

### In Social Circles

Last Thursday afternoon Mrs. B. F. Seagle entertained a number of her friends at a sewing party. About five o'clock the guests were invited into the dining room, made more beautiful for the occasion by a profusion of choice spring flowers artistically arranged. A salad course accompanied by hot spiced grape juice was served. This was followed by a dessert course. Each guest was given a small bouquet of pansies and lilies of the valley. A very pleasant time was enjoyed.

Miss Frances Lentz took the 11th grade on a picnic to Flat Rock Monday, April 28th. Misses Litzker and Cobb and Mrs. Keever were chaperones. The afternoon was greatly enjoyed, and with many wild flowers the party turned on a homeward journey.

The senior class of the Hickory high school was entertained by Miss Frances Lentz at the Busy Bee Cafe Tuesday evening, April 29th. The delicious four-course dinner was greatly enjoyed beyond mention, after which the class was taken to the picture show.

Moser & Lutz drug store entertained the senior class of Hickory high school by treating them to ice cream and cake Friday afternoon, May 2nd. The tables were adorned with flowers and the cream was delicious and deserved to be patronized. Before leaving the class assured Messrs. Moser & Lutz what an enjoyable afternoon that had been.

Miss Katharine Stevenson gave a straw hat party Friday evening, May 2nd to a number of girls and boys. Miss Beatrice Cobb was chaperone. Fruit and candy was enjoyed.

**Items From Granite Falls.**  
(Special to Hickory Democrat.)

M. M. Helton has gone to Charlotte for a touring car which he purchased last week.

Dr. Corpening has purchased a nice little auto.

F. R. Tilley has a position as traveling salesman with the new Overall Company at Hickory.

Stanford Tilley had his finger broken in a ball game here Saturday.

Beware of the man who wants to send you a suit of clothes for \$1.00 express charges as an advertisement. He is a fair and worked a number of people north of town a few days ago.

Town election today. Everything is quiet.

### A New Industry For Hickory.

For several days there has been an exhibition at Whitener & Martin's machine for automatically selling Coca-cola and Soda water. From twenty-four assorted bottles any desired flavor may be selected by placing ten cents in the slot. When the empty bottle is replaced five cents in change is returned. There is space for ice and a device for drawing off the water when it becomes too warm. The case is finished in golden oak and with the nickel-plated trimmings presents a very handsome appearance.

A modification of the same machine has sixteen larger spaces in which apples, oranges, bananas, peanuts, cigars, candy, or in fact, almost anything may be placed. This machine works with five cents and of course gives back no change.

This device is the joint invention of Messrs. G. F. Ivey and J. W. Clay and is being manufactured by The Ivey-Clay Co. We predict for it a large measure of success, for while there are many slot machines on the market, we have never seen one with so many valuable features.

### Wanted: 50 Men and Women.

Moser & Lutz, the enterprising druggists, are advertising to-day for fifty men and women to take advantage of the special half-price offer they are making on Dr. Howard's celebrated remedy for constipation and dyspepsia, and get a fifty-cent package at half price, 25 cents.

So positive are they of the remarkable power of this remedy to cure these diseases, as well as sick headaches and liver troubles, that they agree to refund the money to any customer whom the medicine does not quickly relieve and cure.

With Dr. Howard's remedy at hand you can eat what you want and have no fear of ill consequences. It strengthens the stomach, gives perfect digestion, regulates the bowels, creates an appetite and makes life worth the living.

If you cannot call at Moser & Lutz Store to-day, send them 25 cents by mail and they will send you a package promptly, charges paid.

Moser & Lutz have been able to secure only a limited supply of the remedy, so great is the demand, and you should not delay taking advantage of this liberal offer they are making this week.
