Doings In Granite Falls

A lot of our folks went to Hickory last Saturday to see the man fly in the flying machine and all agree that it was one of the most thrilling sights they have ever seen. It was a success from beginning to end and is one of the most marvelous inventions of the 20th century.

Mr. Dick M. Cline had the misfortune to be bitten by one of his horses last week. He was training his horse to talk and thinking he had mastered enough of English language to have some idea of politics, asked the horse if he wasn't a Republican and the horse became so enraged that he bit him, but not seriously we are glad to learn. Mr. Cline is strong Bull Mooser.

One of the largest droves of turkeys we ever saw passed through our town last Saturday.

Mr. C. R. Payne has the walls of the Lutheran Church about completed.

Rev. Mr. J. P. Price attended the Tennessee Synod at Columbia, S. C., returning home last Friday.

Dr. Russell has purchased a nice Buick automobile.

The town and community were shocked on last Monday morning when it became known that Mrs. E. E. Cline had died at Statesville in the hospital where she had undergone an operation, which was pronounced a success but she was not strong enough to rally from the effects. Mrs. Cline is one of our most highly respected women. She leaves an aged husband and several children, some grandchildren, step children, step grandchildren brothers and sisters to mourn her death.

Is your husband cross? An irritable, fault finding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A great many have been permanently cured of stomach trouble by taking Chamberlain's Tablets. For sale by all dealers.

Death of Mrs. Dozier.

Mrs. Elizabeth Dozier died of pneumonia at her home in this city on Monday. She was 75 years of age and was born in Warren county but lived the greater part of her life in Franklin county. The past ten years of her life she has spent in Hickory. The funeral was held at the home, conducted by Rev. J. D. Harte, and Rev. W. R. Bradshaw. She was a lovely Christian character and a life-long member of the Baptist Church.

Surviving are her two daughters, Misses Mattie and Josie Dozier, of this city and her brother and sister, Mr. Henry Minga and Miss Martha Minga, of Hickory and Mrs. Mary E. Clifton, of Raleigh.

Abernethy-Graham.

The following announcements have been received in this city:

Mrs. Samuel Creutzberg Graham announces the marriage of her daughter Helen Martyn to Mr. Albert Edwin Abernethy, Monday, November the eighteenth nineteen hundred and twelve, Philadelphia.

The news of this event has created unusual interest in Hickory where Mr. Abernethy is one of the best liked young men in social and business life, and where his beautiful and accomplished bride made many friends during her visit to Mrs. Roy Abernethy. She is exceedingly popular in West Philadelphia social circles. The Democrat wishes them a long and useful life together.

Postmasters By Primaries.

To the Editor of the Democrat: I see that it is intimated that President-elect Wilson and a number of Congressmen and Senators advocate the idea of holding primaries to select postmasters and possibly many other places to be filled in the incoming Democrat administration. I am heartily in favor of this as by this means you get the sentiment of the people who are to be served. This is my opinion and is a true democratic idea and principle.

There is no Federal governmental position that everybody concerned comes in direct contact with as much as the postmaster of each vicinity, therefore, he should be a man approachable, affable and pleasant disposition, and accommodating. Through a primary system the people directly concerned have the privilege to say who they wish to serve them, and by this means do away with the petition question for each position to be filled.

Furthermore I should think, it would be great relief to the congressman and senator of each district. However, as I at the proper time, will be an applicant for the position of Postmaster of Hickory, am perfectly willing to abide by whichever way the proper parties decide this matter is to be brought about.

Very truly yours,
Wm. P. Huffman.

"The Fools Revenged" Edwin Booth's famous masterpiece will be presented by the Christian and Euman Literary societies of Lenoir College at the college auditorium Monday night, Dec. 2nd 1912. For further particulars see next week's Democrat.
