of the German population that
settled Piedmont North Carolina.
Thrifty, patriotic, progressive
and successful, he had been for
thirty years or more one of the
influential men of his section.
Banker, manufacturer, farmer,
State Senator, Democratic lead-
er and faithful member of the
German Reformed church, he
illustrated the best type of our
captains of industry. The whole
State mourns with Catawba
County in the loss sustained by
the death of Abel Shuford.
Only a few days ago, after an
election in Hickory which was
successful for a good roads bond
