

# WATCH WHAT YOU SPEND

## And Put Your Savings in the Bank

### You Can Cut Down Your Expenses

If you try—a little less for this luxury—a few cents less for that—and you have the beginning of a fortune, if you put what you save in the bank. All the time it is accumulating you are getting nearer to independence and to the goal of that ambition, for all things are easy when you have money.

Saving money is like planting your garden. When you plant money in the bank you expect it to bring you a harvest of profit and pleasure, same as your garden. And like the produce of your garden it grows best with careful attention, till it becomes a harvest, a fortune. NOW is planting time. Think it over.

## LEAD REGIMENT AND THE STATE.

### Hickory's Military Company Excel in Field-Firing

#### CAPT. DAUGHERTY'S PRAISE

Figure of Merit for Co. A. is over 45 as against over 37 for Co. D. of Charlotte—Hickory's Company Put Down in the "Excellent" List in the Report to Government.

The official reports prove the contention that Hickory's military company did the best shooting in the State Guard. Charlotte has been contending that her company was ahead in this respect but claims don't count against official figures. These show a total of 4144 points for Co. A., of Hickory, as against 3461 points for Co. D., of Charlotte; shooting, (Co. A.), 55, Co. D. 46; average per man, Co. A. 75.3; Co. D. 75.2

Co. A.: marksmen, 17; first class 10, second 5, third 13, fourth 10, Total 55 men.

Co. D.: Sharpshooter 1, expert 1, marksmen 14, first class 3, second 7, third 11, fourth 9. Total 46 men.

Figure of merit Co. A. 45 15-61.

Figure of merit Co. D. 37 53-61.

Adjutant General R. L. Leinster of Statesville pays a high tribute to Capt. Daugherty's fine boys. He said in part that the official report "put Co. A. in the excellent class in regard to efficiency, drill and marksmanship, stating that your company led the State in field-firing, which is considered the highest test of marksmanship."

Capt. A. T. Daugherty, of the 8th U. S. Infantry, who for four years has been inspecting the N. C. militia, is exceedingly fond of the Hickory company. As the troops were breaking camp he sent his baggage up to Co. A., and rode with our men in their car. The men prize above everything the following letter he wrote to Capt. Daugherty, dated Aug. 1:

Dear Captain: Let me congratulate you on the fine work of your company at the camp last month. I have put them in my reports to the War Dept. in the excellent class.

In the field-firing, which I regard as the graduation examination of a company of infantry, you lead your regiment and the State. You and your company should be proud of your record. I hope some day to have the pleasure of seeing you all again.

Clyde R. Hoey will make the address at the Confederate veterans reunion at Newton Aug. 15.

## Children of I. O. O. F. Orphanage.

Last Friday night a class of thirteen children from the Odd Fellows' Orphanage at Goldsboro gave an entertainment at the Academy of Music. Those who were delighted with the entertainment given by these children last year anticipated a treat and were not disappointed. The music was unusually good, the elocution excellent. Perhaps the sweetest song was "Come Where the Blue Bells Ring," by the class, and the recitations most enjoyed were "Doctors' Bills" and "Mr. Bodkins and Widow Simpkins."

As the manager of the party, Mr. Edward M. Davis, stated, the most significant thing about the entertainment was the picture it gave of what the Odd Fellows are doing for the Odd Fellows' orphan. It should be stated that, at the Goldsboro Orphanage, the children are given a full course in grammar and high school grades, besides being taught the manual trades that will ensure them a living when they go out into the world of manual industry. The building trades, printing, farming, dairying, both with modern methods, in all these the boys receive training, while the girls are taught all that belongs to the making of a sanitary home, together with business courses and teacher training work. Beginning with two children and twenty acres of land, the Odd Fellows now have one hundred and seventy-six children in the home, with an equipment remarkable for the twenty years since the foundation of the Home. These tours through the State are an important part of their work, adding much to the annual income. The orphan child appeals to all classes, every creed, and it is a privilege to be allowed to aid them.

Marshall the Right Stuff. Statesville Landmark.

