# One Dollar Given To Each New Baby

## EVERY CHILD A PRIZE WINNER.

Until further notice, THE FIRST NATIONAL BANK OF HICKORY will make a present of ONE DOLLAR to every baby born in Hickory and the surrounding neighborhood.

All parents have the interest of their children at heart, and fully intend to provide for their future. That so few carry out their plans, makes us feel they have only neglected to make a start.

They put off from day to day the starting of the little fund, and soon the whole thing is forgotten, with the result that when some misfortune comes to the family, the little ones are unprovided for.

On the other hand, parents who have opened bank accounts for the children find it easy to add from time to time until there is quite a sum drawing compound interest, to credit of the child.

Hereafter, to prevent such oversight, The First National Bank, of Hickory will deposit in the Savings Department ONE DOLLAR to the credit of each new white baby, and mail the Pass Book to its parents, to encourage them to follow it up, and make sure of an education for the little depositor.

We ask the parents to mail us the name of each new baby, giving name of parent, with Street Number, or Rural Route, and pass book will be mailed out at once, with initial deposit of ONE DOLLAR.
