Signon-Huffman.

Mr. Eugene Signon and Miss Edna Huffman, both of this city, were married in Newton last Wednesday by Rev. W. W. Rowe, pastor of the Reformed church at that place.

Mr. Signon is shipping clerk at the Piedmont Wagon and Manufacturing Company and Miss Huffman was stenographer for the same firm. The Democrat extends congratulations.

Newton Finishes Street.

Newton, Nov. 30.—Specie'. The bitulithic street leading from the depot to the main part of town is completed. Previous to its building, the old roadway had worn in holes so as to make traveling very uncomfortable. In the past it always took the hickory at least 20 or 25 minutes to make the drive from the station to the square, now it is only a matter of how fast the horses can travel.

NEW DEPARTURE

Selling Medicines at Half Price Under Guarantee of Cure.

After two months of remarkable sales, Moser & Lutz, the enterprising druggists, say that their plan of selling at half price the regular 50 cent size of Dr. Howard's specific for the cure of constipation and dyspepsia, and guaranteeing to refund the money if it does not cure, has been the greatest they have ever known.

Anyone suffering with dyspepsia, constipation, liver troubles, headache, dizziness, coated tongue, or the general tired feeling, caused by inactive liver and disordered digestion, should take advantage of Moser & Lutz's new departure and buy a bottle of Dr. Howard's specific at half price, with their personal guarantee to refund the money if it does not cure. A Thanksgiving Dinner.

On Thanksgiving day, the hospitable old colonial home of John W. Roodinson threw open its doors and welcomed most heartily the local Farmers Union and United Farm women to a banquet.

Three long tables, each seating twelve, were provided. These were decorated with pumpkins, apples, popcorn and ferns, all from the farm. The good old fashioned menu consisted mostly of things from the farm which the ladies donated and equaled any found at hotels. So, at a very slight cost the farmers, their wives and the young people of the Killian district spent a most enjoyable day socially with each other.

The toast were especially fine. Many good suggestions along the line of neighborhood betterment, co-operation being given, and loads of fun.

It was the unanimous wish of each one present that we hold one annually at some place in the neighborhood.

A VALUABLE SUGGESTION

IMPORTANT TO EVERYONE

It is now conceded by physicians that the kidneys should have more attention as they control the other organs to a remarkable degree and do a tremendous amount of work in removing the poisons and waste matter from the system by filtering the blood.

During the winter months especially, when we live an indoor life, the kidneys should receive some assistance when needed, as we take less exercise, drink less water and often eat more rich heavy food, thereby forcing the kidneys to do more work than Nature intended. Evidence of kidney trouble such as lame back, annoying bladder troubles, smarting or burning, brick-dust or sediment, sallow complexion, rheumatism, may be weak or irregular heart action, warns you that your kidneys require help immediately to avoid more serious trouble.

Many physicians claim that an herbal medicine containing no minerals or opiates has the most healing influence. An ideal herbal compound that has had most remarkable success as a kidney and bladder remedy is Dr. Kilmer's Swamp-Root.

You may receive a sample bottle of Swamp-Root by Parcel Post. Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention the Hickory Democrat. adv't

Inconsistency.

"You say your wife is an anti-fragrant?"
"Yes; she spends her time gadding around the country asserting that woman's place is the home."

STRENGTH FOR OLD PEOPLE

Old people, to overcome the weakening debilitating effects of increased age, often make a very sad mistake in using so-called "remedies" that contain alcohol and dangerous or habit-forming drugs. Often this stuff because it liven's and brightens them up a little just after taking a dose, leads them to imagine that it is doing them good, when it isn't. Remedies that rely for their sale on such deceit, do harm, because the false excitement of the nerves and heart leaves them worse than they were before.

Real Olive Oil Emulsion is a real medicine—a splendid body and strength-builder, especially good for old people, because it furnishes to the system ingredients necessary to rebuild wasted tissues, strengthen the nerves, give new energy and a younger and livelier feeling to the body. It doesn't contain a drop of alcohol; no dangerous drug. It may not make you feel better after the first dose, nor perhaps for several days. But if you don't feel much better and stronger before you have taken a quarter as much as you have of other medicines that didn't help you, we will gladly give you back your money. That's certainly a square deal.

The four Hypophosphites it contain are used by leading physicians everywhere in debility, weakness and liability to disease, to tone and strengthen the nerves. Purest Olive Oil, one of the most nutritious, most-easily-digested foods known, being taken with the hypophosphites, gives rich tissue nourishment to the entire system.

You who are weak and run-down, and you who are apparently well now but are liable to suffer from various cold weather ailments, use Real Olive Oil Emulsion to get and keep well and strong. For the tired-out run-down, nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible pleasant-tasting aid to renewed strength, better spirits, glowing health. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—one of more than 7,000 leading drug stores in the United States, Canada and Great Britain.—Grimes Drug Co., Hickory, N. C. adv't

Morganton, Nov. 30.—Thanksgiving day was fittingly observed at the State Hospital, the usual Thanksgiving dinner being prepared. The preparation of this dinner is an enormous undertaking. Do You Want the Same Shoe?

Chicago—New York Philadelphia—Boston

—in fact all the style centers are raving over the men's new fall

"Selz Waukenphast" of Royal Blue Fame

and why not? It's undoubtedly going to be the most popular shoe this fall. It's really a common sense shoe and seems strange its manufacture has not been thought of by other makers.

Feels just like a glove. Ought to sell for twice the amount asked for them.

We have them for women and children, too. Just as aristocratic.
