HICKORY ASSURED OF CATAWBA FAIR.

The president of the Catawba Fair informs us that Hickory will get the fair. The business men of Hickory are ready to contribute a liberal amount to get the fair here, not only for the benefit of Hickory, but for the farmers of the surrounding country.

We are writing this to urge and insist on Gen. Julian S. Carr, of Durham, to enter the race for Governor of North Carolina. We felt that it will be only a few years that we will have one of the Confederate Soldiers in the State left to fill an office, and we owe this honor to Gen. Carr and urge and insist that he be a candidate in the coming election.

Annual Reunion to be in Raleigh. The North Carolina Confederate Veterans Reunion this year will be held in Raleigh and the date is June 10 when the monument to the Women of the Confederacy will be unveiled on Capitol Square.

The Mothers' Favorite. A cough medicine for children should be harmless. It should be pleasant to take. It should be effective.

Old Relics.

Shelby Star. Recently there was a sale at the Wright homestead near Fallston and some of the oldest relics in the state were unearthed and disposed of. Two years ago, Hicks Wright died and recently his two maiden sisters died, one on one day and the other on the following day.

Mrs. E. H. Houser bought a pewter plate which she afterward learned was in possession of her ancestors, Charlie Young of Shelby has an exhibition at Lackey's store a flax spinning wheel which was brought from Ireland by the grandfather of the Wrights 150 years ago.

Another relic worthy of mention was an old wooden auger which was used in boring holes in shingles to peg on the roof before nails were made.

A number of other things of historic interest were sold but suffice it to say for the present, these old people whose rule of life was to save everything, is a lesson for the present-day spendthrift.

He Kissed White Girl; Thirty Years in Jail.

Los Angeles, March 5.—Protests, threats of recall and denunciation poured in today on Judge Willis, of the criminal department of the superior court, because he sentenced to thirty years imprisonment Charles Guyton, a young negro, convicted of highway robbery, although he stole only a white girl's kiss.

Deputations of white women visited the judge today to demand that action be taken to save Guyton from such severe punishment. Telephone messages informed him that petitions were being prepared for his recall. Other women called in person to say that steps would be taken to procure a pardon from the governor.

Judge Willis explained that the negro had been convicted of highway robbery. He had taken a dime from the white girl, although he gave it back after he kissed her and he had subjected six other young white women to similar treatment, besides criminally attacking two negro girls.

AGE NO BAR.

Everybody in Hickory is Eligible. Old people stooped with suffering, Middle age, courageously fighting, Youth protesting impatiently; Children, unable to explain; All in misery from their kidneys. Perhaps a little backache first. Urinary disorders, dropsy may quickly follow.

Doan's Kidney Pills are for sick kidneys. Are endorsed by thousands. Here's Hickory testimony. Mrs. U. S. Sherrill, 1346 Twelfth Ave., Hickory, N. C., says: "Doan's Kidney Pills permanently cured my boy of kidney complaint. The child could not control the passages of the kidney secretions and this caused great annoyance. Although we tried almost everything, nothing did any good until we procured Doan's Kidney Pills at Moser & Lutz's Drug Store. They greatly strengthened his kidneys."

Remember the name—Doan's, and take no other. Remember the name—Doan's, and take no other.

BURKE ITEMS.

Hickory Couple Married—New County Judge.

Saturday evening Mr. Roy Spencer, of Hickory, was a Morganton visitor and he came on very important business. His affianced, Miss Anna Killian, of the same town, was visiting relatives in Morganton. No sooner had he arrived than he hid himself to the office of the register of deeds and secured license to marry the young lady in question. That night they marched to the Methodist parsonage and Rev. H. H. Jordan soon had a knot tied that even the objecting parents could not untie.

At their regular meeting Monday the board of county commissioners accepted the resignation of R. L. Huffman as judge of the county court to take effect April 1st, and elected as his successor, C. F. McKesson, who is scheduled to retire as Morganton's postmaster some time during the present month. It is needless to say that McKesson will wear his new "entitlements" with honor and distinction, both to the credit of himself and his friends. He knows the law and his natural judicial turn of mind should make him an ideal judge of the county court.

RETIRED GEORGIA PLANTER'S ADVICE TO KIDNEY SUFFERERS.

Regarding the wonderful curative merits of your Swamp-Root, I cannot say too much. After suffering severely for three years or more with severe pains caused by weak kidneys, I was finally induced to try Swamp-Root through a testimonial I read in one of the newspapers. I was in such a condition that I was obliged to arise from my bed six or eight times every night. I purchased a fifty-cent bottle and before it was used I felt so much relief that I purchased a one-dollar bottle and by the time this was taken the old pains had left my back and I could sleep the whole night through. I am a retired planter, 70 years of age, and owing to Dr. Kilmer's Swamp-Root, I am in the best of health and feel like a boy. I am always glad to recommend Swamp-Root to those who are in need of it.

Sincerely yours, C. E. USSERY, Bowersville, Ga. Personally appeared before me, this 8th of September, 1909, C. E. USSERY, who subscribed the above statement and made oath that the same is true in substance and in fact.

T. H. McLANE, Notary Public.

Prove What Swamp-Root Will Do For You. Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y. It will convince anyone. You will also receive a booklet of valuable information, telling all about the kidneys and bladder. When writing, be sure, and mention the Hickory Democrat. Regular fifty-cent and one-dollar size bottles for sale at all drug stores. (adv)

WANTED EVIDENCE.

A Yankee attorney was addressing a jury on behalf of a prisoner. "Gentlemen," he said, "witnesses have sworn that they saw the accused fire his gun; they have sworn they saw the flash and heard the report; they have sworn they saw Pete Jackson fall flat; they have sworn that this bullet was extracted from Pete Jackson's body; but, gentlemen, in the name of justice, I ask you, where is the evidence that the bullet hit Pete Jackson?"

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio.

Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

Not Paint

With linseed oil at 50c to \$1, what sort of oil do you think they use in "paint" at \$1.50 and \$1.25? That stuff is counterfeit paint. You can cheat yourself; you can't cheat Time or weather. Paint is a rubbery coat over wood and iron to keep-out water. Counterfeit paint may look like t; counterfeit money looks like money. What are all counterfeits for? They are all alike. DEVOE

To Prevent Blood Poisoning. Apply at once the wonderful DR. PORTER'S ANTISEPTIC HEALING OIL, a surgical dressing that relieves pain and heals at the same time. Not a liniment. 25c. 50c. \$1.00.

Editor's Saying.

An editor who started about twenty years ago with only 55 cents is now worth \$100,000. His accumulation of wealth is owing to his frugality, good habits, strict attention to business, and the fact that an uncle died and left him \$99,999.—Editor and Publisher.

Suffered with Throat Trouble.

Mr. Barnes used to be a sufferer from throat trouble. He supposed that his health was entirely ruined, in spite of all the treatment he could procure. After using four bottles of Peruna, he claims that he was entirely restored to health. Catarrh of the throat is not only an annoying disease of itself, but it exposes the victim to many other diseases. We are constantly breathing into our throats numerous atmospheric germs. Disease germs of all sorts. This cannot be avoided. If the throat is healthy the system is protected from these poisonous germs. But if the throat is raw and punctured with numerous little ulcers, by catarrh, then the disease gains easy access to the system. Keep the throat well and clean. This is the way to protect yourself against contagious diseases. Gargle the throat as explained in the new "Tills of Life," sent free by the Peruna Co., Columbus, Ohio.

Mr. Barnes says: "I had throat trouble and had three doctors treating me. All failed to do me any good, and pronounced my health gone. I concluded to try Peruna, and after using four bottles can say I was entirely cured."