The more one hears of Gov. Marshall, the Democratic nominee for Vice President, the stronger is the evidence that he is the right sort. In an interview this week the Governor said he had declined an offer of four of his friends to make up a fund to pay his personal expenses in his campaign. Instead he said that he had arranged with a bank to borrow about \$5,000 to pay for his speaking tours and incidental items. The Governor asserted that he never had been under obligations to anybody for campaign funds, and that that now was not the time to begin. Good for Marshall!

A Colored Man's Fiendish Crime.

Joe Parker, colored, was held by Recorder Yount without bail Tuesday morning on a horrible charge—criminal assault upon a little 12-year-old colored girl, Ida Sudderth. The girl's mother went away, and left the girl at Parker's house. At midnight he overpowered her, and when she was able to get away from him, she ran to the home of Ida Knox, who cared for her. Dr. Henry Abernethy found her in a pitiable condition.

## Judge Clark Wants to Cut Down Campaign Expenses.

Statesville Landmark.

Correspondence between Judge Clark, Gov. Kitchin and Senator Simmons as to campaign expenses has been made public. Judge Clark wrote Gov. Kitchin and Senator Simmons suggesting that they unite in printing the tickets for the senatorial primary, the names of the three candidates to be printed on one ballot, the voter to check the name of his choice; that these tickets be sent out with the regular tickets and distributed by party managers, which would mean a considerable saving as against separate printing and distribution. It also suggested that they unite in asking their friends to serve as judges at the senatorial primary without pay, as to pay three men in each township in the State would involve an enormous expense.

Gov. Kitchin accepted Judge Clark's proposition but Senator Simmons referred the whole matter to Mr. Rogers, his campaign manager. The latter has not announced his decision.

GREAT MASS OF PROOF

Reports of 30,000 Cases of Kidney Trouble, Some of Them Hickory Cases.

Each of some 6,000 newspapers of the United States is publishing from week to week names of people in its particular neighborhood, who have used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof includes over 30,000 testimonials. Hickory is no exception. Here is one of the Hickory cases.

Mrs. Fannie Probst, Twelfth st. and Second ave., Hickory, N. C., says: "Judging from my experience with Doan's Kidney Pills, I do not hesitate to confirm the public testimonial I gave some time ago recommending them. I suffered a great deal from nervous and dizzy spells and my head and back. The kidney action was irregular. I did not sleep well at night and arose in the morning tired. I procured Doan's Kidney Pills at Moser & Lutz's Drug Store and used them. They made me strong and well."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## Maj. Hemphill Eating Crow Nicely Now.

Statesville Landmark.

Maj. Hemphill, who while editor of the Charlotte Observer violently opposed Woodrow Wilson's nomination for the presidency, appears to have come round to Wilson. Writing in the New York Times he says "there is only one really progressive candidate for president in the field, and his name is Woodrow Wilson. Nobody seriously regards Mr. Roosevelt as anything but—Mr. Roosevelt; a mere symptom of the times." Continuing he says:

"The people are progressive—rather too progressive for their own good, it may be—but they are progressing toward the true progressive camp this time, and are looking to Wilson and not to Roosevelt, because, as they see it, there is something really tangible, something understandable, in what Wilson has said and in what Wilson's party has done, whereas they have had nothing from Roosevelt but mixed and uncertain and impracticable declarations, 'subject to change without notice.'"

Ivey Dots.

West Hickory, Aug. 3—Miss Ola Lawter, from Cliff Side and Mrs. Pearlina Sparks, from Carolina, were at the Ivey Mill several days last week visiting their sister Mrs. G. W. Branch. While they were here they enjoyed several automobile rides with their sister, visiting Brookford and other places, returning home on Saturday.

Flying Men Fall

victims to stomach, liver and kidney troubles just like other people, with like results in loss of appetite, backache, nervousness, headache, and tired, listless, run-down feeling. But there's no need to feel like that as T. D. Peebles, Henry, Tenn., proved. "Six bottles of Electric Bitters," he writes, "did more to give me new strength and good appetite than all other stomach remedies I used." So they help everybody. Its folly to suffer when this great remedy will help you from the first dose. Only 50 cents at C. M. Shuford, Moser & Lutz and Grimes Drug Co.
