### CANNING CORN NOW VERY GREAT INDUSTRY

Mr. E. L. Flowers Writes About the Best Methods of Canning and the Degree of Heat to be Applied.

Charlotte Observer, April 13th.

Mr. E. L. Flowers of the Home Canner Manufacturing Company, Hickory, has addressed a very interesting communication to the Observer in reply to a letter of inquiry about canning. It will be of extreme interest to the canning clubs of Mecklenburg County of which there are quite a number. It follows:

"Replying to your letter in regard to canning corn in hot water canning outfits, I am glad to advise that this may be done entirely successfully on these outfits.

"For a number of years I have carried on experiments as to the best methods by which corn could be canned, also to reduce the long hours of processing, or cooking.

"The commercially packed corn, grown principally in Illinois and Indiana is of a sweet variety which requires less cooking than our common field corn. The same variety of corn as grown for commercial canning in the above mentioned States may be grown successfully here, but we may can the ordinary field corn which has no equal if we select the corn when very tender, husk and cut very fine, adding sufficient sugar to taste, filling the cans to within one inch of the top and seal up cap and vent hole. Then proceed to place in the canning outfit where it will process, or boil, for two and one-half hours, or longer, according to the condition of the corn.

"Would say for your information that the boiling of corn or any other vegetable for more than one time is injurious to the quality of same, in view of the fact that it is made to expand and contract unnecessarily and the heating of same over not only has a tendency to aid fermentation but is no more than a warming-over process. My experience in this special respect has been very disgusting and I am convinced that it is a myth.

"Every family should be prepared to can at least enough to supply them through the winter as then they would know that the cans were thoroughly sterilized and the corn carefully selected and clearly prepared and the quality of same cannot be excelled.

"I am very glad to note the interest your paper is taking in behalf of the corn and tomato clubs, especially that of cultivating back lots where so many good things may be grown on these little neglected plots.

"Very truly yours,"

E. L. Flowers"

## Cough, Cold Sore Throat

Sloan's Liniment gives quick relief for cough, cold, hoarseness, sore throat, croup, asthma, hay fever and bronchitis.

**HERE'S PROOF.**

Mrs. L. Brewer, of Modesto, Minn., writes: "I bought one bottle of your Liniment and it did me good in the world. My throat was very sore, and it cured me of my trouble."

### SLOAN'S LINIMENT

RELIEVED SORE THROAT.

Mrs. L. Brewer, of Modesto, Minn., writes: "I bought one bottle of your Liniment and it did me good in the world. My throat was very sore, and it cured me of my trouble."

**GOOD FOR COLD AND CROUP.**

Mrs. W. H. Strang, 3721 Elmwood Avenue, Chicago, Ill., writes: "A little boy next door had croup. I gave the mother Sloan's Liniment to try. She gave him three drops on sugar before going to bed, and he got up without the croup in the morning."

## A Pleasant Drive

Is made pleasant if that splendid horse is fitted with a set of those SUPERB HARNESS made by The Hickory Harness Co. A snappy appearance adds greatly to the pleasure of any drive. We offer the most nifty appearance to be had. And, this is not all,

## Durability

is the second great feature to be found in all our goods. We strive to make every piece of goods the best that can be bought for the price anywhere. Frequent buying of harness is an evidence of poor quality somewhere. This is not the case with harness bought of us.

## Low Price

is the third appealing feature offered by us. We allow ourselves only a very small margin of profit, endeavoring always to keep our prices lower than our competitors, quality considered

## Don't Suffer!

"I had been troubled, a little, for nearly 7 years," writes Mrs. L. Fincher, in a letter from Peavy, Ala., "but I was not taken down, until March, when I went to bed and had to have a doctor. He did all he could for me, but I got no better. I hurt all over, and I could not rest. At last, I tried Cardui, and soon I began to improve. Now I am in very good health, and able to do all my housework."

### TAKE CARDUI The Woman's Tonic

You may wonder why Cardui is so successful, after other remedies have failed. The answer is that Cardui is successful, because it is composed of scientific ingredients, that act curatively on the womanly system. It is a medicine for women, and for women only. It builds, strengthens, and restores weak and ailing women, to health and happiness.

If you suffer like Mrs. Fincher did, take Cardui. It will surely do for you, what it did for her. At all druggists.

### Dead 37 Years; Still Recognizable.

Exhumed after 37 years beneath the sod, the remains of Robert F. Simonton, one time prominent and wealthy citizen of Statesville, were found to be in a fine state of preservation. The body was taken from the old cemetery and removed to a grave in Oakwood cemetery beside that of Mrs. Simonton, who died about two weeks ago and provided in her will that her husband's remains should be placed beside hers. When the grave was opened the metallic casket in which Mr. Simonton had been buried was found to be in good condition and when the glass was cleaned the face of the deceased was found to be natural, the features appearing very distinct to persons who knew the man in life. The flesh was apparently firm and the collar and tie was in place.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucus lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucus surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hill's Catarrh Cure. Send for circulars, free.

At the Dog Fight.

If it occurs in your block courteously give way to strangers desiring a view, particularly ladies.

Avoid showing partiality toward one dog.

However, let your secret sympathies and your compassion be always with the under dog in the fight - this is magnanimity; but bet on the other one - this is business. - Mark Twain.

Dyspepsia is America's curse. To restore digestion, normal weight, good health and purify the blood, use Burdock Blood Bitters. Sold at all drug stores. Price, \$1.00

### 500,000 Individual Drinking Cups.

An order has been given by the Southern Railway Company for 500,000 individual drinking cups to be used on passenger trains. The cups will be shipped to Spencer as a convenient point on the system for issue to passenger train crews. They are made of paper and may be used a number of times by the same passenger and will, when received, be distributed free to all passengers on the Southern system.

### Coughs and Consumption.

Coughs and colds, when neglected always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown, of Muscadine, Ala., writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery she would not be living today." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by C. M. Shuford Moser & Lutz and Grimes drug store. Adv
