Wreck on the Yard.

A wreck on the Southern Railway occurred on the east end of the yard here late yesterday afternoon. A box car loaded with lumber broke loose from a freight train and gained such a rapid rate of speed that it jumped the track, turning completely over, blocking traffic on the main line of the Carolina and Northwestern Railway. Mr. Earl Nabors of this city, was on the car and in attempting to apply the brakes ran a narrow escape of serious if not fatal injury, jumping as the car left the track. The wrecking crew was called out and had the track clear at 10:30 o'clock last night.

Better Paint

Better paint this year if your property needs it. Mistaken men have been waiting for paint to come down. The cost of their job has gone up not down; it always goes up by waiting, never comes down. Better paint than Devoe? There isn't any. Suppose one had waited 20 or 30 years ago for a better paint than Devoe; how long would he have waited? How long would he still have to wait? The price a gallon makes some difference; yes, but not much; it's the paint that counts; the quality counts. It's the go-for that counts. Protection of property counts more yet. Better paint. DEVOE F. B. Ingold sells it. adv.

Harry Little Secures Another Promotion.

H. H. Little, our one-time popular railroad agent, has just been notified of another promotion. This is no surprise to the people of Hickory, as they believe his merits would justify almost any position. The only regret is that he will be permanently located at Boston, whereas in his present position they could count on an occasional visit from him from the general office at Washington. As traveling passenger agent, Mr. Little's operations will keep him out of this territory.

Doors will open promptly at 8:30 Saturday morning, August 9th, and sale will run all through the following week, ending Saturday, August 16th. In appreciation of the very liberal patronage which we have enjoyed since opening, we will serve free lemonade to every one coming into our store all day and at night Saturday, August 9th. It matters not whether you make a purchase or not, we want you to be social and accept the lemonade, as we will feel hurt if you do not. The lemonade will be served by bright young girls on gallery for white people, in rear of store for colored people. Every one invited. On account of the cost of serving these cool drinks we cannot afford to enumerate price in newspaper, advertising is very expensive. Our entire stock will be well arranged and all summer merchandise will be reduced to close. Many specials have been bought especially for this sale which will cost great activity. Plenty of competent help will be provided so every one can get waited on promptly. Tell your friends! We want them here whether they purchase or not. Music all during the day and at night.
