Felix Diaz Struck.
Havana, Nov. 6—General Felix Diaz, was struck by a Mexican at 10:30 o'clock tonight. He was wounded twice, probably not fatally.
The attack on Diaz occurred while he was walking on the Malecon, a fashionable promenade. He was wounded behind the ear and in the neck, besides receiving several blows on his head from a cane.
Diaz was removed to a hospital. His assailant was arrested.

Start the Day Warm
With a **PERFECTION SMOKELESS OIL HEATER**

SLEEPING with the windows open is a "first aid" to health and beauty. But it makes getting up in the morning a chilly ordeal.

With a Perfection Smokeless Oil Heater you dress in comfort on the coldest day.

A touch of a match, and the Perfection is aglow in a minute. Later you can carry it to any other room, and breakfast, read or sew in comfort.

In fact, a Perfection Heater is just as good as a fire, and much cleaner and more convenient.

It is a handsome heater, too. Ask your dealer to show you a Perfection, or write for descriptive catalogue.

HAVE MERCY ON YOUR FEET

So many people spend half of their lives suffering from the effects of ill fitting, cheaply constructed shoes. They have become habitually misguided in the belief that all shoes are alike and that price alone should be the guiding factor in their purchases. The sooner they get away from this belief the better it will be for their feet, their purse and their general welfare. Look at this guarantee! So far as we know SELZ is the only manufacturer that puts such a guarantee on their shoes and back of this guarantee is SELZ—the largest manufacturer of good shoes in the world with 42 years of experience and unlimited resources. "Selz" bears the same relation to shoes as Sterling bears to silver.

If you never have worn Selz Shoes, then you have never experienced the comfort that people have hoped to get in footwear. Better start right now to get the satisfaction that's due you for the money you spend for your shoes

are never cheapened by the frauds so common in the shoe market, such as padded inner soles, pieced together heels, and composition soles. We could not guarantee poor shoes. Remember, your dealer is authorized to see from every pair of shoes bearing the mark.
