Catawba and Burke Make Daught-ridge's Nomination Possible

The endorsement of the National and State officials of North Carolina, which included an endorsement of Senator Simmons' general record in Congress; the endorsement of Woodrow Wilson as the most available candidate for the presidency, and the election of an almost solid Wilson delegation-at-large to the Baltimore Convention, June 26, where the most sensational incidents of the State Democratic convention at Raleigh last Thursday. Because each required a fight.

Francis D. Winston presided ably over the convention, which made a picturesque sight in the grand new auditorium at Raleigh. The capitol city entertained the immense crowd splendidly. The committee arrangements for housing delegates were perfect. The convention began at 12 o'clock Thursday and after one hour for dinner sat continuously till 6:30 a. m. Friday morning. It meant business and good naturedly but persistently howled down nearly all speeches over five minutes long. Glenn, who sounded the keynote of the fighting this fall, and Craig, who was nominated for Governor by acclamation, the only Tar Heel except Aycock ever so honored, were the only two men whom the convention was willing to hear. Both made able speeches, Craig's effort being the best of his life.

There were two reports from the committee on resolutions, the majority to heartily endorse all the representatives in Congress and in the State; the other merely to briefly mention these officials. The crux of the matter was that the majority resolution meant endorsement of Simmons. Congressman Claude Kitchin and two more of the nine men on the committee introduced and fought for the minority paper, but it was tabled. Cam Morrison championed Simmons and Ex-Judge Manning Kitchin. The vote may be an index finger, pointing out that Simmons is the strongest candidate for the Senate, although such a fight was not anticipated when counties chose delegates.

The Wilson endorsement however is certainly indicative of the fact that he is North Carolina's choice for the presidency. The Underwood men, led by Varner, his State manager, tried to howl down, for at least five minutes, Ex-Judge Biggs when he introduced a Wilson resolution but he waited smilingly and the convention slowly went ahead and put the steam roller over Underwood.

Catawba hand-in-glove with Burke, is responsible for the nomination of Daughtridge of Edgecombe for Lieutenant Governor. He is a farmer and supports his wife and seven children from the soil. On the third ballot Daniels was within about 30 votes of the nomination, when the tide turned under our leadership, and Daughtridge won on the 5th ballot.

The delegates-at-large are W. C. Dowd, R. B. Glenn, E. J. Justice, J. S. Carr, E. J. Hale, A. W. McLean, W. C. Hammer, W. C. Newland, all Wilson men, and W. T. Dortch, an Underwood man. F. D. Winston, of Beattie, and Ellis Gardner, of Yancey, were chosen electors at large.

Miss Little Entertains.

Miss Lucile Little entertained the Just For Fun club Monday evening, June 10. After the guests had arrived the girls were given cards with the boys names on them and the boys were given hearts and spades. Each girl talked to each boy five minutes and during this talk she proposed and if the boy said yes he put a heart on the girl's card, and if he said no he put a spade on her card. Miss Elizabeth Holbrook won the prize for receiving the greatest number of hearts.

The following boys and girls were voted for and accepted as new members: Miss Adele Kirkpatrick, Lucile Likiaker, Bertha Bradshaw, Annie Lowe, and Messrs. John Geitner, William McComb, Frank McComb, Sherrod Menzies, Frank Elliott and Harold Shuford.

The Democrat's Grand 500 Baby Contest Will Come to an End at Nine O'clock Saturday Night, June 15.

Keep up an earnest striving for subscriptions. Do not overlook anything that may mean votes for you. Everybody is eager and anxious to win and they realize only too well, now that the race is so near an end, that they must leave absolutely no stone unturned if success is to crown their efforts. Drop everything else if need be to make baby a winner.

How proud you will be if your baby can capture that title of "The Most Popular Baby in Catawba and adjoining counties." Besides that, there are those prizes of \$150, \$125, \$75, and \$50, which are to be distributed in each of the two districts, making four little tots who do to profit as the result of this race. Do not let vain regrets possess you after the judges have announced their decision because you did not do this or that.

Your baby may now lead his district for all you know, but if you do not work your very best between now and Saturday night he may be crowded out by others and may not finish among the winners at all. On the other hand you may feel that your baby has no hope of winning. There is no baby even at this late date that cannot be brought to the very front of the race if you will but do all you can for him. No cause is hopeless while there is life.

Once again the contest manager wants to urge you to make your report as early as possible. Do not wait until the last day in the afternoon. If you get any more subscriptions you can turn them in Saturday evening. Do not leave it until the last minute.

The funerals of Mr. Doss Fry and Mr. Guy Ward Hawn of Oklahoma City, brother of Mr. Ed Hahn, were conducted at Houck's Chapel last Sunday.

WORDS FROM HOME.

Statements That May Be Investigated. Testimony of Hickory Citizens.

When a Hickory citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Hickory resident. No stronger proof of merit can be had. Mrs. J. W. Neil, 423 Tenth Ave., Hickory, N. C., says: "No remedy could be better than Doan's Kidney Pills and I willingly praise them again as I did some time ago when I gave a public statement recommending them. My back ached and there were pains across my loins. My kidneys did not act regularly and I felt miserable. Doan's Kidney Pills, procured at Moser & Lutz's Drug Store acted as a tonic to my entire system and made me strong and well."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doans—and take no other.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucus lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucus surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hll's Catarrh Cure. Send for circulars, free. F. J. CHENEY, & CO., Toledo, O.
