NINE (9) days only in which to gather bargains that will be worth more to you than many times nine (9). So many of our prices have been divided by nine (9) that we think the predominant nine (9) will be your lucky number.

An old adage says "A stitch in time saves nine (9)." Now we tell you that during our nine (9) days sale you will have an opportunity to save many times nine (9).

This is no fake sale. We will do just what we have advertised, and then some. We do not put on many sales but when we do, we believe in having a real sale. Ask yourself have we ever fooled you.

If you miss this sale you are the loser. And we do not ask you to take our word for it. Come and see. Honestly we have never offered such bargains and the reductions go entirely through our stock.

Understand, we are not having this sale to move old shelf-worn goods. We haven't that kind. Our business has been steadily growing and naturally we have had to increase our stock. We must make room for the biggest and best Fall stock ever shown in Hickory.

Our doors will open Saturday, July 19th. at 9 A. M., and will continue until July 29th. (Nine (9) days only.)
