Text of the Lesson, Gen. ii, 4-25-Memery Verees, 16, 17-Golden Text, Gen. i, 27-Commentary Prepared by Rev. D. M. Stearns,

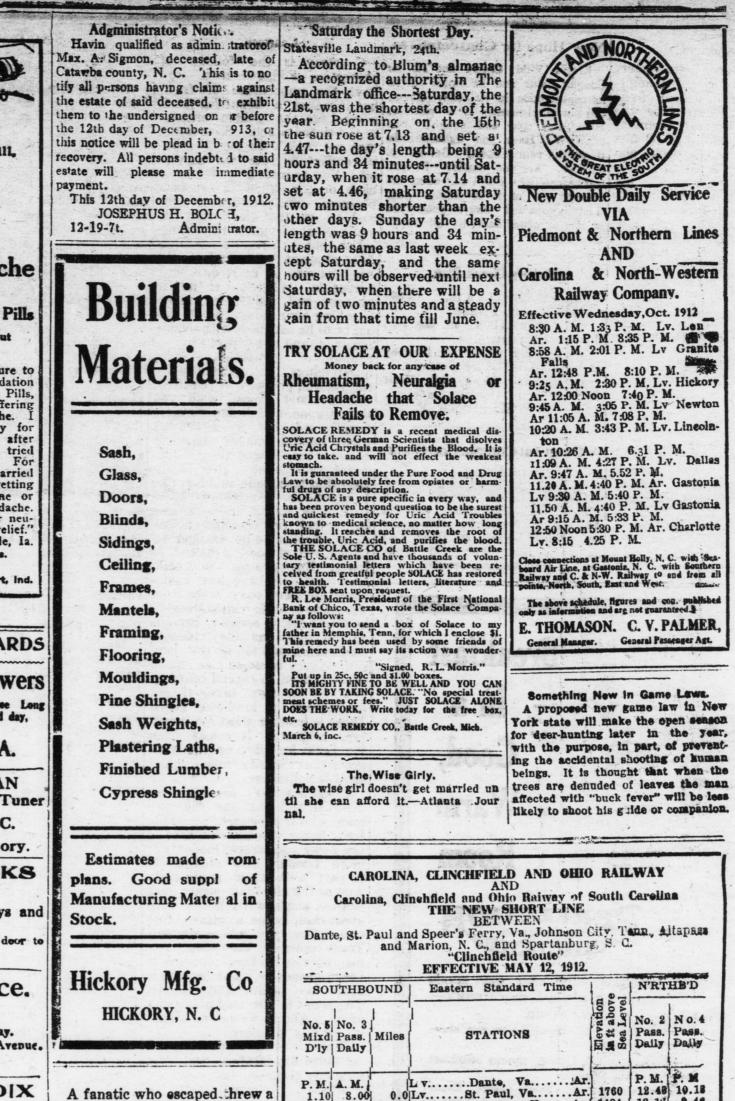

"The central thought of this book is God. Its one object is to reveal God. In reading it our chief desire ought to be to know God." These words 1 copied from a Bible in Dr. Andrew Murray's study in. Weilington. South-Africa, in August, 1898, and they help-ed me. He remarked as he saw me handling that particular Bible: "You will notice that i have used that copy of the Scriptures fo mark in it all the sames of God. That which the Holy Spirit makes prominent we should and in the same proportion. Apply this to the book of Jonah and see the names Lord and God forty times and the fish Just four times and make the applica-tion yourself." We saw in last week's lesson the first

section of Scripture, the first name of Deity. Ged (or Hebrew "Elohim"). used just thirty-five times. Now we have a new fiame. Lord God (Jehovah Elonimi, used in this lesson just eleven times, and when we get the true meaning of the number eleven we shall be surprised at the reason why of this. Lust week we saw God, the Creator (Elohim), working unhindered. All the significance we see in any name of Deity is but partial, for now we know only to part. We may always see in Eichim God as Creator. Jebovah is the greatest name in the Bible, used about 7,000 times. and in it we may see the Creator in anecial relation to man, made originally in His image and to be restored by redemption by the great sacrifice of the Creater becoming our. substitute, the one who was and is, and is to be becoming our righteous; ness, "our peace, our shepherd, our bealth: in last lesson we saw man, male and female, made in the image of God and. given dominion over all other creatures. In this lesson we see these things more fully stated, and we are told how man, was made and where placed." In verse T we read plainty that "the Lord God formed man of the dust of the ground and breathed into his nostrils the breath of life, and man

