is conducting a two-weeks term
of the Burke county Teachers
Association. He is assisted by
Miss Cornelia Carter, of Morgan-
ton.

A correspondent to the North
Wilkesboro Hustler, from Hid-
denite, Alexander county, says
it is a fact that the title to the
tracts of land purchased by a
company in 1880, and on which
the precious stone, "Hiddenite"
was thought to be in large quan-
tities, are tied up in litigation,
and that as soon as this can be
adjusted work will be resumed
in the mine. Prof. Hidden, of
Newark, New Jersey, who is
there, does not think the main
vein has ever been found yet. It
is a brilliant green stone and
very valuable.

Mr. John Cilley's new resi-
dence is now about half finished.

the long stretches of piazza,

pearance.

The Democrat is under obli-
gations to Mr. Walton Yount for
a fine box of peaches, apples and
apricots. Mr. Walton is one of
the best fruit-growers in the
county, and we can testify to the
flavor of his orchard's products.

Ex-Judge W. B. Council, of
this city, has the natural in-
stincts of a son of the soil. He
owns a farm a mile and a half
from Salisbury on which, on 40
acres he raised 700 bushels of
wheat, and on 12 acres he raised
400 bushels of oats.

Mr. Frank Allen gave the
Democrat a lot of the finest
peaches it ever saw. Mr. Allen
is not only the dean of the Hick-
ory merchants but he is a great
farmer and orchard man. He
has carefully selected the fruit in
his orchard, so that he has it in
succession; something juicy com-
ing in all through the summer.

One Killed in Greensboro Wreck.

Engineer Thomas E. Beach, of
Alexandria, was fatally injured and died
later at a hospital, after the wreck of
his train No. 36 at Greensboro, Satur-
day morning. A switch had been left
open for a freight to get into the
yards. At the same time, the switch-
man says, the red signals had been
given to Beach, who disregarded. He
died before he could testify in the
matter.

About 50 people were injured more
or less seriously, and all the physicians
in Greensboro hastened to their aid.
Again the steel coaches proved their
value as protectors of human life.

Mr. A. K. Joy, of this city, who was
on this train, suffered a bruised hand.

affections. It is the best medicine of the kind I ever saw--J.A. Leslie, M.D.
Mr. Robert Yount, who is employed by me at Fullers, N. C., was quite
ill recently with a stubborn attack of dysentery. He was treated by phy-
sicians without benefit, and continued to grow weaker. Half a bottle of
King's Diarrhoea and Dysentery Cordial completely cured him, and he
said unless he knew where more could be obtained he would not take ten
dollars for the other half of the bottle.--A. W. Fuller.
