Couldn't Walk!

"I used to be troubled with a weakness peculiar to women," writes Mrs. Anna Jones, of Kenny, Ill. "For nearly a year, I could not walk, without holding my sides. I tried several different doctors, but I grew worse. Finally, our druggist advised Cardui for my complaint. I was so thin, my weight was 115. Now, I weigh 163, and I am never sick. I ride horseback as good as ever. I am in fine health at 52 years."

TAKE CARDUI The Woman's Tonic

We have thousands of such letters, and more are arriving daily. Such earnest testimony from those who have tried it, surely proves the great value of this vegetable, tonic medicine, for women.

Cardui relieves women's sufferings, and builds weak women up to health and strength. If you are a woman, give it a trial. It should help you, for it has helped a million others. It is made from pure, harmless, herb ingredients, which act promptly and surely on the womanly organs. It is a good tonic. Try it! Your druggist sells it.

A Severe Sickness I eaves The Kidneys Weak.

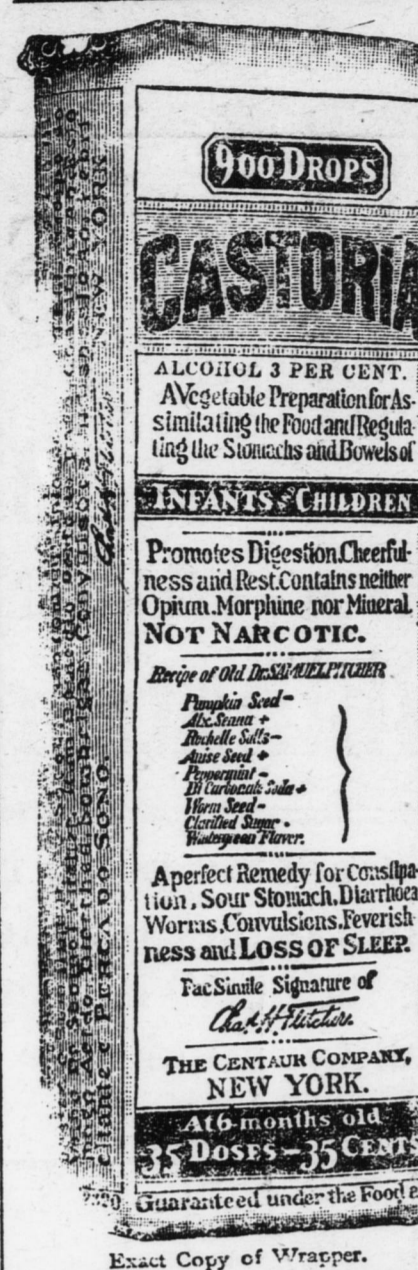

After recovering from a severe spell of sickness some time ago, I was all run down and suffering from poor blood. I would have pains in my back and hips and my kidneys bothered me all the time. I started taking Swamp-Root upon the recommendation of a friend and found it was just what I needed. My blood became all right and after taking a few bottles, I was surprised at the effect it had on my kidneys. They were entirely cured and I have much to be thankful for what your great remedy did for me. Yours very truly,

W. O. BLACKMON, Phenix City, Ala. Sworn to and subscribed before me, This the 14th day of July, 1909. W. J. BIRB, Justice of the Peace.

TO THE GREAT GOLDEN GRAIN BELT NORTH DAKOTA

In 1912 the farmers along the Great Northern Railway line required 75,000 outside men to harvest their crops. The crop of 1913, so far, promises greater yields. Going wages during the harvest run are between \$2.50 and \$4 per day. Leaving on Tuesday, July 29th., I will accompany a party through to the Wheat Belt, assisting in securing the best available positions. A party will go to Fargo and Grand Forks, North Dakota, where good positions are obtainable.

This Is A Golden Opportunity
