

Thousands Have Kidney

Trouble and Never Suspect it.
How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, orsetling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmner's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle sent free by mail. Address Dr. Kilmner & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmner's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

WATAUGA CHERRIES.

Mr. Ray Will Can the Product of 300 Trees.
Mr. D. S. Ray, of Watauga, was here Saturday to lay in a Home Canner outfit. He is the biggest cherry raiser in Watauga, having over 300 trees of every kind. They will be ripe in three weeks, and he has one of the largest crops in his history. He will can and sell on the market. Mr. Ray says the peach crop in the mountains this year will be one of the best ever raised. The cold winds have caused a good many apples to fall off, but the blight, which Mr. Ray noticed in fruit trees from the foot of the mountains on down, has not yet struck the mountain fruit.

Watauga raises also the finest Irish potatoes, cabbage and other vegetables in the county, and celery grows prolifically there and has a flavor surpassing Kalamazoo. If Watauga only had a railroad she would be the commissary of the State. Mr. Ray says that work starts on the Yadkin & Watauga R. R. at Wilkesboro June 4th. It runs to Elkville, through the Grandin lumber lands, to Boone and probably to Butler, Tenn. It will be an expensive road. For instance at Cook's Gap 5 miles from Boone, it requires 13 1-2 miles of curve grades to go 1 1-2 miles. But Watauga is minded to vote bonds for the road, for she knows what she could do if she had it. She believes in herself.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucus lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucus surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hill's Catarrh Cure. Send for circulars, free. F. J. CHENEY, & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.
