IN SOCIAL CIRCLES

One of the most delightful announcements parties ever given in Hickory was the one Tuesday afternoon when Mrs. Joe Abernethy entertained about fifty of her friends with Hearts, Dice and announced the approaching marriage of her sister Miss Mattie Abernethy, one of Hickory's most attractive and popular young ladies, to Mr. J. Loyd Thompson of Eufoula, Ala.

As the guests arrived they were taken to the punch bowl which was presided over by Miss Laura Wall, sister of the hostess. In the games of dice Mrs. E. L. Shuford won the first prize, a cut glass dish, and Miss Claire Sellers the second, a hand painted belt pin.

After the dainty refreshments, which were suggestive of hearts had been served, the hostess' sweet little daughter daintily arrayed as cupid was brought in with envelopes for each guest containing pictures of a bride and groom and the names "Mattie and Loyd", and the date October 21st, 1913. The favors were candy hearts with bows and arrows. When the announcements had been read, the bride-to-be was presented with a beautiful bunch of asters and ferns.

Miss Mattie Abernethy is the daughter of Mr. J. F. Abernethy and has hosts of friends in the state who will be interested in the announcement. Mr. Thompson is a North Carolinian but is at present engaged in business in Eufoula, Ala.

Mrs. J. W. Moose delightfully entertained at her beautiful home in West Hickory Tuesday night, in honor of her sister, Miss Lillie Healan of Lenoir, and her cousin, Miss Phebe Moose, of Mooresville. The house was beautifully decorated with ferns. The guests were met at the door by Miss Pheribee Whitener. Those invited were Misses Elen White, Florence Leonard, Gladys Fisher, Mary Bumgarner, Pheribee Whitener, Phebe Moose, Lillie Irene Healan, Joe Moore, Metta Deal, Mary Moose, Messrs. F. L. Moose, Bryan Wilfong, Bill Thomason, Henry Peeler, T. W. Clay, Harold Deal, Chester Williams, Laurie Deal, Freeman Dietz and Earl Pool. Watermelon and grapes were served.

Mrs. Bryan Jones entertained her bridge club Tuesday evening in honor of Mrs. Walter Martin. It was a most enjoyable event.

Mrs. Albert Abernethy entertained her bridge club last Friday with three tables. Mrs. Roy Abernethy received the prize.

Mrs. C. M. Snerill entertained two table bridge club Tuesday in honor of Mrs. Walter Martin. Mrs. Dr. Fairar received the prize, a powder box. The guest prize, was a pair of silk hose.

Mrs. E. L. Shuford entertained two bridge clubs of six tables. The high score was made by Mrs. J. A. Grimes. This was quite an enjoyable meeting of Hickory society.

At Mrs. J. G. Garth's, Friday afternoon, Aug 29th. Mrs. E. B. Menzies class in expression and Mrs. Garth's cooking class joined forces and were "at home" to parents and friends on three to five o'clock.

The following little ladies composed the classes: Catherine Menzies, Clarie Garth, Mary Doll, Janie Menzies, Mary Shuford, Mary Stuart Menzies, and Ellen Stuart Menzies.

The occasion marked the closing of the present terms and the work displayed showed pains-taking endeavor on the part of both teachers and pupils. After the guests were received and welcomed into the hall a splendid program was rendered by the expression class, the entire class taking part in a drill showing the exact work of the study period, primary lessons in voice culture, true positions of organs, first lessons in grace:

Correct standing position.
Correct chest position.
Correct throat position.
Deep breathing.
Nine reading pitches taken from the three registers of the voice, the upper, medium and lower.
Tone Color.
Syllable analysis distinct pronunciation.

Gesture Drill, supine, prou and repellent gesture.
Minuet Bow.

Then the following Readings were given, showing remarkably skillful training on Mrs. Menzies part:

"My Foot's Asleep," Catherine Menzies.
"Nassy Cryin' Baby," Charlotte Garth.

"The Fate of Charlotte Russe", Janie Menzies.
"Baby's Soliloquy," Mary Rodgers Shuford.

"The Stumped Toe", Clarissa Abernethy.
"The Little Teacher" Mary Stuart Menzies.

The next half hour was delightfully social conversation while partaking of refreshing ices and delicious little cakes cut in various shapes, made and served by the little maids of the cooking class. Mrs. Garth had many requests to teach the older members of the company to make these same dainties.

The lecture given by Mrs. Motte Martin at the Presbyterian church Sunday afternoon was greatly enjoyed by the large crowd present. She gave many items of interest in regard to the work being done by the Presbyterians at Luebo, African, from which point she has recently come. Her enthusiasm was so great and she gave such vivid pictures of the needs of the African, from a moral, mental, and physical standpoint, that all were intensely interested and many resolved to do more for Missions. She emphasized the great need of a physician at Luebo, as there is none for a distance of 800 hundred miles from Luebo. Such a wonderful opportunity for christian physicians. Master George Martin was with her. Her nurse Matumba, who is a native African, and cannot speak English created much interest, especially among the children. Mrs. Martin left Monday for Statesville, Davidson College, and other points.

New Fall Goods

Our buyer has just returned from the Northern markets with the very newest in Fall Merchandise. It has been our aim to make our store 50 per cent. better in every way than last year. We want you to be the judge.

Coat Suits and Long Coats

The styles have changed some, but for the better. They are prettier. The tailoring and workmanship is much better. The styles are more graceful, more attractive. Many new cloths are shown. In color the four shades of blue lead. Blacks and browns are both very good. Tan and taupe come next. Wines and mahogany are also shown.

Considering the styles and better tailoring suits and coats are much cheaper than ever before. Let us show you. Our prices range from \$3.50 to \$35.00.

SILKS and RIBBONS

If you have been reading you know that this will be a big silk season. We are proud of our silk and ribbon purchases. The long silk strike has made desirable goods scarce. We contracted for our silks and ribbons some months ago at old prices and picked out the colors when we were in New York and Philadelphia. We can show you all that is new—plain and brocades crepe-de-chines, plain and brocaded charemouse, charemouse messalines, serges, 40-in. poplins, brocaded messalines, silk ratines, etc.

Our line of new ribbons is the best ever. Sashes are the rage. We have the ribbon for every kind, the tassels too. Prettiest patterns in good hair ribbons that you ever saw. Let us show you.

WOOL DRESS GOODS

More wool dress goods have been sold for Fall 1913 than ever before. There is a reason. Everybody wants a one piece dress. Wide materials and new styles do not call for many yards. Hence, the cost surprisingly small. We only bought the new weaves and cloths and we have the colors desired, Serges, whip cords, eponge, brocaded eponge and suitings, honey comb, diagonal, etc. Let us show you.

Let Us Show You

It would take all this newspaper to enumerate the good things that we have to show you. We want you to come and look through our entire stock. It makes no difference if you are not ready to buy. We want you to see what is going to be used and that we have it for you. You owe it to yourself to be posted early on the new styles. You do not want to make a mistake so let us show you.

Remember we are specializing on ladies and childrens fine shoes and we have the best stock to select from that we have ever shown. We can fit you as we are carrying in stock B. C. D. E. and EE.