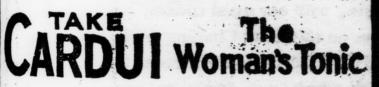

became a living soul." And to all the bybes: the little children, who are aelther wise not prudent in the estimation of the world's scholarship, who receive the word with meekness, this forever settles the question of how man was made. just as chapter i, 1, is an end of all controversy as to creation.

As to map made in the image of God (chapter 1. 26, 27), we know that the Son of God appeared as a man to Abraham, to Joshua, to Manoah and others. and if you can receive what some believe that He took human form before He made Adam matters are much

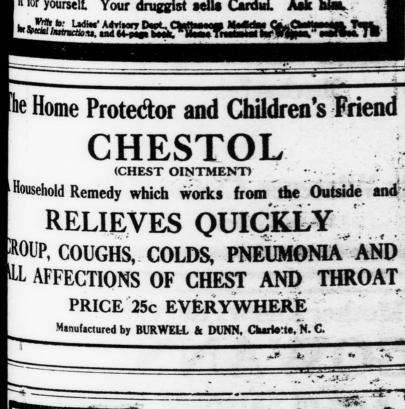

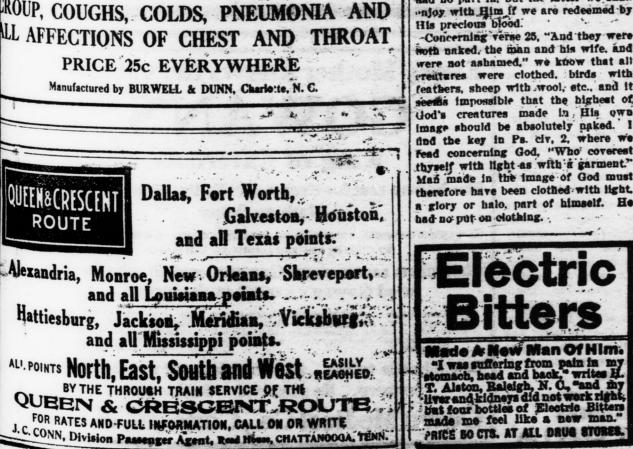

My Doctor Said "Try Cardui," writes Mrs. Z. V. Spell, of Hayne, N. C. "I was in a very low state of health, and was not able to. be up and tend to my duties. I did try Cardui, and soon began to feel better. I got able to be up and help do my housework. I continued to take the medicine, and now I am able to do my housework and to care for my children, and I feel as though I could never praise Cardul enough for the benefits I have received." · ?::--

Cardui is successful, because it is made especially for women, and acts specifically on the womanly constitution. Cardui does one thing, and does it well. That explains the great success which it has had, during the past 50 years, in helping thousands of weak and ailing women back to health and happiness.

If you are a woman, feel tired, dull, and are pervous, cross and irritable, it's because you need a tonic. Why not ry Cardul? Cardui builds, strengthens, restores, and acts n every way as a special, tonic remedy for women. Test t for yourself. Your druggist sells Cardui. Ask him.

noth naked, the man and his wife, and were not ashamed," we know that all creatures were clothed, birds with feathers, sheep with wool, etc., and it certis impossible that the highest of God's creatures made in, His own image should be absolutely naked. I find the key in Ps. civ, 2, where we fead concerning God, "Who coverest thyself with light as with a garment." Man made in the image of God must therefore have been clothed with light. a glory or halo, part of himself. He had no put on clothing. Electric Bitters lade & New Man Of Him "I was suffering from pain in my stomach, head and back," writes H. T. Alston, Baleigh, N. C., "and my liver and kidneys did not work right, just four bottles of Electric Bitters made ma feel like a new man." made me feel like a new man.
